# New pool for southern Holt County

## Voter turnout down, most elected positions run unopposed

The Southern Holt County Neighborhood Improvement District accepted the Southern Holt County Pool Project by a vote of 278 yes votes and 204 no votes. The measure needed 4/7 (57.142%) yes votes to pass, and barley did, by two votes.

The city of Mound City re-elected Kristine Gibson for North Ward Alderman and Duane A. Nauman for South Ward Alderman, both running unopposed for two-year terms. The Mound City R-2 School District had a non-election, with Karma Metzgar being renamed to the Board of Education and Justin Courtney joining the board, with both serving a three-year term.

The city of Craig, MO, had one race for Alderman-at-Large Position 1. Angela Woods won the two-year seat with 32 votes. Karen Miller received 11 votes. In uncontested races, Rhonda Hunziger was elected mayor for

two years and Rinney L. Law was elected to the Alderman-at-Large Position 2 for two years. Samantha Grist received 68 votes and Rebecca Monroe received 63 votes to win three-year terms on the Craig R-3 Board of Education. Michael Peters received 50 votes. Keith L. Knaak ran unopposed for the unexpired two-year term on the school board.

The city of Oregon, MO, elected Kent Bohart for a two-year term for East Ward Alderman and Paxton Crumbaker for a two-year term for West Ward Alderman, both running unopposed.

The city of Forest City candidates ran unopposed for East and West Ward Aldermen. Margaret Peggy Ann Edwards was elected to a two-year term for the East Ward Alderman and Michele Weber was elected to a two-year term for the West Ward Alderman.

In the South Holt R-1 School District race, Jason Kurtz received 351 votes and Jim Kelly received 298 votes to win three-year seats on the Board of Education. Brian Williams received 205 votes in the race.

The city of Maitland, MO, candidates for the two-year terms of Mayor and North and South Ward Aldermen ran unopposed. Mark Russell was elected Mayor, Dale Grasty was elected North Ward Alderman and Terry Schwebach was elected South Ward Alderman. The Nodaway-Holt R-7 School District had a non-election, with Robert Saxton and Kenneth Shewey winning three-year terms on the Board of Education.

The village of Big Lake, MO, elected Gary Keck and Doug Swoboda to two-year terms for Trustee, filling two open positions.

Running unopposed was Louis Byford, elected to the position of Clerk/Treasurer for a two-year term in the village of Corning, MO, and Michael Selleck, Jr., elected as a Board Member of the village of Fortescue, MO, for a two-year term.

In other non-election races, the Public Water Supply District #1 of Holt County Sub-District #4 seat was filled by Bradley Kurtz for three years and Sub-District #5 seat was filled by John Daniel for three years; Dennis Saunders filled the three-year term on the Bigelow Independent Road District; Russel Grundel will sit on the Corning Special Road District for another three years; Travis Panning will fill the three-year term on the Fortescue Special Road District; and Ronnie Haer will fill the Atchison-Holt Ambulance District Sub-district #4 seat for a three-year term.

The four area fire districts filled six-year term seats with non-elections: Cliff Robbins on Mound City Rural Fire District; Rhonda Hunziger on Northwest Holt Fire Protection District; Leslie (Les) Linville on Skidmore Fire Protection District; and Larry Cotton on Southern Fire Protection District.

Four municipalities put the non-election question on the ballot. Oregon, Big Lake, Bigelow and Corning passed the non-election question.

Voter turnout county wide was 24.49% which turns out to be 670 total cards cast out of a possible 2,736. Oregon saw 35.5% turnout while Mound City saw less than 5%. This was expected due to the issues and elections on the ballot for each area.

These results are unofficial until verified at the verification board hearing on Friday, April 10.

# He wants to be a “friend a friend would like to have”

Since that fateful day one year ago on Tuesday, April 1, 2014, Mike Long of Mound City has fought his way back to the ability to “play in the dirt.” A tragic fall from a high loader last year left Mike with paralysis of his legs.

After spending one week at the University of Kansas Medical Center following the accident, Mike was moved to the Madonna Rehabilitation Center in Lincoln, NE. Mike credits Madonna Rehab with preparing him to come home and resume as normal a life as possible. Mike came home the first of June and was back to work by July, three months after the accident.

