THURSDAY • OCTOBER 23 • 2008

Charmaine Flint and Wendy Phillips- Are the minds behind the new cafe, Duck Inn Cafe, located in Craig. Customers are tasting lunch menu items inside as a preview.

Duck Inn Cafe brings good eats and fine treats to Craig

Something unique is being served up in Craig. For a town that's done without a diner for quite awhile, folks are in for a nice surprise.

Charmaine Flint and Wendy Phillips have opened and are managing the new Duck Inn Cafe located in the Schooler building on the main street of Craig. Wednesday morning, October 15, found them open to the locals for a sampling of menu items. They followed up with a grand opening on Monday, October 20.

The Duck Inn Cafe seemed to be off to a good start with customers

stating the menu items were excellent enjoying the ambiance and conversation.

The food displays were akin to something found in an up-town cafe with inviting desserts sliced and ready to be served cafeteria-style to guests. They also offer a coffee bar with espresso and cappuccino alongside their bakery items.

Charmaine and Wendy are semi-retired secretaries and they both moved back to the area to retire with their husbands. They love to cook and served as Big Lake cooks for awhile before deciding that they should take their passions one step further.

They were able to obtain a lease from the current owners of the Schooler building and began to restore/convert the main floor to suit their needs. However, they didn't ignore the wants and desires of the local residents.

Charmaine said, "We tried our best to honor the wishes of folks stopping in. We left as much as we could original." She also noted that some changes had to be made. The old furnace that sat in the middle of the floor was no longer efficient and needed to be moved. To preserve it, it was moved to a corner of the open floor and is now part of the decor.

The shelves along the walls were left intact and put to good use. They are open as

display shelves for locals that may have special products for sale. A local Watkins supplier has products available as are a few local-made craft items. The shelves are open to other possible suppliers that may have suitable products for sale.

Charmaine and Wendy have tried to keep things as local as possible. They are using meats strictly from R and L Meats in Rock Port and the baked goods are made from scratch in the cafe.

Other unique items in the cafe are homemade dog and cat treats that Wendy pointed out

are kept on hand for their four-legged friends. They also offer a library near the front door and will accept book donations for this community project.

Charmaine reports the City of Craig and the whole community have been very supportive. In turn, they have given back by opening the cafe as a community center on Friday and Saturday evenings for the local young adults. They provide a safe place, finger foods and drinks during the evening. When asked if they could use donations for this special community project, they answered that it would always be beneficial as it is not a money-making event.

Charmaine and Wendy are very interested in the history of the Schooler building and have enjoyed hearing stories from the community. They are still searching for more history on the building and family.

The current opening hours will be from 6:30 a.m. to 3:00 p.m. Monday through Friday. They will offer carry-out orders as well as dining in and plan catering in the future.

The Duck Inn Cafe can be reached at 660-683-5444. Be sure to take a break and join other local men and women for lunch at Craig's very own cafe.

Rogers Pharmacy to hold customer appreciation day

Rogers Pharmacy will be celebrating its 30-year anniversary in Mound City with a Customer Appreciation Day on Thursday, October 23, 2008, from 10:00 a.m. to 4:00 p.m. at the store, located at 607 State Street in Mound City. Refreshments will be provided along with free pens, pencils, coffee mugs, stress footballs and chapstick. Drawings for a Golden Technologies lift chair, Golden Technologies scooter, Apple iPod Nano, Olympus Digital Camera and Digital photo frame will also be held. Winners don't need to be present to win.

Melvin Rogers of Fairfax, MO, opened Rogers Pharmacy in Fairfax in 1967. In 1978, Melvin opened Rogers Pharmacy in Mound City. Over the years Melvin has had up to 5 different pharmacy locations. Melvin recalls working nights stocking shelves and sorting products to get the store ready to open. Many of these nights, different Mound City residents would stop by to voice some encouraging words and many of them joined in and helped get the store ready for business. Melvin vividly remembers his first customer, Welton Ideker. Mr. Ideker had come down with a nasty cold after being out on a job, and brought a fist full of scripts in for Melvin to fill.

Melvin became interested in opening his own independent pharmacy when he was involved in a graduate program in pharmacology. Unlike most others in pharmacy school, Melvin had no relatives involved in the pharmacy business. He was completely new to the occupation.

Melvin managed stores in Kansas City, MO, but upon becoming a father, he made the choice to move back home and open a pharmacy in Fairfax, a place where generations of his family have lived for 140 years.

Rogers Pharmacy has expanded over the years to a healthcare company zeroing in on healthcare items

and improving the quality of life for its customers. Over 40 employees now work for Rogers Pharmacy including employees in the stores, to pharmacists and certified fitters and sellers of medical items that the company distributes and sells. Not only does Rogers Pharmacy provide prescrip-

plementation of Medicare and Medicaid, and continues to see how politics affects his customers in sustaining medical insurance and in being able to purchase necessary medical supplies and medicines to live everyday life. He has also noticed over the years how the role of women in pharmacies has increased. Around 60% or more of today's pharmacists are women.

Throughout the years, Rogers Pharmacy has been blessed with good reliable employees. Currently, the staff at the Mound City location consists of seven employees. Gloria Morris, Store Manager, with eight years of service; Nancy Johnson, Pharmacist in Charge with 25 years of service; Kristine Johnson, Pharmacy Technician with 14 years of service; Michelle Panning, Clerk with six months of service; Frank Morris, Delivery Driver with one year of service; Kurt Clark, Medical Equipment Manager with 11 years of service; and Marci Gillis DME Billing Manager with nine months of service.

Fortunately, Rogers Pharmacy's customer base has stayed steady over the years. Rogers Pharmacy remains successful through the help of Melvin's son, Benne, who is the financial officer and number cruncher of the business. Melvin's wife, Karen, son Ryan, and daughter and son-in-law Leigh Ann and

Harold Lawrence have also contributed to the success of Rogers Pharmacy. Rogers Pharmacy is definitely a family operation.

When it comes down to it, Melvin believes you just have to have a passion for what you do and believe in what you are doing. "I just want to be a better pharmacist and businessman tomorrow than I am today," said Melvin.

Rogers Pharmacy is a family operation with excellent staff members at all locations. Customers, family and friends are invited to share in this special anniversary celebration.

tion services, it also provides home oxygen, cpaps, nebulizers, wheelchairs, scooters, canes, walkers, hospital beds, diabetic supplies and other types of medical equipment used to improve the health of individuals.

Melvin has seen many changes over the years with one of the biggest being that independent pharmacies are selling to larger companies due to low reimbursement and timely payments. When small towns like Mound City begin to decrease in population, stores also begin to decrease in net profit. Melvin has witnessed the im-

RSVP required for "Denim and Diamonds" celebration

The State Theater Arts Council is sponsoring a 20th Anniversary Celebration at the McRae Community Building from 5:00 to 7:00 p.m., Saturday, October 25.

The "Denim & Diamonds" Reception will be held to celebrate this momentous achievement and recognize individuals that have been instrumental in providing volunteer and financial support to the State Theater over the past twenty years.

Invitations to this special event have been sent to season ticket holders and donors. According to Jonathan Miller, President of the State Theater Arts Council, "The community as a whole deserves kudos for supporting this venue both financially and with the dedication of volunteer labor. That is one of the reasons we decided to

have this celebration. We encourage everyone to wear denim and their diamonds (their 'bling') and come have a good time."

If anyone is interested in attending this special event please R.S.V.P. by calling 660-442-5909.

The celebration is being held prior to the "Johnny Cash Tribute" being held at the State Theater at 7:30 p.m. Saturday, October 25. This performance marks the official celebration of the State Theater Arts Council's 20th Anniversary and is sponsored by Nodaway Valley Bank of Mound City, the State Theater Arts Council and the Missouri Arts Council.

FFA fruit sales started

The Mound City FFA Chapter is having their annual fruit sales. If you would like to order fruit, please contact an FFA member or the Mound City FFA Advisor, David Gomel.

Kiwanis Annual Halloween Party

The big annual community Halloween party at Mound City's Griffith Park is Friday night, October 31, at the shelter house.

The annual spooky party is sponsored by the Mound City Kiwanis Club. The club relies on donations from businesses and individuals to help provide hot dogs, buns, chili, hot cocoa, marshmallows, pop, coffee and condiments. The Kiwanis Club handles the setup and serving, with others donating firewood, roasting sticks, serving supplies, as well as monetary donations. Please feel free to donate by contacting Jonathan Miller at Shelter Insurance.

As usual, people can roast their own hot dogs over an open fire and sit and visit with their scary friends over food, a cup of hot chocolate, coffee or pop. Serving begins around 5:00 p.m.

All the food is free and the Kiwanis invites everyone to attend. Costumes are encouraged but not mandatory.

Schedule change for CFX JH game

The Craig/Fairfax junior high basketball game scheduled for Monday, October 27, has been moved to Craig High School due to the district volleyball tournament being held in Fairfax.

The game will begin at 5:30 p.m. against West Nodaway. This is the first game of the season for the Craig-Fairfax junior high teams.

Letters to the Editor

To whom it may concern:

We would like to thank all the wonderful people that we met during our recent stay in Mound City, Missouri.

On Sunday, September 14, 2008, our truck pulling a horse trailer carrying four horses and ten dogs, broke down on the interstate. We were devastated! We had no idea who to call or where to go, or what to do with our animals. To our amazement, your community had all our questions answered pretty quickly.

Wayne Gillenwater carried our horse trailer with the animals to his house and cared for them for three days.

Our truck was towed to the Chevrolet Service department and we were carried to Audrey's Motel. Whatever our needs were, the citizens of Mound City made sure that they were provided for. We thank you so much for the understanding and care that was given to us by the people in your town.

We are so grateful to all of the following people for their help and hard work during our week stay. We could not have done it without them:

McIntire Building Center
Chevrolet Sales & Service, Joe, Mark & Jack
Audrey's Motel
Citizens Bank & Trust
Holt County Ready Mix

Thank you again for all the help you provided to the two strangers from Boston, Georgia. May God Bless you all!!

*Sincerely,
Johnny & Bonnie K. Nolan
Boston, Georgia 31626*

Letter to the Editor,

Smoke Screen

I've been reading about Proposition A. The more I read, the more I become convinced that it is nothing more than a smoke screen designed to make us believe that the gambling casinos are concerned about our children's education.

One percent of the increase in losses... come on, who do you think gets the 99 percent...the gambling casinos, of course, which will no doubt be used to give them more power and resources to milk the people out of their hard earned money.

Consider this-

If all the money spent on gambling was used toward educating our children, there would be no shortage of funds for our schools.

Vote a big NO on Proposition A.

You'll be glad you did.

*Warren Morris
Mound City, MO*

Letter to the Editor,

Craig/Fairfax Football

Having been gone for 28 years, I was surprised and yet encouraged to move back home and find that Craig and Fairfax had united their athletic programs for the benefit of both schools and communities.

I have been proud of our players, cheerleaders, students, coaches, school staff, and our community folks for working hard to bring this visionary and progressive idea together. I want to remind our players and coaching staff that their courage, character, value, worth, commitment, dedication, and effort is not necessarily revealed on the scoreboard.

We are extremely proud of your hard work and your willingness to take the field each week to represent our schools and communities. You may not be winning many of your games this year, but please know and understand this, YOU ARE NOT LOSERS!

On the contrary, you are developing gifts, talents, and character traits that will serve you well throughout your life's journey. SO, keep on doing your best and we will continue to believe in you, and support you all the way, regardless of the score.

*A proud uncle,
David Showalter*

Holt County Commission minutes

The Holt County Commission met Tuesday, October 14, with Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner Don Holstine present.

After review, Commissioner Gordon made a motion to accept the minutes as written by County Clerk Kathy J. Kunkel. The motion was seconded by Commissioner Holstine and passed unanimously.

Chad Higdon, Sixth District Congressman Sam Graves' Office, appeared before the Commission to discuss concerns from Holt County regarding the continued purchase of agricultural land by the U.S. Army Corps of Engineers. Land acquisition by the Corps reduces the tax base and reduces Holt County's agricultural-based economy. The Commission asked Mr. Higdon to secure additional information about the Missouri River Recovery Project and the overall impact of the

project on Holt County.

Lee Malan, SecureTech of Fort Worth, TX, approached the Commission with information on an emergency alert system for the courthouse. The system would allow county employees in the offices and courtroom to make a discrete call for help to the Sheriff's Department radios if there is need for emergency response. The product is quoted at a cost of \$6,750 for ten units. The Commission tabled the matter for review in the budgetary process for 2009.

Circuit Clerk Vicki Book reported to the Commission that the State of Missouri has declared the day after Thanksgiving as a paid holiday. Following the discussion, the Commission generally agreed that the day after Thanksgiving and the day after Christmas will both be paid holidays for County employees for 2008.

Road and Bridge Supervisor Daryl Biermann provided an update from his department. He reported a

road and bridge truck used to haul rip rap is experiencing problems with the steering box, and he feels the truck is unsafe. The Commission agreed to park the truck immediately.

Phil Schrick, P.E., McDonald and Warger Engineering, Liberty, joined the Commission and Mr. Biermann to review deed requirements for BRO-30, a bridge replacement project scheduled for 2009. In the matter of BRO-29, which is scheduled to proceed, the Commission discussed a certified letter from landowner Bill Metzgar refusing to allow the easement. Mr. Schrick suggested the Commission contact their attorney Ivan L. Schraeder for advice in moving forward on the project.

Tom Kelso and Wayne Flannery, University Extension, appeared to discuss matters of their respective positions.

Being no further business, Commissioner Sitherwood adjourned the meeting until Monday, October 20, 2008, at 9:00 a.m.

Recycling Day to be held at Big Lake

A recycling day will be held at the Big Lake Baptist Church from 2:00 to 4:00 p.m. on Sunday, October 26.

Recyclable items that will be accepted are:

Cardboard- This includes corrugated cardboard, cardboard pop boxes and items like cereal boxes and cracker boxes.

Office paper- Typing paper of any color, notebook paper and envelopes are all included in this category.

Everything else- Magazines, newspaper, slick paper items and books fit in this category.

All paper items need to be sorted into the three categories listed above before being delivered. Soiled items such as used tissue and greasy pizza boxes cannot be accepted. Lids from pizza boxes are usually acceptable.

Plastic bottles and jugs- will also be accepted. They should have the lids removed and should be smashed. The lids are also recyclable, but must be kept separate from the other plastic items.

Bottles and jugs need to be sorted into two categories of #1's and #2's. These

numbers are usually found on the bottom of each container. Milk jugs should be thoroughly rinsed.

Aluminum- Any aluminum donated will be sold and money from the sale will be applied toward the Math and Science Club scholarships and incentives at the Craig High School.

Everyone is encouraged to take time to clean out their recyclables and do something positive for the environment.

Refreshments will also be served at the location.

Nodaway County Historical Society receives grant

The Nodaway County Historical Society in Maryville, Missouri, is pleased to announce that it is receiving a grant from the Missouri Humanities Council (MHC) for \$2,357.

This grant is in support of the project, "Oral Histories of Northwest Missouri in the 1940s" and will help the society purchase much needed audio and video equipment. The MHC is the only statewide agency in Missouri devoted exclusively to humanities education for citizens of all ages. It has served as a state affiliate of the National Endowment for the Humanities since 1971.

"Oral Histories of Northwest Missouri in the 1940s" is a project committed to obtaining local history in the form of oral histories taken from those individuals who lived during the 1940s and World War II in Northwest Missouri. This project will include the counties of Andrew, Atchison, Buchanan, DeKalb, Gentry, Harrison, Holt, Nodaway, and Worth. Those who wish to share their experiences will be recorded by interviewers who will ask a series of standardized questions. The focus of the recollections

will be on such topics as propaganda, the economy, art, music, entertainment, combat missions, the home front, and other relevant issues.

A program is planned for Sunday, November 23, 2008, at 1:30 p.m. at the Nodaway County Historical Society Museum located at 110 N. Walnut, in Maryville. The program will consist of synopses of the interviews taken prior to the event with an open forum for audience participation. Persons from all counties are invited to participate. The purpose of the program will be to educate the public about the oral history process and its importance to history as well as to provide historical archives of life during the 1940s in Northwest Missouri. These interviews would be retained in the Nodaway County Historical Society's archives.

The emphasis in this program will be to record local history while there are still first-hand accounts of the events available. The Historical Society's long term goal with this project is to have an on-going oral history program and continue interviewing Nodaway County residents on other events of local history.

The information received will be used for research as well as future museum programs. There is an extensive program planned for May of 2009.

The Nodaway County Historical Society has an on going commitment to offer programs of interest to the area's community members of all ages concerning cultural and historical heritage. With the help of grants from the Missouri Humanities Council, the society's program can be offered. The society is currently completing its series of three programs called "The Nodaway County Cultural Heritage Program". This program was also funded by the Missouri Humanities Council.

If you would like to participate in the program or would like more information, you may contact Joni Amthor or Margaret Kelley at the museum at 660-582-8176 or Joni at jamthor@hughes.net For more information about the grant program of the Missouri Humanities Council, call 314/781-9660 or 800/357-0909 or write to the MHC, 543 Hanley Court, Suite 205, St. Louis, Missouri 63144-1905.

NORTHWEST MISSOURI CELLULAR

Harold Browning

Mr. Harold Gates Browning, 90, was born to Harold Ray Browning and Mable Bostwick on October 31, 1917, in Corning, MO, and died Sunday, October 19, 2008, while a resident in the Missouri Veterans Home in Warrensburg, MO.

Mr. Browning was preceded in death by a sister, Eva May Smith, in 1997 and a brother, Allison Edward Browning, in 2008. His father was a farmer and his mother was a homemaker; both are deceased.

From age 15 to age 50, Harold made his home with Fred and Jennie Fries; who he affectionately referred to as his "foster parents".

Upon completion of his formal education, Mr. Browning enlisted in the 43rd Engineering Construction Battalion. He received training at Fort Leavenworth, KS, and then spent the next three years and six months in Australia, New Guinea and the Philippines. He served from March 19, 1941, through July 27, 1945. During his term of service and following, he was awarded the Army Good Conduct Medal, the American Defense Service Ribbon, the American Campaign Medal, the Asiatic Pacific Campaign Medal for service in Papua and Luzon, the World War II Victory Medal and the Philippine Liberation Ribbon with one star. He proudly displayed these medals along with other military memorabilia.

Harold married Eva Jane (Martin) Wehrli on July 14, 1968, at the Mound City Presbyterian Church in Mound City. Upon this union he entered into a family with one stepdaughter, a son-in-law and three stepgrandchildren. After settling down with his wife, Harold continued to work as a farmer and continued to farm until his health would no longer allow. Sam and Linda Creed, family friends, continue to operate the Browning farming business, along with his surviving spouse Eva.

Harold was a member of the Masonic Lodge, the American Legion, and the Pleasant View Presbyterian Church until it closed and then transferred his membership to the Fairfax Presbyterian Church. He was an active church member and participated in all church events. Harold and Sam Creed especially enjoyed helping one another with the fish fries.

One of his many hobbies included beekeeping. He rou-

tinely gave away nearly all of the honey that he collected to his neighbors, friends, church and family. He greatly enjoyed collecting antique farm implements and tools and toy tractors and other toy farm implements. Harold also collected wrenches of all types and devoted an entire building to house this collection of over 1,000 wrenches.

Even though Harold never really had an official retirement, he was still able to find time to travel with his family. Some of their travels took them to Alaska, California, Washington, Idaho and other areas of the United States. Harold was particularly fond of telling of travels during his military life including multiple trips through the Panama Canal, 67 days of ship travel between the U.S. and the South Pacific, and around and between Australia and New Guinea.

Mr. Browning is survived by his wife Eva of the home in Warrensburg, MO; one stepdaughter, Janice Powers and husband Michael of Warrensburg; three stepgranddaughters: Michele Hooper and husband Bryan of Crestview, FL, Jennifer McGraw of Bryant, AR, and Rebecca Morlando and husband Russell of Decatur, AL. He is survived by five great-grandchildren: Ryan Hooper, Aaron Dunham, Anne Hooper, Mercedes McGraw and Jacob Morlando; and five nieces and nephews.

Services were held Wednesday, October 22, 2008, at Pettijohn and Crawford Family Funeral Service, Mound City. Interment was in Mount Hope Cemetery.

Memorials or donations may be made to the First Presbyterian Church in Fairfax, MO. Military Honors at graveside were under the auspices of Paul P. Shutts Post #121, American Legion.

Margarite Atkins

Margarite Atkins, 85, Maryville, MO, died Wednesday, October 15, 2008, at Parkdale Manor Care Center, Maryville, MO.

Margarite was born May 21, 1923, in Saint Joseph, MO, to Hiram E. and Callie Mae (Owens) Hurst.

On July 27, 1941, she married Carroll Ellsworth Atkins in Mound City, who preceded her in death September 17, 1995.

A homemaker, Margarite was a 1941 graduate of Graham High School and was a member of the First Presbyterian Church, Maryville.

She was preceded in death by her parents; husband; son Carroll E. Atkins, Jr.; half brothers James and Willard Hurst; and brother Junior Herbert Hurst.

Survivors include sons Merlin and wife Kay Atkins, Maryville, MO, and Maurice and wife Marlene Atkins, Broken Bow, NE; seven grandchildren; 12 great-grandchildren; one great-great-grandson; sister Hazel Milligan, Maryville; brother Lincoln Hurst, St. Joseph, MO; and several nieces and nephews.

Funeral services were held October 18, at the First Presbyterian Church, Maryville. Burial was in the Maitland Cemetery.

Memorials may be directed to the First Presbyterian Church, Maryville, or SSM Hospice of Northwest Missouri.

Services were provided by the Price Funeral Home Chapel, Maryville.

Marsha Hanner

Mrs. Marsha Hanner, 62, Mound City, MO, passed away Tuesday, October 14, 2008, at a St. Joseph hospital.

She was born July 16, 1946, in St. Joseph, MO. Marsha moved to the state of California at the age of eight, where she spent most of her life, before moving to Mound City in 1988.

Marsha married Jimmy Ray Ackerson and he preceded her in death. On August 17, 1983, she married Jim Bevering and he survives of the home.

Marsha was also preceded in death by her parents, Ray and Corene (Allen) Hanner; and two brothers, Ray Allen Hanner, Jr., and Neale Dean Hanner.

She is survived by two sons, Jimmy Ackerson of Fort Worth, TX, and Clay Allen Bevering of Mound City; daughter, Lorri Robbins of Reseda, CA; seven grandchildren; two great-grandchildren; and four brothers, Bob, Jack, Dick and Tom Hanner.

Mrs. Hanner has been cremated under the direction of Pettijohn and Crawford Family Funeral Service, Mound City. The family suggests memorial gifts to the Marsha Hanner Memorial Fund, c/o Farmers State Bank, 1015 State Street, Mound City, MO 64470.

Gayle Frost

Gayle E. Frost, 55, of Lawson, MO, and formerly of Lexington, MO, died at 4:10 p.m. on Tuesday, October 14, 2008, at her home in Lawson.

Gayle was born on July 21, 1953, in Kansas City, MO, to Estell "Gene" and Marjorie (Schaller) Pike. She married Sam J. Frost of Lexington on June 17, 1992. He survives of the home.

Additional survivors include her mother Marjorie Pike of Gladstone, MO; one son and daughter-in-law, David and Michelle Roth of Gladstone, MO; two stepsons, Joey Frost of Excelsior Springs, MO, and Jeff Frost of Lakewood, CO; two brothers and one sister-in-law, Larry and Pam Pike of Platte City, MO, and Johnny Pike of Lone Jack, MO; two sisters-in-law, Margaret Linck of Overland Park, KS, and Judy Carnes of Lampe, MO; two grandsons, Corey and Kyle Roth; two stepgrandchildren, Jeremy and Ashley Frost; and sev-

eral nieces and nephews.