For the past eight months, Mike has used his all-terrain wheelchair to get him into the skid loaders, allowing him to get back to work. He has three employees that do his leg work and help run the equipment. Bradley Wilson of Oregon, MO, and Rick and Jase Maley of Forest City, MO, work with Mike, with someone always with him.

Recently, Mike qualified through Vocational Rehabilitation to get a hydraulic chair lift mounted to the flatbed of a pickup. Vocational Rehabilitation also paid for the all-terrain

wheelchair that Mike has had for almost a year.

The chair lift, made by Life Essentials, is a unique lift made in only one place in the country. The inventor of the chair is from Brookfield, IN, and is paralyzed from polio. The uniqueness of the lift is its ability to swing out and turn on a hinge, allowing more maneuverability. Mike's lift takes him from the driver's seat of his hand-modified pickup and sets him into the seat of his bulldozer or tractor, traveling right into the cab. The remote is controlled by Mike, enabling him to place it back into position.

About one month ago, Mike got back into a bulldozer for the first time since the accident. Since bulldozer and skid loader controls are already hand driven, no modifications were necessary; however, the tractors used in his business, Long Construction, needed changes made. Now, with the new chair lift, Mike can also get into the tractors.

Mike reflects that this past year has definitely had its ups and downs. He credits his family with helping him make it through the hard times. For the past year, Mike has made

countless trips to the doctor and is still going to physical therapy for upper body strength and cardiovascular fitness.

Mike remarked that a Tim McGraw song, *Live Like You Are Dying*, spoke volumes to him. It is a song about a man in his “early 40's with a lot of life before me, when a moment came that stopped me on a

dime.” Mike, too, has learned to “love deeper and talk sweeter” and hopes to “become a friend a friend would like to have.”

With his wife, Michelle, and his children, Colton, 16, and Kealee, 2 1/2, by his side, he takes life day to day. There are days that he gets down. That is when he climbs into a piece of

his machinery and moves dirt. It always seems to pick up his spirits.

Mike would like to diversify and bring some of his business into the shop. The plans are there, but he hasn't moved forward yet. Until then, if anyone is looking for Mike, he can be found “playing in the dirt.”

**Mike Long of Mound City** - Swings away from his bulldozer and into his hand-modified pickup by way of his Life Essentials' hydraulic chair lift. The lift reaches into the cab of the bulldozers and hand-modified tractors used by Mike in his Long Construction business.

# Conference affiliation changes for NW Missouri schools

The 275 Conference, along with the Platte Valley Conference (PVC), have been discussing how the changes to Northwest Missouri would affect the activities associated with their students. Over one month ago, with the changes to the Grand River Conference, conversations began with the PVC and the 275 conferences.

The 275 Conference met on Monday, Feb. 23, to discuss the possibility of the PVC coming into the 275 Conference in all activities. On Monday, March 30,

the 275 Conference approved, 8-0, for the invitation to take place. On Wednesday, April 1, the Platte Valley Conference met and decided, 7-0, that the integration should take place. **The PVC schools will now take this information back to their perspective Boards of Education for discussion.** The administrators have tentatively set Thursday, April 9, as the first meeting to form individual activity committees and a constitution committee.

Mound City Spring clean-up on Sunday, April 26

The city of Mound City is holding a Spring clean-up day on Sunday, April 26, from 1-3 p.m. for Mound City residents and property owners only. Trucks will be at the Mound City Swimming Pool parking lot to receive the items. There is a limit of one loaded pickup, trailer or vehicle per household. No items from commercial businesses will be accepted.

Acceptable items for disposal include furniture, televisions, trash, appliances, iron, scrap metal and batteries. The following items **will not** be accepted: lumber, paint, chemicals and tires.

Proof of Mound City residency or property ownership is required. Bring identification with a street address, a vehicle with a city sticker, a water bill with the service address or a property tax receipt. Do not assume that individuals in charge will know who the resident is or where they live.

The resident will be responsible for unloading the vehicle at the dump site. Individuals in charge at the site are only there to give directions and monitor what is being disposed.