Gayle was preceded in death by her father; two sons, Stephen Roth, who died in infancy, and Eric Roth; and one brother, Ronnie Pike.

Gayle attended the Mound City Elementary School, Excelsior Springs High School and Park University in Parkville. She was a homemaker and held various office administrative positions. She most loved working beside her husband managing Frost Auction Service throughout their married life. She was of the Christian faith. She had lived in Lexington and Mound City before moving to Lawson one year ago.

The family suggests memorial contributions be made to Crossroads Hospice.

Funeral services were held Friday, October 17, at the Thurman Funeral Home in Richmond, MO. Burial was in the Lexington Memory Gardens. Thurman Funeral Home in Richmond was responsible for the arrangements.

FCCLA to host last tailgate supper

Mound City FCCLA will sponsor the last of their three tailgate suppers this Friday at the Nodaway-Holt and Mound City game.

Food will be served from 5:30-7:00 p.m. Students will be serving chili, vegetable soup and cobbler.

The FCCLA has cleared about \$500 between the last two events and plans to use that money to complete some of their community service projects. So far this year, they have provided birthday bingo prizes at the nursing home in September, served and provided food on the playground for the elementary back-to-school night, collected non-perishable food items for

New baby boy for Biermanns

Greg and Aubre Biermann, Skidmore, MO, announce the birth of their first child, a son born August 31, 2008. Heath Otto Biermann was born at Heartland Hospital in St. Joseph weighing 6 pounds, 8 ounces, and was 19 1/2 inches long.

Maternal grandparents are Tim and Stephanie Woolery of Maryville, MO, and Tom Morin of South Bend, IN.

Paternal grandparents are Greg and Susan Biermann of Maitland.

Maternal great-grandparents are Kathleen Schafer, Skidmore, Frank and Verlie Stopper, Osceola, IA, and Bob Woolery, Madrid, IA.

Paternal great-grandmother is Audrey Wright, Graham.

Russells welcome baby girl

Chris and Jenny Russell, Mound City, would like to announce the birth of their daughter, Emma Mae, born on Saturday, October 11, at St. Francis Hospital in Maryville, MO.

Emma weighed eight pounds, two ounces, and was 20 inches long.

Maternal grandparents are Barb Swope of Osborn and Dennis and Wilma Swope of Clarksdale.

Paternal grandparents are Larry and Teresa Russell of Mound City.

Browns blessed with twin girls

On October 6, Ryan and Michelle Brown, Kansas City, MO, welcomed twin girls, Kimber Jo and Lanie Kay, into their family.

Kimber Jo weighed in at 2 pounds, 9 ounces, and was 13 1/4 inches long, while younger sister, Lanie Kay, weighed in at 2 pounds, 14 ounces, and was 15 1/2 inches long.

Maternal grandparents are David (Derb) and Sherry Wilson, Forest City.

Paternal grandmother is Linda Brown, and paternal grandfather is Richard Brown, both of Mound City.

Maternal great-grandparents are Max Shubert and Frances Wilson, both of Mound City.

Both girls remain in the NICU at St. Luke's on the Plaza. Continued prayers are appreciated.

It's about Life.

Service

Ever hear anyone say they're out to provide just "okay" service? But what's the difference between mediocrity and the very best? We believe it's when you feel like yours is the only family we're here to serve. It's the kind of service you deserve.

Monday, Oct. 27- Chicken fried steak, mashed potatoes and gravy, spinach, juice and pudding dessert.

Tuesday, Oct. 28- Ham, sweet potatoes, green beans, brownies.

Wednesday, Oct. 29- Pork roast, mashed potatoes and gravy, California blend, hot bread, fruit gelatin.

Thursday, Oct. 30- Sausage and gravy with biscuit, harvard beets, hash browns and peaches.

Friday, Oct. 31- Taco salad with lettuce, peas, chips and cheese, cookies and applesauce.

Alana Poe is AQHA recipient

The American Quarter Horse Association Horseback Riding Program recognized Alana Poe in a news release this week.

As an AQHA member, Alana completed a program application, paid a one-time enrollment fee and recorded hours spent riding a registered American Quarter Horse. Alana earned her award for logging in 50 hours of riding. Most of Alana's riding is done near her country home as well as riding in local parades.

Alana spends her time riding two horses. One of her quarter horses is named My Shadow Cash, which she calls Grady. Grady is 18 years old and Alana has been riding him since she was three years old. Her other American Quarter Horse is named Sams Poco

Doc Miss, which she purchased locally two years ago. Alana calls her Missy.

The AQHA provides nine subsequent awards ranging from the 100 to 5,000 hour levels. Recipients will also be honored in AQHA's monthly publication when they have completed the 500 hour and the 5,000 hour award levels.

Stephanie A. McCommon, AQHA Manager of Membership Services, said, "AQHA is very proud to offer this program rewarding people who enjoy riding and driving American Quarter Horses. Enrollees are doing such diverse activities, that it's obvious this program literally fits everyone who likes spending time with horses." For more information about AQHA and its programs, visit www.aqha.com or call (806) 376-4811.

Tuesday Club minutes

Tuesday Club met at the home of Debbie Loucks on October 14 with 15 answering roll call "Favorite Dress Style of the Ages".

Two guests, Maria Fernandez and Shirley Brese, attended as well. Members present were Leisa Biermann, Linda Boultinghouse, Linda Creed, Sandra Fuhrman, Cindy Grant, Barb Heitman, Susan Laukemper, Jane Meadows, Jeanne Moore, Phyllis Parker, Brenda Ryan, Kay Sitherwood, Kitty Webber-Richards, and the hostess.

Brenda Ryan, President, conducted the business meeting. She addressed each committee for reports. Issues were discussed or tabled.

Jane Meadows gave an interesting program on the fashions of 1910-1920. Delicious refreshments were served and a social hour followed.

The next meeting will be October 28 at the home of Jane Meadows. Debbie Loucks will present the program.

Omega Club news and minutes

Omega Club members enjoyed a trip to Forest City for their October 14 meeting.

The evening began with a visit to the Drug Store Museum. Mayor Peggy Ann Edwards told the interesting history of the drug store and of the town of Forest City. Delicious refreshments were served at the drug store tables.

The group then went to St. Patrick's Catholic Church where Mrs. Edwards gave the history of the church. Chester Edwards explained the different "voice" of pipe organs, demonstrated by Peggy Ann. She also delighted the group with a beautiful organ solo. Alma Reilly was hostess and made arrangements for the program.

Those present were Pat Barnes, Janet Burnside, Helen Derr, Eva Johnson, Vona Moorman, Mary Lee Privett, Alma Reilly, Delores Smith, Iva VanDeventer and Verna Young. Roll call was "A Forest City Tale."

President Delores Smith opened the meeting with an inspirational patriotic reading, "I am the Flag".

Delores Smith will be hostess for the next meeting at 7:30 p.m. on November 11. Susan Rippen will present the program. Members are asked to bring donations for the food pantry.

John Dennis Scholarship available for criminal justice majors

Holt County Sheriff Kirby Felumb is announcing the availability of the John Dennis Scholarship, for Criminal Justice majors only, which will be awarded by the Missouri Sheriffs' Association. The scholarship, in the amount of \$1,000, will be presented to 16 college bound Missouri high school seniors who intend to pursue a criminal justice career and will be attending a Missouri college or university.

Applicants must be in good standing with their school, have a good reference from their school counselor, demonstrate financial need, have a 2.0

GPA or greater, and be active in extra-curricular activities. Also required, a paragraph attached to the application detailing goals 10 years after high school graduation.

Students interested in applying for the scholarship may contact the Missouri Sheriffs' Association and Training Academy, 6605 Business 50 West, Jefferson City, MO 65109, 573-635-5925, Ext. 10; or send an email to karen@mosheriffs.com to obtain an application. Applications must be submitted by January 31, 2009.

Keenagers Club

Leola Smith of Mound City was hostess to the Keenagers Club of Maitland, Monday, October 20.

Seven members and one guest, Brenda Long of Mound City, gathered at the Nutrition Site for lunch and cards. One of the members, Ramona (Cookie) Shields, is ill and in the hospital at the present time.

After a tasty lunch, two tables of pinocle were played. High score went to Lois Carter of Barnard. Second high was won by Fern Metcalf of Maryville.

The next meeting will be November 3 at the Maitland Senior Center. Jeanette Smock will be hostess for the first November meeting.

Shiloh 4-H news

Submitted by Paige Quilty
The Shiloh 4-H club met on Sunday, October 12, 2008.

Members picked up trash and then met at the Mound City United Methodist Church. There were eight members and five others present. The paper drive was a success, over 7,000 pounds were collected.

New membership was discussed. New officers were elected.

Gabrielle Heck did a demonstration on cookie decorating. The next meeting will be held on November 9, 2008.

Tri-County Nutrition Site

Thank you to everyone who donated to the building fund for our painting project. The site appreciates the hours of volunteer work and our carriers who deliver to Graham, Maitland and Skidmore.

The site is open to the public every day for lunch. Please call 660-935-2241 for reservations by 9:00 a.m.

Site Menu

Monday, Oct. 27- Sausage with gravy, green beans, tater gems, biscuits and fruit.

Tuesday, Oct. 28- Ham, sweet potato casserole, coleslaw, hot rolls, brownies.

Wednesday, Oct. 29- Skillet fried chicken, mashed potatoes with gravy, spinach salad, biscuits.

Thursday, Oct. 30- Hot beef combo, seven layer salad, buttered corn, bread, fruit gelatin.

Friday, Oct. 31- Spooky spaghetti with eyeballs, 'pushing up grass' salad, scare-the-pea-out-of-you salad, stinky bread, goblin cupcakes.

Mound City Kiwanis news

The Mound City Kiwanis Club met at the Klub on Wednesday night, October 8, 2008, for the installation of officers for the 2008-2009 year.

Fourteen members and 18 guests were present. Guests included Lt. Governor Mike Moseman, his wife Donna and members representing the Oregon and Savannah Clubs.

Kristine Smith presented a program and songs.

New members welcomed were Corey Gordon, Paul Grant and Adam Johnson.

The Mound City Kiwanis Club met at The Klub on Wednesday, October 15, 2008 with 12 members and one guest: Jim Clodfelter.

There was no program and a business meeting followed the meal.

Members were invited to the Chamber of Commerce Social at the Klub Thursday evening, October 16, featuring live music by Paul Grant, Johnny Miller and Ray Neiderhouse.

Plans were discussed about the Halloween party

and The Klub will donate chili.

The club approved to donate \$500 to the after school spring Spotlight on Literacy Program, a cooperative project with the Mound City Library, Mound City School and Squaw Creek National Wildlife Refuge. The donation will pay for busing students out to Squaw Creek and for a snack.

There was additional discussion about the Sportsman dinner. Refuge Manager Ron Bell dropped off a hooded merganser to the Mound City School art class to be used for the Sportsman dinner art contest.

TOPS Chapter news

TOPS Chapter 1163 met Monday at Concordia Lutheran Church.

Nine members were present. The best losers were Sue Kline and Linda Straud.

Addie Trimmer gave the program "Goodbye Buddha Belly" from the Josephine Magazine.

The next meeting will be October 27, at the church.

Helen Runnels- Displays the Enterprise of the Heart award received at the Second Harvest of Greater St. Joseph meeting in September.

Pantry of Plenty receives award with less than one year in service

The Pantry of Plenty in Mound City was recognized last month with the Enterprise of the Heart Award at Second Harvest of Greater St. Joseph's annual meeting on September 25.

Helen Runnels, manager of the food pantry, says "It made me feel very proud to win this award." The pantry has only been in existence for a little less than a year.

During last Easter, the Pantry of Plenty was able to provide more than 50 Easter meals to each of their clients. None of this would be possible without the help of the Mound City community. Runnels says, "The community is very giving and I couldn't ask for more support. Our donors are so gracious."

This year alone the pan-

try's distribution increased over 10,000 pounds and the community and Second Harvest helped that happen.

"When I order from Second Harvest, I know I will get enough food to feed those that come through the pantry doors," commented Runnels.

Second Harvest of Greater St. Joseph is a charitable non-profit organization that has worked to end hunger in the area since 1981. Last year, Second Harvest distributed 3.6 million pounds of food to 15 counties in Northwest Missouri and four counties in Northeast Kansas. An average of 25,000 low-income children, seniors and impoverished individuals visited one of Second Harvest's 125 member agencies each month.

William White Chapter news

William White Chapter, NSDAR, met October 7, at Sharp's Grove.

The evening meeting was opened by chapter regent, Annamarie Hunziger, with the Pledge of Allegiance to the United States of America flag, singing of the National Anthem followed by a prayer given by chaplain, Joan Lehmer.

The meeting theme was "A night at the movies." Tables were decorated with movies in mind using 3-D glasses, popcorn and fall decorations. Two DVD's were shown, "Today's DAR," and another showing major renovations to the outside of several buildings owned by NSDAR in Washington, D.C.

Regent Hunziger called the business meeting to order with the DAR ritual. Devotions, President General's message, National Defense report, Indian Minute and Women's Issues were

all read. A report was given on the Northwest District meeting in Maryville.

William White is invited to a reception for Marilyn McMillan, State Historian, by Major Molly Chapter, NSDAR, in Cameron. William White will also attend the Walk of Honor dedication on Veterans' Day at Rock Port.

It was reported that Mary Lee Privett's application was approved and she was accepted at the October National Board meeting. She will be installed at the meeting in November.

The next meeting will be a noon luncheon featuring the DAR Schools and Seimes Technology. Reservations should be made with Regent Hunziger at 660-446-3251. Anyone interested in becoming a DAR member should contact a local member or Regent Hunziger for information. It is an organization open to those who can prove their lineage to an ancestor having an active part in the establishment of this nation.

Accident reports

A one vehicle accident occurred on Hwy 111 about one half mile west of Oregon on Thursday, October 16 at 9:30 p.m.

Driver, Michael S. Frady, 41, of Oregon was westbound on Hwy. 111 when the vehicle traveled off the north side of the roadway, overcorrected, traveled off the south side of the roadway and struck an embankment. The vehicle continued westbound in a ditch and became airborne after striking a field entrance. The vehicle overturned twice coming to rest on the passenger side off the south side of Hwy. 111.

The 2001 Dodge PK was totaled. Frady refused treatment but was assessed to have moderate injuries. A passenger, Kirby G. David, 46, also of Oregon was seriously injured. He was transported to Heartland Regional Medical Center in St. Joseph by Atchison-Holt Ambulance.

Frady was issued a summons for Careless and Imprudent driving, DWI-Class D felony, leaving the scene of a motor vehicle accident with injuries-Class D felony, Assault-2nd Degree, Operating a motor vehicle while intoxicated resulting in injury-Class C felony.

Frady was taken into custody and placed in the Holt County Jail.

Marc L. Harker, 53, of Nebraska City, NE, was seriously injured while driving his 1999 Harley-Davidson motorcycle south on Route E south of Mound City on October 19 at 4:30 p.m. He went off the west side of the roadway and lost control of the motorcycle which struck and embankment.

Harker was ejected and both driver and motorcycle came to rest off the west side of the roadway. No summons was issued.

Harker was taken to Heartland Medical Center by ambulance. He was wearing a helmet.

New faces at NRSC- Are Karl Anderson, left, and Miles Smith, right. They are available in the office to assist the Holt County public.

Two new employees welcomed to Mound City's NRSC office

Two new faces can be found at the NRSC office in Mound City.

The Holt County Soil and Water Conservation District recently welcomed Fairfax native Miles Smith as the new District Technician. Miles replaces Kim Meyer who now works on the Farm Service side.

Miles assists with the planning, staking, and program design of conservation practices as well as coordinates the use and maintenance of the district rental equipment.

Smith graduated from Northwest Missouri State University in 2007 with an Agronomy degree. Miles brings to the district experience with the Missouri Department of Conservation as well as experience in farming and nutrient and pest management. He resides in rural Fairfax where he helps on the family farm.

Karl Anderson is the new Soil Conservationist for the Mound City NRCS office. He has filled Lisa Thompson's vacant position.

Consider Fall herbicide programs for no-till fields

Directly after harvest, winter annual weeds start growing in row crop fields. Fall is an opportunity to make weed control applications to control these weeds in order for you to have a weed-free seedbed to no-till crops into next year.

Dr. Bradley, University of Missouri Weed Scientist, recommends that the choice of herbicides to use in a fall herbicide application should be chosen carefully to eliminate the need for a spring burn-down program. These weed control products must have the ability to control late germinating weeds in the fall and the spring before planting. By using fall applications in this manner, you eliminate the need for a herbicide burn-down before planting next spring.

Weeds are already germinating with the moisture provided by local rains. Most commonly, we see henbit, marestail, field pennycress, shepherdspurse and many

Head Start kids- Released balloons as part of a celebration of the Missouri Head Start Association.

Head Start releases balloons

The Holt County Head Start children participated in a balloon release October 15.

Missouri Head Start Association has set aside the third Wednesday of every October to celebrate Head Start. The Holt County Head Start/Preschool chose to celebrate this day with a balloon release.

Across the country the Head Start community celebrates the program that has made such a difference

in the lives of 22 million children and their families.

Head Start is a preschool program that is federally funded and serves children ages three to five years old.

The preschool is asking those who find the balloons to notify Head Start so the children can track the balloons' destination.

Arrest reports

Michael S. Frady was arrested on October 16 at 10:52 p.m. after a one vehicle accident.

He was cited with Careless and Imprudent driving, DWI-Class D felony, leaving the scene of an accident with injuries-Class D felony, assault-2nd degree operating a motor vehicle while intoxicated resulting in an injury-Class C felony. He was taken to the Holt County Jail.

Christopher D. Scroggins, 24, of Oregon, was arrested for failure to signal when turning left and with a DWI Class A misdemeanor. He was taken to the Holt County Jail.

Mound City news

Avery Davis and his daughter, Karen Gilland, drove to Seward, NE to attend a family dinner at the home of Avery's great-grandson, Scott Quakenbush and his wife, Stacy, and sons, Peyton and Ethan.

Also attending were: Tom and Helen Davis, their daughter, Maria Tomlin from Grand Island, NE, Dale Quakenbush, John and Shirley Scarbrough, Paula Rolfes, Samantha Rolfes and son, Cody, April Alderson and daughter, Ayla, Avery, Sue and Hailee Quakenbush. Kylee Quakenbush and daughter, Jai-lee from Lincoln, NE. Lee and Rachel Quakenbush and son Owen from Papillon, NE, Tiffany Thornburg and Tyson Regnier from Lincoln, NE.

A wonderful day was had by all.

Julia's best recipes

The Mound City News staff had a chance to sample this wonderful recipe of Julia Gilland's. It is a unique bread or biscuit topper and since there are still pears out on the trees for a little bit longer, it would make a nice treat.

Pear Honey
Grind enough peeled pears for four quarts of pears. Add two quarts of sugar and one crushed pineapple. Mix all the ingredients together and cook until thickened. Julia cooks this in the oven at 325 degrees. Stir the mix often.

Can this mix while it is still hot by processing in a hot water bath for 10 minutes.

Special note: If the pears are a bit green they will grind better.

The Red Brick School was built in the late 1800's and served as a one-room school for many years.

The Nursery School has lovingly preserved this landmark.

This Year We Will Have Our 13th Christmas Open House November 1 & 2

Billy Brandon- Tries to avoid a tackle by South Holt's Bryant Kurtz during the CFX and South Holt game Friday, October 17.

Craig/Fairfax football team falls

Craig/Fairfax hosted the South Holt Knights Friday night at Ferguson Field. CFX (3-5) fell to the Knights (6-2) at half by a score of 52-0.

"We had some opportunities early in the game that we did not take advantage of. We had some positive plays, but consistency needs to improve," stated Coach Peterson of last week's loss.

Thauan Andrade, a freshman, led CFX with six carries for 25 yards, caught two passes for 15 yards and had 6 tackles. Graham Scarbrough completed seven passes for 36 yards. Colton Kephart had a 12 yard reception pass and Jordan Showalter had seven tackles.

The Craig/Fairfax team hosts Stanberry Friday night at Fairfax for Senior Night.

Craig/Fairfax Cheerleaders- Always encourage pep. They are from left to right; front row- Cody Tubbs, April Voltmer, Mary Gilbert; back row- Jill Riley, Emily VanGundy and Kelsie Sipes.

Nodaway-Holt junior high- Played Craig/Fairfax for the last junior high game of the season. The game was Monday, October 13 at Nodaway-Holt. Nodaway-Holt pulled out a win 28-20.

Municipal Auditorium to host volleyball championships

The Missouri State High School Activities Association (MSHSAA) announced Monday, February 4, 2008, that its Girls' Volleyball State Championships will move to Kansas City's historic Municipal Auditorium, beginning in November 2008. The 33 year-old state tournament has been held exclusively on the campus of the

University of Central Missouri in Warrensburg since 1988.

Dates for the MSHSAA Volleyball Championships through the term of the new agreement are: November 7-8, 2008; November 6-7, 2009 and November 5-6, 2010. "We're working hard to expand what we can offer at our state championships and the association

Knights play Blue Jays close

The South Holt Knight volleyball team traveled to Rock Port to play the Blue Jays, Thursday, October 16.

The Knights fell to Rock Port in the first game 16-25, but rallied back in the second to take the Blue Jays into extra points. Rock Port slipped by the Knights 26-24 to win the conference match.

Emily Ripley had six assists, two kills and six points. Sarah Allee had seven points (an ace); Catelynn Kunkel had a kill and a dig; Bridget Clark a kill; Toshia Jones a block, a point and three digs; Christian Acamo six kills, a dig and four points; Darien Fouts had three assists and two points.

The Knights are 2-3 in the conference and 6-6 overall. They play the Indians tonight at Tarkio.

Nodaway-Holt takes two more losses

The Nodaway-Holt Trojans took a volleyball loss at Rock Port on October 14 with the first game 14-25. The Trojans fought hard the second game, but missed the win with 21-25.

Janah Holmes made one point during the game along with one dig, one kill and three tips. Jodi Holmes had three points, one dig and three blocks. Katie Murphy had a good night with six points and three of those were aces.

Emily Wetzal had one dig and Rachel Long had four point serves. Darcy Brown had three points with one of those an ace and also added one assist while Whitney Keith had the

most points with eight and two of those aces.

The Trojans went on to play Mound City on October 16, suffering a loss in both games of 15-25 and 3-25.

Hailey Newton gave three points, while Janah Holmes had one point and two tips. Jodi Holmes served four points with one ace and also had one tip and three blocks.

Emily Wetzal had one dig and Rachel Long had two points. Darcy Brown had four points and Kelsey Yeager had one tip. Whitney Keith added two points and two digs.