The tree dump site at the south end of town will also be open during the clean-up time for disposal of yard waste.

Mound City R-2 and South Holt R-1 proms to be April 11

The Mound City R-2 Junior/Senior Prom will be held on Saturday, April 11. The junior class selected “Under the Sea” for the theme. The doors to the school’s gymnasium will open at 4:30 p.m. for those attending the prom to gather for pictures. The general public is welcome to take photos at this time. The buses will load at 5:30 p.m. and travel to Mound City’s Tiffany Heights Care Center for the traditional promenade around the dining hall for the residents.

The senior class, faculty and guests will be treated to a beautiful prom by the junior class at the Millennium Youth Church at the Word of Life Church in St. Joseph, MO. Dinner, entertainment and dancing will be topped off with the crowning of the Prom King and Prom Queen from the senior class.

After Prom activities will be held at the Sky Zone in Kansas City, KS. Sky Zone is an indoor trampoline park that includes Open Jump, a SkySlam basketball court, Ultimate Dodgeball and much more. The worn out group will then head back to Mound City, with a return time of approximately 5 a.m.

South Holt R-1 is also having its Junior/Senior Prom on Saturday, April 11. The theme for the evening is “The Enchanted Forest.” Pictures can be taken of the prom attendees from 4:45-5:15 p.m. in the school’s gymnasium. The group will

promenade to the buses at 5:15 with departure to Missouri Western State University in St. Joseph, MO, at 5:30 p.m. After the prom activities of dinner, entertainment and dancing, the attendees will return to the South Holt school for After Prom.

The parents of the juniors and seniors have great games and food planned for the party. Inflated wrecking ball and jousting stations should be big hits, as well as the YouTube famous Hungry, Hungry Hippo game played on scooters. Pizzas, hot wings and more will feed the hungry masses. At 4 a.m., a hypnotist is coming to put on a show. The After Prom will conclude at 5 a.m.

News from Tiffany Heights

Another month has passed and residents at Tiffany Heights in Mound City prepared for April showers during the afternoon on Monday, March 30, by playing cards.

On Tuesday morning, Bible study was conducted by Pastor Paul Grant. During the afternoon, the therapy department provided a therapy fun session, conducted by Shannon Tharp, Occupational Therapist. The residents got a chance to participate in the Sweet Sixteen Challenge. They used a floor basketball net and everyone got a chance to play horse. The elimination bracket proceeded to the fabulous four and then the final round of the tournament was a face-off between Velma Kunkel and Lillian Brickley. The crowned winner was Velma Kunkel.

On Wednesday morning, the Holt County Head Start children visited. They sang a song for the residents and greeted everyone. They were then treated to an Easter egg hunt. The residents had prepared the

eggs and enjoyed watching from the window. There were 17 children who attended. During the afternoon, it was a fool’s game as residents enjoyed learning about this fun occasion. They played a game of guessing if the joke was real or not. The top 10 hoaxes were read. Some of them seemed too outrageous to be real, but they were. They then discussed idioms and read several of them and where they originated.

Dee Ann Heck provided piano before bingo on Thursday morning. Bingo volunteers during the afternoon were Chris Beal, Shirley Jackson, Gordon Robbins, Jean McCall and Lucille Stull. Winners of the game were Betty Elder, Dolores Hawkins and Dorothy Sommer.

Barbara Hanlon assisted with glamour nails on Friday morning. Also during the morning, the residents enjoyed playing the egg game, which consisted of trying to gather the paper eggs with a pole and mag-

Youth spring turkey hunting season coming up

Saturday and Sunday, April 11 and 12, marks the statewide youth spring turkey hunting season. The 2015 youth season is just one week before the start of the regular spring turkey hunting season, April 20-May 10. Youth, ages 6-15, can hunt from 30 minutes before sunrise to sunset, Central Daylight Time. Shooting times for Holt County on April 11 are 6:19 a.m. until 7:55 p.m., and April 12 shooting times are 6:18 a.m. until 7:56 p.m.