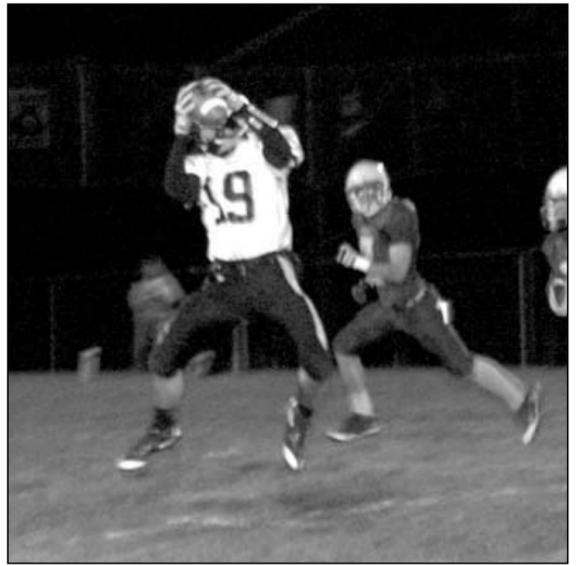

CFX volleyball takes a hit

In a close contest with Maryville, the CFX team was defeated after playing three games. The Hounds beat CFX in the first game 19-25, but CFX rallied back to win 25-18 over the Hounds in the second game. The final game was a close contest that ended with a final score of 10-25 Maryville.

Amanda Geib had eight points, six kills, an assist, four blocks and 15 digs. Kelsey Sly had seven points, six assists and 10 digs. Chelsea Miller had nine points, five kills, three blocks and nine digs. Emily VanGundy had five digs. Kourtney Sly had 10 points, two kills and eight digs. Whitney Harrington had 18 points, a kill, 12 assists and nine digs. Deanna Bierman had nine points, five kills and four digs. Sarah Cherry had a kill.

CFX's record is 18-7 overall and they are still undefeated in the conference (5-0), earning them the first seed in the District Tournament.

The District Tournament will be held at Fairfax starting Monday, October 27. CFX has a bye the first game and will play the winner of Tarkio and South Holt on Tuesday at 5:30 p.m.

Robert Quimby- Catches one of four passes for a total 94 yards on the game.

South Holt wins

The South Holt Knights traveled to Craig on Friday for the 275 conference game. They defeated CFX 52-0 at half.

The Knights came out strong and scored in the first minute on a Scoot Anderson 21 yard pass to Toby Prussman. Shawn Doughty caught the conversion pass.

In less than two minutes, the Knights went to the air again and Tyler Costello caught a pass from Scoot Anderson and ran 49 yards to the endzone. John Plummer pulled in the conversion pass points.

On their next possession, the Knights worked the ball down field before a 17 yard pass to Robert Quimby put them in the endzone again. The conversion run failed.

Tyler Costello put the last touchdown of the quarter on the board as he pushed through the CFX line for a one yard touchdown run. Robert Quimby extended the lead by two more points on his conversion run, putting the Knights in the lead at the end of the first quarter 30-0.

South Holt successfully continued the passing game in the second quarter. Scoot Anderson threw to Robert Quimby who went 62 yards for the touchdown. Tyler Costello caught the next touchdown pass on a 16 yarder from Scoot Anderson. This time Shawn Doughty converted his run into two points. With only two minutes on the clock, a 40 yard pass completion to Tyler Costello from Scoot Ander-

Scoot Anderson- Rushes around the CFX defense. He rushed three times for 20 yards total during the game.

son put the Knights up 50-0. They added the two extra points on a conversion pass to Shawn Doughty.

Statistics:

Passing:
Scoot Anderson- 14 for 249 yds

Tyler Costello- 1 for 3 yds

Rushing:

Kylynn Sisk- 1 for 17 yds

Scoot Anderson- 3-20 yds

Tyler Costello- 2 for 3 yds

Robert Quimby- 3 for 15 yds

Dillon Mudd- 1 for 2 yds

Shawn Doughty- 2 for 3 yds

Receiving:

Toby Prussman- 2 for 32 yds

Tyler Costello- 4 for 105 yds

Robert Quimby- 4 for 94 yds

John Plummer- 1 for 3 yds

Shawn Doughty- 3 for 4 yds

Tackles:

5 tackles: Scoot Anderson and John Plummer

2 tackles: Tyler Costello, Doug Mueller, Bryant Kurtz, Shawn Doughty, Garrett Derr, Jeff Whittington

1 tackle: Donny Sipes, Kylynn Sisk, Toby Prussman, Sean Killin

Scoot Anderson had three interceptions while Daniel Bowness and Sean Killin recovered fumbles. Donny Sipes returned a kickoff 59 yards.

The Knights go on to play the West Nodaway Rockets at Burlington Junction tomorrow. South Holt's record is 6-2.

Stephen Schniedermeier- Runs the football for Nodaway-Holt at the last junior high game of the season.

Elementary news

By Jesse Ohlensehler
McTeachers night at McDonald's was held on October 7, from 4:00-6:00 p.m. It was open to students preschool through sixth grade. McDonald's also provided crafts for the students to participate in. Teachers volunteered to entertain the students by helping them with the crafts. Mrs. Edwards' fourth grade class won the happy meal party for having the most students present. At the end of the night, McDonald's donated \$250 to the elementary. "Thank you to all who attended the McTeachers night," said elementary principal, Mrs. Jan Seitz.
Tonight are the parent teacher conferences. Schedules were sent home with

the students to inform parents when to come in to meet with the teachers. If you are not able to come at a scheduled time, you are asked to call to reschedule. Keeping with tradition, there will be snacks and drinks in the elementary hallway during parent teacher conferences. First quarter grade cards will be given out during conferences. "We look forward to meeting with all children's parents," said Mrs. Seitz.
The first classroom party of this year is scheduled for October 31. Students are invited to join their classmates in a masquerade parade that will start at the nursing home at 2:00 p.m. and move to Evan's Circle at about 2:20 p.m. The students will then travel by Mound City Foods where family and community members can see them. Classroom parties will follow the parade. The school asks that students do not dress up using blood, pretend weapons or other violent themes.

The Major Savers fundraising results are in. The elementary received a \$3,035 check from the Education Funding Group. The students in preschool all the way up to the sixth grade worked hard selling the Major Savers Cards to earn money for the elementary.
The preschool traveled to Osborn, MO, to take a tour of Shatto Dairy Farm on October 3. The students took a tour of the bottling facility. They also were able to bottle feed a calf, milk a dairy cow, and taste test different flavors of milk.

Organizational Spotlight

Art Club news
By Tiffany Lear
This year the Mound City Art Club has 77 members. Each year the advisor, Mrs. Kenny, gives a choice to the members on what they want to do for a fun activity. This year they decided to go to the Renaissance Festival which is located in Bonner Springs, KS.
The art club went to the Renaissance Festival on October 13. They took all 77 members, two bus drivers, and two sponsors. At the Renaissance Festival you could see all sorts of different people and different things going on. There was also a variety

Craig and Mound City elementaries save money for area residents and raise money for schools

Craig elementary students- Raised \$950 for their school by selling Major Saver Cards. The elementary showed good participation with 190 students selling cards. Craig School would like to thank all area businesses that contributed.

Mound City elementary students- Sold cards to earn a hefty \$3,035 for their school. Cards sold allow the users to receive discounts at many Holt County businesses and a few businesses outside the county. Pictured are the Mound City elementary Student Council receiving the award check. They are from left to right: front row- Kendey Eaton, Lily Forehand, Emily Thomas, Blake Shifflett, Bailee Schueth, back row- Hunter Holstine, Jacobi Tunnell, Hayden Marrs, Dylan Honea and Carley Baker.

Panther question of the week

By Hailea Miller
Question of the week: Who is the best candidate for President, and why?
Answers:
Gabrielle Heck, Grade Four- "McCain because of the lower gas prices, and he'll lower taxes."
Destiny Seamster, Grade Five- "Obama, he wants to help the middle class down to the poor."
Lily Forehand, Grade Six- "I think McCain would be the best because I agree with his beliefs. I think a war veteran would be a great President because they've fought for our freedom."
Jarrod Hurst, Grade Seven- "Obama because he wants to keep everything, but McCain wants to change everything. That is why I want Obama to become President."
Chelsea Killin, Grade Eight- "I think that John McCain would be the best choice for President because he would lower the taxes and the price of gas. Another good reason is that he served our country in Vietnam where he was taken as a Prisoner of War. John McCain is a great leader with a determined attitude to help us and that's what a good president should be like."
Alana Poe, Grade Ten- "I think the best candidate for president is John McCain because he has had experience in the government. He has been a Senator for 26 years and before that he was in the Navy. I also think that he is a good candidate because he is against abortions and same sex marriage among other things. He also believes in cutting back on using energy when possible so we don't waste it. Whoever is elected president will impact our country in the years to come. I think it is important to make the right decision based on what you know is right, and who you really believe will be able to lead our country as wisely as they possibly can."

After Prom Committee

By Christopher Buckles
The After Prom Committee held its first meeting on October 1 at 7:00 p.m. in the school library.
The committee consisted of the junior parents. The parents are selling Schwan's products for a fundraiser. It was decided during the meeting to sell them today during parent teacher conferences. If you would like to buy Schwans products, the Schwan's truck will be in the school parking lot this evening.
The junior parents have also decided to sell panther flags. The flags are being made and the committee will take pre-orders.
The committee is trying to come up with ideas for where after prom will be located. When the juniors decide on a place to have prom, the committee will make a decision where to have after prom activities.
If junior parents would prefer to donate money rather than their time, that would be accepted as well.
The next After Prom meeting will be held on November 11 at 7:00 p.m. in the library. All junior parents are encouraged to come to the meeting and help with After Prom preparations.
If you have any questions please contact Sarah Montgomery at 660-442-5267 or Kim Rosier at 660-442-3240.

ety of foods that people could eat, but most of the members went for the good ole' smoked turkey leg.
Everywhere you looked there were people dressed up, playing music, and working on artwork. Sarah Kahle commented, "The festival was beautiful and gave me an idea of what it was like during those times."
The Mound City art classes are working on the Wildlife Hall of Fame, which includes duck stamps. The duck chosen to be drawn this year is the hooded merganser.
After the kids turn in their final pieces, they are eligible to win prizes.

MCHS gives food pantry a hand

by Sarah Kahle
The Mound City High School was very busy this past weekend. On Sunday, October 19, the Mound City FBLA and FCCLA had a canned food drive.
The students had a canned food drive to collect non-perishable items for the Food Pantry because they were getting low

needed the items to help those in need.
There were 30 FBLA and FCCLA members that helped with the drive. They collected 951 cans and there are still more coming in. The organizations would like to thank the community for their help with the food drive.
The food was taken to the Food Pantry at the Baptist Church and was overseen by Helen Runnels, the director of the Food Pantry.
Students went all over town to houses and asked people to donate items. The members explained to the people that they

The Prowl

Outstanding high school teacher of the week

By Kelsey Davis
Mr. Korey Miles has been chosen teacher of the week for junior high and high school. Mr. Miles attended college at Northwest Missouri State University where he was undecided about a major until his fourth semester. It took him five and half years to get through college. He started teaching at South Nodaway R-IV, Barnard MO.

In his seventh grade class, the students just finished a weather unit and are be-

ginning a unit on cells. In his eighth grade class, the students are learning about minerals and the rock cycle. In the ninth grade class, the students are learning about motion. The astronomy class is learning about the planets, Mercury, Venus, and Mars.

When asked why he became a science teacher he replied, "I decided to become a teacher because I really enjoyed helping students achieve their goals and become outstanding citizens. I also enjoy coaching basketball."

Outstanding elementary teacher of the week

By Kelsey Davis
Mrs. Laura Forehand has been chosen teacher of the week for elementary. She has been in the teaching profession for two years.

She attended the University of Texas for four years earning her Bachelors Degree and received her masters online in two years in Elementary Education at Grand Canyon University. She has taught first grade for two years.

The first grade class is keeping busy in reading by focusing on story structure and summarizing. The letters of the week are y, u, z and j. In math, the first graders are focusing on addition and various strategies to help them add and in theme, they are discussing fall leaves and plants. In enrichment, they are studying the country of China. The students will deliver presentations to their parents.

tory and learned why bees are so important to an apple orchard. They were able to visit the pumpkin patch and learned how pumpkins grow. The students also learned about pioneer life on the farm. Each child came home with a bag of apples, a pumpkin, a honey stick and lots of great memories.

Mrs. Forehand said, "Teaching is truly a calling in my life. I never dreamt I would be a teacher; however I have always admired them greatly. Three years ago, I truly felt God calling me to teach. I was blessed with the opportunity to be Debi Clifton's aide in Kindergarten. While working with her, I was able to pursue my masters of Elementary Education. It has been a wonderful blessing to teach first grade at Mound City."

Mrs. Seitz stated, "We are fortunate to have Mrs. Forehand as part of our staff. Her excellence in teaching, marvelous enthusiasm, and warm, nurturing character is an outstanding combination as she works with our primary students."

New lunch program

By Shelby Culp, Editor
For twenty long years, the Mound City students have been carrying around lunch tickets. Waiting in line for Mrs. Wheeler to punch a hole in the ticket had become a routine tradition at Mound City for lunchtime, but not anymore.

As of October 14, the lunchroom went from an everyday cash register to a high tech computer system with a pin pad and a scanner.

The new lunch system came to the Mound City School from C&M Business Machines. Employee of C&M, Brad Maudlin, came to install and introduce the new system to all students and Mrs. Wheeler. The machine, which is a touch-screen computer, will hopefully be handier for Mrs. Wheeler, and become a faster way for students to get through the line and enjoy their meal.

In order to make the process faster junior high and high school students were all given a number to memorize. When the students arrive at the end of the line, they will punch the number into the keypad. A student file will keep track of all expenditures to that number. The elementary will be given a barcode that will be scanned by Mrs. Wheeler at the end of the lunch line. This will also be showing the amount in their account and student file.

Hopefully, the student file will prevent over or under charging. Lunch money will be distributed evenly to the number of kids in each family by the computer itself. It may take awhile for everything to get figured out and to speed up the process.

Soon, the new system will become the new lunch routine tradition in the Mound City cafeteria.

Volleyball athletes of the week

By Jenny Jackson

Katie Portman

The first person chosen for Athlete of the Week is Katie Portman because of her "dynamic jump serve". Katie said, "It is very fun playing on JV for the first time, but it does get a little bit nerve racking when we can't get the ball up and over. Whenever I am serving I just think it has to be up and over." She loves going up and blocking like she did against one of the St. Joe players because it gets everyone pumped. The Mound City Lady Panthers played St. Joe Christian at home on October 7. The Panthers won in three games. The score the first game was 26-24, the score the second game was 18-25, and the score of the third game was 25-13. Katie is a freshman at Mound City High School. Her positions on the JV team include being a setter and a hitter. "The reason I chose Katie is because when she steps up to serve, she is very intimidating," said Coach Schoonover. Katie was 16 for 17 from the line with three of the Panthers "ACES".

Shelby Culp

The second person chosen for the Athlete of the Week is Shelby Culp because of her back row coverage. Shelby commented, "It's an indescribable feeling to hear the crowd cheer you on, but feeling your teammates support is priceless. I couldn't ask for a more amazing team!" The Mound City Lady Panthers played the Rock Port Bluejays at home on October 9. The Panthers won in two games. The score of the first game was 25-19 and the score of the second game was 26-24. Her favorite part about each volleyball game is to see her hitters succeed. Shelby quoted, "I absolutely love to see our hitters score off of big kills and knowing that I helped create that is such a rush!" Shelby is a junior at Mound City High School. She rotates in on the back row for Laura Schoonover during the varsity matches, and does a really fantastic job at playing this position. "The reason I chose Shelby is because of her excellent job of coverage and Shelby encourages her fellow teammates," commented Coach Kayla Schoonover.

Tobacco awareness

By Ryan Crowley
In today's generation, teen smoking has become more of a relevant issue than it has in the past. Over fifty percent of young adults smoke or have tried smoking, according to a poll taken in 2005. Believe it or not there is underage smoking in our community.

Parents need to inform their children about the consequences of smoking. By developing these bad habits so early, there is a lesser chance of them being able to kick the habit in later years.

About ninety percent of all smokers begin before the age of 21, and 6,000 young adults under the age of 18 have their first cigarette each day.

Parents please talk to your kids about why smoking is harmful.

Football athletes of the week

By Michael Whitman

Jacob Parker

Jacob Parker came out of the Craig-Fairfax game on October 3, 2008 with a stack of pancake blocks. Parker grows from week to week and his downfield blocking is becoming the best that Mound City has ever seen. The Panthers won 72-0 by half time.

On the offense, Parker had a 46-yard touchdown reception from Miles Clifton, and on the defensive side he had one tackle. Parker is a senior at Mound City High School. He is a tight end on offense and a defensive end on defense. "Jacob did an outstanding job of downfield blocking as well as catching a touchdown pass and making many plays on the defensive end. His execution in his downfield blocks enabled our runners to turn numerous big plays into touchdowns. His pride in blocking continues to grow, and it is very rewarding to see," said Coach Brian Messer.

When asked how it feels to be able to go downfield and overpower a defender, Parker answered, "It is always a great feeling to put a defender flat on his back, but it is even better when we score because of my block downfield."

Ryan Crowley

"Kick it Ryan, Kick it," yelled the cheerleaders as Ryan Crowley kicked the ball out of the back of the endzone Friday night during the North Nodaway game. The Panthers won 68-6 by half time.

Crowley kicked the ball four times during the game and they all were kicked out of the back of the end zone, and defensively Ryan had two sacks. Crowley is a junior at Mound City High School. He is the starting kicker, right guard on offense, plays on the defensive line and also at linebacker.

"His kicking was outstanding and gave us several short fields to start drives. He continues to be a dominant blocker and runs to the ball extremely well at both defensive line and linebacker," stated Coach Brian Messer. When asked how it feels to be able to bust through the offensive line and be able to smoke the quarterback, Ryan said, "It is a huge adrenaline rush."

Deer present unique challenges to area drivers

The high season for car crashes with deer is October through December. Each year, these months account for more than 150 human and nearly one and a half million deer fatalities. Experts attribute the problem to the combination of deer mating and migration habits and shortened daylight hours.

Here are a few suggestions for drivers:

- Scan a wide swath of the roadside. Slow down when approaching a deer

standing near the side of a road and be prepared. If startled, the deer can bolt onto the road and into your path. If necessary, honk your horn and flash lights to try and scare it away.

- Be alert for more deer than you may see at that moment. Where there is one deer, there are often more nearby.

- In many instances, it is best not to swerve around the deer since the deer may move in the

same direction. You may also inadvertently hit another vehicle, or go off onto a dangerous shoulder. Unless certain of those road factors, it is often best to simply brake and continue in your lane of traffic.

- Be particularly careful at dawn and dusk and when driving either over a hill or around a curve, where visibility is limited. Use your high beams to give you a greater area of visibility and allow you to see the deer's eyes sooner.

Deer whistles or ultrasonic deer avoidance systems attached to vehicles have never been proven to work by independent studies and may give drivers a false sense of security.

- Take deer crossing signs seriously, particularly those installed specifically for this time of year. Be particularly cautious in wooded and agricultural areas where there is little distance between the road and the woods.

Mound City band marches in MWSU Parade

The Mound City marching band- Drum major, Willie Walker (left), and drum majorette, Hannah Elton (right), led the Mound City band along the MWSU Homecoming parade route. The Mound City Marching Band took second place at the Missouri Western State University Homecoming Parade on Saturday, October 18 in St. Joseph. The Mound City Band is under the direction of David Reiter.

Patrick Treece- Bursts through the West Nodaway line. James Schoonover (left) gives a good block.

Gage Rosier- Carries the ball 46 yards in for a Panther touchdown.

Dan Montgomery- Wraps up the ball carrier for a tackle.

Mound City Panthers- Take down a West Nodaway player during Friday's game.

More Deere. Less dough.

The new 6D Series: Feature-loaded, economically priced.

The John Deere name says reliable. The price says affordable. The all-new 6D Series Tractors are loaded with features you might expect only in premium tractors. Features like 100 to 140 engine horsepower to handle just about any job. An impressive 17.6 gallon/minute hydraulic flow rate. A 540/1000 rpm PTO to match any implement you have. Ease of shuttle-shifting. And loads of flexibility. Just add a loader and stack bales, move pallets, clean pens, load brush, whatever you need. Stop by the dealership and dare to compare the new John Deere utility tractors to all the rest. These are the tractors that only look expensive.

Panthers Trample Rockets

The Mound City Panthers continued their winning record Friday night by beating the West Nodaway Rockets 60-6 by half.

The Panthers wasted no time scoring. West Nodaway received the ball on kickoff and failing to convert, punted to Mound City. Gage Rosier received the ball and ran the punt back 40 yards for a touchdown. The points after attempt failed, but the Panthers led 6-0 with 10:42 still on the clock.

West Nodaway worked the ball up field on their next possession, but came up short on the fourth and 10 attempt in Mound City territory.

Mound City took over at the 24 and went to work. Patrick Treece scored on a run up the middle with just under six minutes left in the quarter. After an illegal motion call put the Panthers back five yards, Clifton extended the lead on a pass to Cole Rosier to pick up the extra points.

Mound City's defense kept West Nodaway from gaining any yardage on their next possession. The punt went out of bounds and Mound City gained possession at the 34 yard line.

On first down, Miles Clifton handed off to Gage Rosier who darted through the Rocket defense and rushed 46 yards for a touchdown. Patrick Treece ran in the extra points.

After a five yard penalty was assessed on the kickoff, Ryan Crowley proceeded to launch the ball into the endzone, placing the ball on the 15 yard line for West Nodaway. The Panthers pushed the Rockets back on third and five, but on a facemask call got a first down on the 29.

The Rockets were unable to convert, and Mound City took over in West Nodaway

territory. With only 31 seconds on the first quarter clock, Patrick Treece rushed from Rocket's 26 yard line to the Panther's 34 for a 20 yard fourth and four gain.

A facemask penalty on the Rockets and an illegal motion call on the Panthers had the Panthers finishing the quarter with first and 15 from the 24, leading by a score of 22-0.

Fighting through and carrying some of the West Nodaway defense with him, Patrick Treece made a great reaching touchdown for the Panthers. Miles Clifton connected with Cole Rosier in the endzone for the extra points. Ryan Crowley recovered a West Nodaway fumble and Mound City used the opportunity to score. Gage Rosier's touchdown was called back however on an assisting the runner call, which took MC back to the 16 yard line. On second down, Gage Rosier maneuvered his way into the endzone again to put the Panthers up 36-0. Patrick Treece busted through on the two point conversion.

West Nodaway was successful on their next possession, scoring on an 18 yard pass from Cody Moore to Kolton Jones. He eluded the Mound City defense, when Mound City's two pass defenders slipped and fell. Gage Rosier stopped the extra points attempt by the Rockets. The Rockets then tried an onside kick which was covered quickly by Miles Clifton at the 35.

On first down Patrick Treece broke free and got to the 15 yard line before being tackled by the Rockets. Mound City opened a hole up in the middle for Gage Rosier to slip through for another Panther touchdown. The conversion pass to Montgomery failed.

Panthers led 44-6. With Mound City continuing to

hold West Nodaway, they were forced to punt. The punt return touchdown was called back on a block in the back penalty.

On first down Patrick Treece took the ball up the middle to the 13 and then Miles Clifton found Cole Rosier for a 13 yard touchdown pass. The two points were counted as Dan Montgomery caught the conversion pass from Clifton.

Unable to get a first down, the Rockets punted the ball to Mound City with 4:04 left on the clock. The Panthers worked the ball up the field. Miles Clifton kept the ball and rushing around his own left end, took the ball in for a 13 yard touchdown run. Panthers put their final points on the board as Gage Rosier ran in the extra points.

West Nodaway had to punt on fourth and nine. Mound City took over at the 28. West Nodaway recovered a Mound City fumble, but the defense held West Nodaway to finish out the half and the game.