Youth hunters in Missouri must possess one of the following three permits: Resident Spring Turkey Hunting Permit, Resident Landowner Spring Turkey Hunting Permit or a Nonresident Spring Turkey Hunting Permit. Youth during this season are limited to one male turkey or turkey with a visible beard. If a youth takes a turkey during the youth portion, the youth is NOT allowed to harvest a second bird until April 27. This is because the bird taken during the youth season counts as the first bird for the first week of the regular season.

If a youth is interested in hunting turkeys during any

portion of the spring turkey hunting season, they must be in the immediate presence of a properly licensed adult, someone 18 years or older. This adult would be considered a mentor and would need to have a turkey permit and Hunter Education Certification if born on or after January 1, 1967. Mentors born before this date are exempt from Hunter Education. Youth aged 11-15 may hunt alone if they have received and passed Hunter Education Certification.

The Missouri Department of Conservation (MDC) wants to encourage hunters to be mentors and to teach youth responsible and ethical hunting techniques. MDC also encourages this by reducing the price in Youth Resident and Youth Nonresident Spring Turkey Hunting Permits to half-price, just \$8.50. Youth may also qualify for Resident Landowner Spring Turkey Hunting Permits that are only valid on the land the permits were issued.

Holt County residents have nearly \$200,000 in Missouri’s Unclaimed Property division

State Treasurer Clint Zweifel recently announced that residents in Holt County have approximately \$200,000 of Unclaimed Property waiting to be claimed in more than 2,700 accounts. Missourians can check to see if they have Unclaimed Property online at ShowMeMoney.com.

“My team works hard to return millions of dollars in Unclaimed Property every year to Missouri families and businesses,” Treasurer Zweifel said. “Since taking office I have significantly streamlined the claims process, cutting wait times in half and allowing many account owners to complete the process entirely online. I encourage everyone in Holt County to search for their property on my website, ShowMeMoney.com.”

Treasurer Zweifel currently protects more than \$822 million in unclaimed assets for 4.8 million account owners. Unclaimed Property can belong to individuals, businesses, nonprofits or any entity that conducts financial transactions. It can come from abandoned bank accounts, uncollected insurance policies, uncashed checks and more. State law requires those entities to turn

over assets to Treasurer Zweifel’s office after a statutorily defined period of time, generally five years. The assets are held by the office in perpetuity until the original owners or a proper heir is located.

All Unclaimed Property is returned free of charge. One in 10 Missourians has Unclaimed Property, and the average return is \$300.

OBITUARIES

### Joann K. Thompson

Joann K. (Christensen) Thompson passed away on Tuesday, March 31, 2015, in Ainsworth, NE. She was born near Hurdland, MO, on April 17, 1937, the daughter of Everett and Coriene (Campbell) Christensen.

At the age of ten, Joann and her family moved to Cozad, NE. Joann graduated from Cozad High School in 1955.

Joann married James Lyle Thompson on December 13, 1954, at the United Methodist Church in Cozad. Joann moved with Lyle during his U.S. Army service to various Army posts until 1957 when they moved to rural Arlington, NE. In 1959, they moved to rural Saunders County, NE (near Fremont, NE), where they resided for almost 30 years. During this time, both Joann and Lyle enjoyed traveling to numerous U.S. cities, often work related. A particular highlight of their travels was a trip to Spain. In 1984, Joann and Lyle moved to Big Lake, MO.

Joann had an extensive career in management and sales at various businesses in the Fremont area and also in Missouri. In 1999, both Joann and Lyle retired and devoted much of their time traveling by recreational vehicle (RV) throughout the northwest United States including Alaska and also traveled through western Canada. They served as campground hosts for several State Parks in Missouri and Nebraska through 2005.

Joann is preceded in death by her husband, Lyle (December 22, 2006); and her parents, Everett and Coriene Christensen. She is survived by daughter, Sheryl Thompson (Lincoln), son, Ryan Thompson (Lincoln) and daughter, Shelli Irwin (Ainsworth). She also leaves behind four grandchildren.

Arrangements were handled by Hoch Funeral Home of Ainsworth.

### Richard Terry Vest

Richard Terry Vest, 75, of Mound City, died on Monday, April 6, 2015, at a St. Joseph, MO, hospital.