Statistics:

Passing:

Miles Clifton-5 for 54 yds

Receiving:

Cole Rosier-2 for 19

James Schoonover-2
Nathan Brickey-2
Tyler Wilcoxson, Willy Walker, Rex Blazer-1 each

Laura Schoonover- Takes to the air as she attacks the assist made by Katie Kinney.

Morgan Burge- Makes a great pass on a ball that Tarkio intended to drop. Synthia Murphy looks on.

Kallie Schoonover- Digs out a hit from Tarkio. She tallied six digs during the night.

Shelby Culp- Serves one of her seven service points of the match against Tarkio.

Mound City Splits with Tarkio

The Mound City Panthers' junior varsity and varsity teams hosted the Tarkio Indians Monday night.

The junior varsity lost to Tarkio 23-25 and 13-25 and in a flip-flop, the varsity beat Tarkio 25-19 in both games.

The junior varsity started out strong, keeping the scoring even. The score midway was 10-10, then 18-18, mostly because of errors in all aspects of the game.

The Panthers trailed 19-24 when Emilee Messer began serving. Katie Portman scored two kills, Loni Weber a kill. A service ace by Messer brought the Panthers within reach, but they were unable to put up the needed points, with no room for errors, that would have given them the victory.

The second game (freshmen only) started with an Indian lead that remained for the duration of the contest.

Katie Portman had four kills, four assists, three digs and three points. Emilee Messer had nine points (an ace), two assists, a kill and a dig. Loni Weber had two assists, three kills and a dig. Jenna Kinney

had two points and two kills. Kaylee Brady had four points and Tori Ingram had three points (an ace). Kirstan Buckles had a block and Sarah Kahle had a kill.

The varsity Panthers played Tarkio in a non-conference match. Mound City had previously beaten Tarkio at Tarkio in conference play.

The Panthers jumped out to a 7-2 lead and kept the lead despite Tarkio battling back. In the second game the Panthers became more aggressive at the net and saw more kills.

Synthia Murphy had eight points, a kill and a dig. Kelsey Davis had four kills and two digs. Katie Kinney had 22 assists, two points and a dig. Jenny Jackson had an assist, a kill and five digs. Kallie Schoonover had two points, 15 kills and six digs. Laura Schoonover had five points, an assist, three kills, a block and a dig. Morgan Burge had five points, four kills, a block and a dig. Abby Haer had five points (an ace), a kill, a block and a dig. Shelby Culp had seven points and five digs. Hannah Elton had two digs.

Tough end of season match for Panthers

The Mound City junior high volleyball team traveled to Graham to play Nodaway-Holt Thursday, October 16. The match required three games, with Nodaway-Holt coming out with the win.

In the first game the Mound City eighth grade team took a commanding 8-0 lead on Haylee Clifton serves. The Panthers made good plays and continued their lead, winning 25-15.

When the seventh grade team took the floor for the second game, Nodaway-Holt did a turn-about and outscored Mound City 10-0. The Panthers warmed up and made efforts to get back in the game, but could never make up for the initial scoring loss. They dropped the second game 10-25.

The eighth grade team took the floor again for the second game. Sideouts ensued. With the score tied 7-7, Nodaway-Holt's serving allowed the Tro-

jans to take a 12-7 lead. With a momentum shift and Mound City having a tough time at the service line, Mound City lost 16-25.

Thursday marked the end of the junior high volleyball season. The Mound City junior high volleyball team finished 3-4. Of their season, Coach Schoonover said, "The girls had a good season and showed signs of improvement in every aspect of the game."

Haylee Clifton scored 11 points, two assists and three digs. Sarah Schoonover had five points, two kills and a dig. Alex Phillips had two points, three assists, three kills and six digs. Carina Metzgar had four points and four kills. Becca Osborn had three points, an assist and two kills. Devin Nauman had an assist and three digs. Paige Kunkel had a dig.

Sara Murphy had a point and a kill. Inessa Hood and Merkin Karr had a point each.

Taylor Blevins- Makes a great pass from the back row.

Shelby Culp- Digs out one of the Tarkio kills. Shelby had five digs on the night.

Mound City City Council minutes

Mound City Police to get two new taser guns

These minutes are unofficial until approved at the next meeting

Mayor Duncan called the meeting to order at 7:00 p.m.

Those present were David Duncan, Jim Krueger, Duane Nauman, and Robert Heck. Stan Seitz joined the meeting at 7:05 p.m.

There being no additions, deletions or corrections, Alderman Nauman moved to waive the reading of the minutes from the September 9 meeting and approve them as presented, Heck seconded. Approved unanimously.

Presentations and guests

Jeff Arp, MIRMA Grants- Mr. Arp presented a plaque honoring the award of \$4,993 to the Mound City Police Department for purchase of a dash mounted camera and two tasers. He encouraged the city to apply for another dash mounted camera next year for the other patrol car.

Mr. Arp also presented a plaque awarded to the city at the MIRMA annual meeting for having the best loss experience for the previous year of all 79 members of the association.

Old business

Misc.- Trash Collections on Sunset Boulevard: Mayor Duncan is still hearing concerns about the trash truck driving on recently paved Sunset Blvd south of View Drive. Bruce Biermann and Alan Yocum have offered to pick up the trash in that block and take it to Stuart Disposal's dumpster. Council agreed to contact Renick Stuart to see if that is acceptable or what can be worked out.

Department of reports

Police- Equipment: Council authorized the Police Department to proceed with purchasing two taser guns and a dash mounted camera for the grant that was approved by MIRMA. The city will have to adopt a written policy regarding the use of the new taser guns.

Sewer- Retain Existing User Charge: Council discussed completion of the ongoing project to place rock around the lagoon embankment. As the sewer rate analysis presented last month included a cost for continuing this project, the Mayor reported the proposed rate increase will not be needed and the sewer charge will

remain the same. Alderman Seitz moved to suspend the monthly allocation to the lagoon rock account and transfer any remaining funds to the sewer cash account once all rock and hauling bills have been paid, Nauman seconded. Approved unanimously.

Water- Alderman Nauman reported he has given approval to have J & E Concrete repair the concrete at the base of the water tower for \$700.00. The DNR inspection report cited the concrete as needing repair.

Street- Bids: Oil Tanker and Overhead Tank -Bids were as follows:

Oil Tanker: French Harris Lawn Service bid \$500.00 and Sheldon Davis bid \$202.00

Overhead Tank: No bids received.

Alderman Krueger moved to sell the oil tanker to French Harris Lawn Service for \$500, Nauman seconded. Approved unanimously. Mayor Duncan reported that Sheldon Davis does want to purchase the remaining road oil in the overhead tank and requested the city store it until he gets around to it.

Traffic Signs at Sunset and View Drive: Council discussed visibility and traffic problems at the intersection of Sunset and View Drive and considered establishing a three-way stop. Jeff Arp, MIRMA agreed to look at the intersection and give his opinion. Council tabled discussion awaiting the opinion of MIRMA.

Traffic at 5th and Nebraska Street: Council also discussed the safety of intersections from State and 5th to Nebraska and 5th. Alderman Krueger moved to send a formal request to the MoDOT district engineer to consider safety concerns along 5th Street from State to Nebraska, Heck seconded. Approved unanimously.

Mill and Asphalt Project: Council reviewed the final bill from Ideker, Inc. for \$384,599 for the street project, which includes \$12,100 to be paid by adjoining property owners for the Sunset Blvd. add-on. Alderman Krueger moved to authorize payment from the Lease Project funds to Ideker, Inc. for \$372,491 and

to invoice Bruce Biermann (Sunset property owner) \$12,108 for the Sunset Blvd add-on project with the check payable to Ideker Inc., Seitz seconded. Approved unanimously. There will be \$73,000 remaining in the Lease Project fund after payment.

Alderman Nauman expressed concerns about snow removal this winter where the new asphalt meets the existing road. Kelly Graves will look at those problem areas and patch them.

Park/Pool- Bids: Removal of trees, hangers, etc.- Council reviewed the following bids to remove five trees, stumps, hangers, etc. at the three city parks: M & L Tree Service: \$6500.00, Interstate General Contractors: \$9000, Weldon Tree Service: \$10,000.

After discussion, Alderman Seitz moved to accept the bid of \$6,500.00 from M & L Tree Service subject to their submittal of the required liability and workers' compensation insurance coverage, Heck seconded. Approved unanimously.

Water Loss/Leak: The pool used 225,000 gallons less water during the 2008 pool season compared to last year mainly due to caulking and painting of the pool this year. They plan to paint the pool again next spring.

Pool Financial Report: Council reviewed the operating loss at the pool of \$6000 to the end of September.

Pre-payment of Lease Principal: Alderman Seitz moved to make a pre-payment of \$30,000 on the principal of the pool lease in addition to the annual payment of \$25,000 due January 1, Heck seconded. Approved unanimously.

Ordinances/resolutions Bill No. 10-7-2008(1): Approve Water User Charge Increase was placed on its first reading being for an ordinance entitled as follows:

AN ORDINANCE TO AMEND SECTION 715.030(B) (2): ESTABLISHMENT OF FUNDS AND APPLICATION OF MONIES AND REPEAL SECTION 715.040: SERVICE CHARGES BOTH OF TITLE VII. UTILITIES, CHAPTER 715: USER CHARGE SYSTEM-WATER SYSTEM OF THE

MUNICIPAL CODE OF THE CITY OF MOUND CITY AND TO ENACT A NEW SECTION 715.040: PERTAINING TO THE SAME SUBJECT.

Alderman Nauman moved to adopt the bill, Krueger seconded. After further discussion, the bill was placed on its second reading and final passage and was read by title, considered and discussed. Ayes: Nauman, Krueger, Seitz and Heck. Nays: none. The Bill was duly numbered Ordinance #1129.

Resolution No. 2008-10/7: Identify Theft Prevention Program- Alderman Nauman moved to approve Resolution 2008-10/7 declaring the identity theft prevention program for the city of Mound City, Seitz seconded. Approved unanimously.

Nuisances violations/ dangerous building

508 Mound Street: After discussion, council agreed to have Hall Construction begin the demolition of the house at 508 Mound Street prior to November 15 with 60 days to complete the project.

601 Mill Street: Building Inspector Chris Krueger spoke to the council regarding the house at 601 Mill St. Council agreed to begin the formal process of inspecting the house as a dangerous building.

Council also discussed the building at 403 State. Chris Krueger will talk with the new owners regarding their plans for repairing the building.

Administration Executive Safety Committee Minutes: Council reviewed the minutes.

Appointment of Lagers Delegate: Alderman Seitz moved to appoint Duane Nauman as the Lagers Delegate, Krueger seconded. Approved unanimously.

MML Meeting in Maryville October 15: No one attending.

Financial Reports/TIF Quarterly Report: Council reviewed the financial reports

Resignation of City Collector: Angela Atkins has submitted a letter of resignation effective December 19, 2008. Council expressed their loss at seeing her leave but understood her desire to stay at home with her daughter. The position has been advertised and council will review applicants during closed session later in the meeting.

Meeting Date- Thursday, November 6: The next regular meeting will be on Thursday, November 6, 2008, at 7:00 p.m. Other meetings will be Tuesday, December 9, and Thursday, January 8.

Misc.- The clerk reported the city attorney increased his rates from \$125 to \$135 per hour.

Accounts payable Alderman Seitz moved to approve the bills paid subsequent to the September 9, 2008 meeting and to approve and pay the current month's bills as presented, Nauman seconded. Approved unanimously.

Vote to close Pursuant to RsMO 610.021(1) & (3)- Legal & Personnel- At 8:45 p.m. Alderman Heck moved to close the meeting pursuant to RsMO 610.021(1) & (3), Seitz seconded. Ayes: Heck, Seitz, Nauman and Krueger. Nays: None. Approved unanimously.

Votes taken in closed session: Alderman Nauman moved to come out of closed session at 9:10 p.m., Seitz seconded. Ayes: Nauman, Seitz, Heck, and Krueger. Nays: none. Approved unanimously.