Terry was born on February 9, 1940, in St. Joseph, the only child of Richard W. (Dick) and Alta (Munkres) Vest.

Terry graduated from Mound City High School and Northwest Missouri College in Maryville, MO, with a Bachelor's Degree in Education and went on to earn his Master's Degree with a certificate in Administration.

Terry served nearly all of his career in education at Mound City High School. He first started by teaching Drivers' Education and Physical Education and also coached football and basketball. He became the high school principal in 1967, retiring in 1997. Terry was a member of the Missouri State High School Athletic Association (MSHSAA), Missouri State Teachers' Association (MSTA) and the Missouri Principals' Association.

After retirement, Terry ran his own lawn care service and transported cars for Laukemper Motors.

Terry was active on numerous civic boards in the community. For many years, he announced the home football games and was a very particular groundskeeper of the football and baseball fields. He enjoyed playing golf, hunting and fishing, especially as a youngster with his dad. Terry was a member of the First Christian Church, Mound City.

Terry married Kay Jean Patterson and they became the parents of one son. He later married Donna Quinton Meyer and she survives their Mound City home.

Terry's additional survivors include: son, Layne Vest, Springfield, MO; stepsons, David Meyer, St. Joseph, and Daniel Meyer, Lawrence, KS; granddaughter, Madison Meyer; cousins, Sue and Dean Travis, Scottsdale, AZ, and Mary Francis Forney, Lamar, CO; and nieces and nephews.

Services will be held on Friday, April 10, 2015, 2:00 p.m., at the Mound City R-2 high school gymnasium. Family visitation will be on Thursday, April 9, from 6-8 p.m. at the Chamberlain Funeral Home in Mound City. Interment will be at Mount Hope Cemetery in Mound City. Online condolences may be left at [www.chamberlainfuneral.com](http://www.chamberlainfuneral.com).

A scholarship fund in memory of Terry Vest has been established and will be directed toward a Mound City student who desires to attend a technical school.

## Local teen injured in rollover wreck

A Forest City, MO, teen received moderate injuries in an accident on Saturday, April 4, at 11:35 p.m., on Route HH, east of Route N, three miles north of Mound City.

According to the Missouri Highway Patrol, Colton B. Sisk, 17, was travelling eastbound on Route HH in a 2000 Chevrolet Metro. The vehicle slid out of control and travelled off the south side of the roadway. The front passenger side of the Metro struck a ditch, causing the vehicle to overturn and come to rest on its wheels facing south, off the south side of the roadway.

Sisk was not wearing a seat belt and received moderate injuries. He was transported by Atchison-Holt Ambulance to Mosaic Life Care in St. Joseph, MO.

The totalled vehicle was towed from the scene by Kizer Tow of Maryville, MO.

The accident was investigated by Corporal S. M. Hux, assisted by the Holt County Sheriff's Department and the Mound City Police Department.

## Youth turkey check station

The Northwest Missouri Sportsman's Club (NMSC) will be sponsoring a check station for youth turkey season. The check station will be located at A&M Taxidermy, 713 S. Main in Rock Port, MO, on Saturday and Sunday, April 11-12, from 7:30 a.m. to 11:30 a.m., and 5 p.m. until dark. Hunters may also stop by and call during the hours that are not manned and someone will meet them.

Bring the harvested turkey by to get it weighed and measured along with pictures for the paper. There will be hunting blinds given away for the longest beard award and longest spur award as well as random

drawings. There are several prizes to give away including a \$250 gift card to Open Season in Mound City, to use toward the purchase of a firearm, as well as plenty of turkey calls and gear.

The check station has been successful in years past and it is anticipated to be the same again this year. Stop by the check station April 11-12 at A&M Taxidermy, be safe in the woods and good luck to all of the youth hunters!

## Your secret mushroom spot

Just consider a few things this spring while mushroom hunting. Since the weather has started to turn and the ground is catching up on moisture, morels will be popping out of the ground very soon, if they haven't already done so.

Outdoorsmen have reported ticks are already out, so consider treating clothing with permamone or use other skin safe products to help limit exposure to ticks and chiggers. Another trick to slowing the exposure to ticks is to wear knee boots so that pants can be tucked inside the boots. This will at least slow the critters' progression to the skin. As research continues on tick borne illnesses, it is important to take a few precautions to limit exposure because these illnesses have become more prevalent.

Morel hunting seems to peak during the turkey season. This means increased traffic in the woods. Besides the obvious precautions taken by hunters, be 100% sure of the turkey target before pulling the trigger. Mushroom hunters can also do a few things to help. First, avoid wearing dark colors like blacks and browns, and most definitely avoid wearing reds, blues and whites. These are the colors of turkeys. Secondly, consider going into the woods after 1 p.m. This is after the legal hunting time for turkey hunters, so hunting traffic in the woods should slow down. If one must take off after that mushroom spot in the morning, consider wearing hunter orange. Lastly, whether or not that secret mushroom spot is on public ground or private ground...keep it a secret!

**The sun rises over the eastern horizon** - At 7 a.m., Easter Sunday morning, April 5. The view from Chautauqua Park in Mound City is inspiring.

## "Son" rise in Chautauqua

At 7 a.m. on Easter Sunday, April 5, about 30 people sat in Chautauqua Park in Mound City for sunrise services. As the sun rose above the horizon, songs of praise were sung, led by pastors Paul Grant and Jeremy Blevins; and Sheri Wright.

The services were hosted by the Mound City United Methodist Church and the Mound City First Christian Church.

Following Pastor Blevins' opening prayer, Pastor Grant read scripture and delivered a powerful sermon announcing that "Jesus Christ is among us."

Following a closing prayer by Pastor Scott Jordan of the New Life Apostolic Assembly, the group was invited to the United Methodist Church basement for breakfast.

**The closing prayer of the "Son"rise services** - At the Chautauqua Park in Mound City on Easter morning was given by Pastor Scott Jordan, center, of the New Life Apostolic Assembly. Hosts of the 7 a.m. event were the Mound City United Methodist Church and its pastor, Jeremy Blevins, left, and the Mound City First Christian Church and its pastor, Paul Grant, right.

**Beautiful music was abundant** - During the "Son"rise services at the Chautauqua Park in Mound City on Easter Sunday, April 5, at 7 a.m. Pastors Jeremy Blevins, left on the viola, and Paul Grant, right, on the guitar, provided the accompaniment for the songs the group of 30 sang. The event was hosted by Blevins' Mound City United Methodist Church and Grant's Mound City First Christian Church. Breakfast was served to the early birds at the United Methodist Church basement following the services.

## Missouri Highway Patrol offers child car seat inspections

Captain James E. McDonald, commanding officer of Troop H of the Missouri Highway Patrol, announces that Troop H will be conducting car seat inspections at Troop H Headquarters, 3525 North Belt, St. Joseph, MO. The inspections will be conducted the first Tuesday of every month by appointment only from 7:00 a.m. to 2:00 p.m. Interested parties may contact Troop H Headquarters at 816-387-2345 to make an appointment and are reminded to bring the car seat owner's manual and the owner's manual for the vehicle.

"Making sure children are properly secured in their child restraint when traveling in vehicles is crucial for their safety," stated Captain McDonald. "The Highway Patrol maintains a zero tolerance policy on child restraint violations, so make sure your children are properly restrained in the appropriate child restraint for their height and weight."

In support of "The Drive To ZERO Highway Deaths," the Patrol encourages motorists to protect themselves and their passengers by making sure everyone in the vehicle is properly restrained in a seat belt or child restraint. **A ribbon cutting was held** - By the Maryville, MO, Chamber of Commerce at the new Cornerstones of Care Healthy Families' Resource Development Center at 1212-B South Main Street in Maryville on Wednesday, April 1. # Healthy Families' Resource Development Center opens in Maryville

Cornerstones of Care has provided a broad array of services to children and families in northwest Missouri for years. Headquartered in Kansas City, MO, its Healthy Families Programs is the leading provider of child and family support programs including foster care and adoption services in 30 counties in northwest Missouri. Healthy Families is looking to better serve the area with the opening of its Resource Development Center at 1212-B South Main Street in Maryville, MO.