Adjournment Alderman Nauman moved to adjourn the meeting at 9:15 p.m., Heck seconded. Approved unanimously.

Notice of Logic and Accuracy Test

Notice is hereby given that Kathy J. Kunkel, Election Authority for Holt County, will hold a public logic and accuracy test of the electronic tabulating equipment for the November 4, 2008, General Election, at a meeting of the election judges to be held at 2:00 p.m. on Friday, October 31, 2008, at the Holt County Courthouse, Commissioner's Room, 102 W. Nodaway St., Oregon, MO.

The tentative agenda of the meeting includes:

- Convening the meeting and swearing in of judges
- Discussion of election procedures and policies
- Logic and Accuracy test of tabulating equipment
- Adjournment

Representatives of the news media may obtain copies of this notice by calling: Kathy J. Kunkel, Holt County Clerk, P.O. Box 437, Oregon, MO 64473, Phone: (660)446-3303.

NOTICE OF ACCESSIBILITY

FURTHER NOTICE IS GIVEN that, where a regular polling place has limited accessibility, a disabled or elderly voter may be provided an alternative means of casting his or her ballot. Such means may include reassignment to an accessible polling place, curbside voting, assisted voting or voting by absentee ballot. A voter may apply for an absentee ballot in person or by mail, or may have a relative or guardian apply in person on his or her behalf. If a voter is permanently disabled, he or she may have the notary requirement for absentee balloting waived by filing a physician's statement concerning the disability. In addition, voters requiring assistance may be assisted by a person of the voter's choice.

FOR MORE INFORMATION ON REGISTRATION AND VOTING: Persons may contact their local county clerk by telephone at 446-3303 or by mail at P O Box 437, Oregon, Missouri 64473.

The Missouri Secretary of State's office provides a toll free number for persons with hearing impairments who have access to a Telecommunications Device for the Deaf (TDD). TDD users may call 800-669-8683 to obtain information on polling places, absentee balloting, voter registration and other election-related services available in their local jurisdiction and from the State of Missouri.

STATUTORY MEASURES

PROPOSITION A
Proposed by Initiative Petition

Shall Missouri law be amended to:

- repeal the current individual maximum loss limit for gambling;
- prohibit any future loss limits;
- require identification to enter the gambling area only if necessary to establish that an individual is at least 21 years old;
- restrict the number of casinos to those already built or being built;
- increase the casino gambling tax from 20% to 21%;
- create a new specific education fund from gambling tax proceeds generated as a result of this measure called the "Schools First Elementary and Secondary Education Improvement Fund"; and
- require annual audits of this new fund?

State governmental entities will receive an estimated \$105.1 to \$130.0 million annually for elementary and secondary education, and \$5.0 to \$7.0 million annually for higher education, early childhood development, veterans, and other programs. Local governmental entities receiving gambling boat tax and fee revenues will receive an estimated \$18.1 to \$19.0 million annually.

PROPOSITION B
Proposed by Initiative Petition

Shall Missouri law be amended to enable the elderly and Missourians with disabilities to continue living independently in their homes by creating the Missouri Quality Homecare Council to ensure the availability of quality home care services under the Medicaid program by recruiting, training, and stabilizing the home care workforce?

The exact cost of this proposal to state governmental entities is unknown, but is estimated to exceed \$510,560 annually. Additional costs for training are possible. Matching federal funds, if available, could reduce state costs. It is estimated there would be no costs or savings to local governmental entities.

PROPOSITION C
Proposed by Initiative Petition

Shall Missouri law be amended to require investor-owned electric utilities to generate or purchase electricity from renewable energy sources such as solar, wind, biomass and hydropower with the renewable energy sources equaling at least 2% of retail sales by 2011 increasing incrementally to at least 15% by 2021, including at least 2% from solar energy; and restricting to no more than 1% any rate increase to consumers for this renewable energy?

The estimated direct cost to state governmental entities is \$395,183. It is estimated there are no direct costs or savings to local governmental entities. However, indirect costs may be incurred by state and local governmental entities if the proposal results in increased electricity retail rates.

CONSTITUTIONAL AMENDMENTS

CONSTITUTIONAL AMENDMENT NO. 1
Proposed by the 94th General Assembly (First Regular Session) HJR 7

Shall the Missouri Constitution be amended to add a statement that English shall be the language of all governmental meetings at which any public business is discussed, decided, or public policy is formulated whether conducted in person or by communication equipment including conference calls, video conferences, or Internet chat or message board?

It is estimated this proposal will have no costs or savings to state or local governmental entities.

YES
 NO

CONSTITUTIONAL AMENDMENT NO. 4
Proposed by the 94th General Assembly (Second Regular Session) SJR 45

Shall the Missouri Constitution be amended to change provisions relating to the financing of stormwater control projects by:

- limiting availability of grants and loans to public water and sewer districts only;
- removing the cap on available funding and existing restrictions on disbursements;
- requiring loan repayments to be used only for stormwater control projects?

It is estimated the cost to state governmental entities is \$0 to \$236,000 annually. It is estimated state governmental entities will save approximately \$7,500 for each bond issuance. It is estimated local governmental entities participating in this program may experience savings, however the amount is unknown.

 NO

Holt County Court News

October is Energy Awareness Month

October is Energy Awareness Month and the National Association of the Remodeling Industry (NARI) offers some green remodeling tips to homeowners anxious to save money on energy bills.

Homeowners who choose to remodel green can lower energy consumption by 30% to 50%. The U.S. Department of Energy believes if current buildings were green-improved, they would use \$20 billion less energy per year. The reason is that green remodeling emphasizes energy efficiency within the home, using modifications such as energy-efficient appliances, programmable thermostats, and airtight, low-emissivity windows.

"Homeowners should consult with their remodeler when considering any type of home improvement project. Remodelers can suggest ways of conserving energy, such as using dimmable light switches or even reducing water usage by installing kitchen and bathroom fixtures that are low flow, yet efficient," says Renée Rewiski, president of the National Association of the Remodeling

Industry. "Manufacturers are working with remodelers to bring consumers the products and materials they need to make homes safe, comfortable, and attractive. That is, after all, the purpose of any remodel."

If you're thinking about remodeling a room already, that is the prime opportunity to undertake other upgrades to conserve the energy in your home, including adding insulation to the walls and ceiling and air sealing. If you're adding onto your home, make sure you have the air conditioner checked to make sure it's still the right size for the area it will be covering.

Simple maintenance also can help make your home more energy efficient. Gaps around the plumbing that connect to the house from the outside can be sealed with expanding foam, which comes in convenient, easy-to-use cans. Cleaning or replacing the air filter once a month maximizes the efficiency of the heating system, as does cleaning out ducts, warm-air registers, baseboard heaters and radiators.

The following cases were heard in Holt County Circuit Court, Division II in the Holt County Courthouse in Oregon, MO, on Wednesday, October 8, 2008:

State vs. Denna J. Watts - Arraignment on Felony DWI - Alcohol - Persistent Offender, Operating a motor vehicle on the highway While Driver License/Privilege Revoked (Revoked For Points/Fail To Submit To Chemical Test), Fail To Drive On Right Half Of Roadway When Roadway Was Of Sufficient Width, Resulting In Accident Pre-trial Conference scheduled for Wednesday, December 3, 2008.

In loving memory of Tom • Dad • Pop-Pop

Thomas H. Callow

December 11, 1947 - October 28, 2007

If tears could build a stairway,
And memories were a lane,
I would walk right up to heaven,
To bring you home again.
No farewell words were spoken,
No time to say good-bye.
You were gone before I knew it,
And only God knows why.
My heart still aches in sadness,
And secret tears still flow.
What it meant to lose you,
No one will ever know.

Love,
Bev, Rana, Shelly, Kent, Rustin, Mackenzie, Makayla, Maysen, Hadley and family

Corn moisture slows harvest

Many growers have been calling the University of Missouri Extension office to ask why corn is drying so slowly this year. Grain moisture loss changes from day to day. Typically, the primary speed of moisture loss depends on sunshine or rain, humidity and temperature. Grain moisture loss occurs primarily by evaporative loss from the kernel itself.

This season is more complicated because of the wide range of corn planting dates. Planting dates influence the time of maturity and therefore the conditions at the time of maturity. So if a corn hybrid matures in late August and the same hybrid matures in September; chances are because of the cooler temperatures and higher humidity in September, this maturity date will have a slower dry-down rate than the late August maturity.

Also, this year, accumulated heat units for growth have lagged. Early spring cooler temperatures slowed heat unit accumulations and slowed the growth of

corn hybrids.

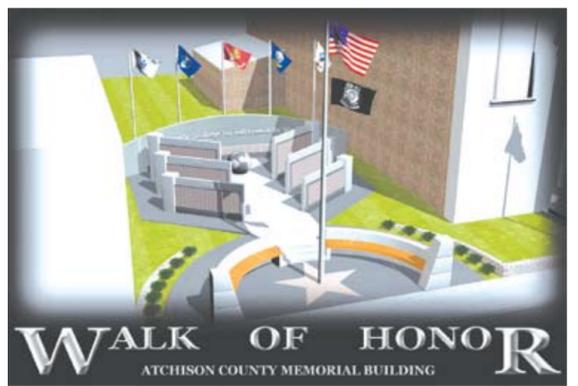

Again, field drying of corn is primarily influenced by temperature and humidity, but hybrid characteristics can influence dry-down. When there are poor weather conditions for dry-down, then hybrid characteristics become more influential in the rate of dry-down.

After the rains last week, the base of the husk was holding water. It took a while for water to evaporate from around the kernels and base of the ear. Corn ears that drop from the upright to a downward position increase the rate of moisture loss.

Here are some other common hybrid traits that influence drying under poor weather conditions. First, the husk leaf number influences drying. The fewer the number of husk leaves surrounding the ear, the more rapid the grain moisture loss.

The thickness of husk leaves, how soon the husk leaves senesce, husk coverage of the ear and husk tightness are all factors that affect grain moisture loss.

For more information contact Wayne Flanary at 660-446-3724 or Heather Benedict at 660-425-6434, Regional Agronomists with the University of Missouri Extension.

Walk of Honor memorial to be dedicated on November 11

On a day befitting those it seeks to honor, the Atchison County Walk of Honor will be dedicated at a public ceremony on November 11, at 1:00 p.m.

The Walk of Honor is a tribute to Atchison Countians who served their country as members of the U.S. armed forces. It is located adjacent to the Atchison County Memorial Building at 417 South Main Street in Rock Port, MO. Bleachers from the Rock Port City Park will be brought to the site, but to ensure a seat, members of the public may wish to bring their lawn chairs.

The dedication ceremony will be marked by a program which has not yet

been finalized but which tentatively includes the first raising of "Old Glory" at the Walk (this particular flag was flown over the U.S. Capitol on December 27, 2006); the singing of the *National Anthem* by Atchison County Sheriff Dennis Martin, accompanied by the combined high school bands of Fairfax, Rock Port and Tarkio; the *Pledge of Allegiance* led by members of the William White Chapter of the Daughters of the American Revolution; a flag folding ceremony by members of the Mound City American Legion; a prayer led by Hardin Cox; a welcome by Dan Fries, President of the Atchison County Memorial Building Foundation; the singing of "God Bless America" by the combined junior high choirs of the three Atchison County schools; patriotic music by the combined bands of the three county schools; remarks by distinguished guests: Marlin Logan, Atchison County Presiding Commissioner; Marvin Slagle, District Commander of the American Legion; Marvin Harper, a past Commander of the American Legion, Department of Missouri; and Congressman Sam Graves. (These guests have been invited, but as of press time, their participation has not been confirmed). The program will conclude with the reading of a poem entitled "The Walk of Honor" by Carol Herron and a rendition of "God Bless the U.S.A." by Shawn Minter, followed by a ceremonial rifle salute by members of the American Legion and the playing of *Taps*. There will also be a few surprises along the way.

For further information about the dedication, contact Lyndia Schomburg, event coordinator, at 660-744-2816.