An open house was held at the center on Wednesday, April 1, from 4 to 6 p.m. The Maryville Chamber of Commerce held a ribbon cutting at 4 p.m. Leadership comments and a presentation of a proclamation by Mayor Renee Reidel followed.

Including Healthy Families, Cornerstones' family of agencies - Gillis, Ozanam, Spoford and Marillac, all organizations with long histories of service to the community - came together more than 16 years ago to better serve communities. Together, they provide a spectrum of 38 quality preventive, treatment and support services for children and their families.

Since 2005, Cornerstones has provided Foster Care Case Management and Adoption Services for over 450 abused and neglected children each year in five northwest Missouri counties. In 2014, Healthy Families implemented a two-year contract from the State of Missouri to increase the number of foster and adoptive homes by recruiting, training, licensing and supporting resource homes in the 30-county northwest Missouri area, including the Fourth Judicial Circuit of Atchison, Gentry, Holt, Nodaway and Worth counties. By working closely with communities in northwest Missouri, 571 new foster homes were licensed in the first year. However, 1,214 children were removed from their parents' custody in the area due to abuse and/or neglect, including 39 in the Fourth Judicial Circuit. Cornerstones prefers to minimize the disruption in children's lives when they are taken into custody, striving to place them in foster homes in or near their home communities.

"The establishment of the Maryville Resource Development Center leverages long standing relationships Cornerstones has had with the community," said Cornerstones Vice-President and Chief Operating Officer Ryan Dowis. "It is already helping us optimize our impact to better serve children and families in northwest Missouri. This is a caring and giving community and we look forward to partnering broadly and deeply to help." Dowis also observes that the site of the center at Community Services, Inc., is a great location as the two organizations share a vision and mission of serving the five-county region.

The center is staffed by the Manager of Resource Development, Valyn McClellan, who worked in human services in Maryville before joining Cornerstones and is a native of Grant City, MO. Family Development Specialist, Tracy Jones, is a native of Tarkio, MO, and has lived and worked in human services in Maryville for nearly 20 years. Roxie Maggert is also a family development specialist working out of the Maryville office, providing services in Andrew and Buchanan counties.

Dowis himself is a native of the area, having grown up in Tarkio, and graduated from Northwest Missouri State University in Maryville. He worked in Tarkio for Youth Services International Inc. and the Missouri Division of Family Services in Mound City, MO, and Maryville before joining Cornerstones in 2002.

Another tie to the local community is Amy (McAdams) Sielaff, who grew up in Tarkio. She works within the Healthy Families program with Cornerstones as a Director of Family/Youth Support Services.

One example of the impact Cornerstones is starting to have in the area is its leadership in developing HelpMeConnect.org, an online directory of resources being piloted in the Fourth Judicial Circuit. By clicking on a title or keyword for the type of resources being sought - from child care to utilities - families will be directed to the name, address, phone number and website of agencies where they are located that may be able to help them.

HelpMeConnect.org was unveiled at the open house. Dowis said, "Through our partnership with the Missouri Career Center in Maryville, we learned of the need for a more comprehensive directory and we had some past experience in this area; so we developed a technology solution that can hopefully help to meet the needs of the community. Our goal is to be a resource in the community and fill any gaps that may exist."

"The idea for a resource directory came about because we need to have up-

to-date resources for our clients," said Kim Mildward, functional leader of the Missouri Career Center in Maryville. "Several of our partner agencies were having trouble finding resources as well, so we decided to come together to develop an online directory for the five-county region. We just needed a way to make sure everyone could be up-to-date on the resources for the general public, employers and social service agencies that are assisting people to overcome different types of barriers."

Cornerstones intends to introduce services to the area from across its family of agencies to fill community needs. *Give What You've Got*, Cornerstones' in-kind donation program that provides resources to children and families, will be replicated in Maryville. Cornerstones is also examining placement of some of its outpatient therapy services in the region. "Our goal is really to listen to the community and hear what needs may exist, then to look and see if there are other services we provide that may be valuable for us to bring to the community," said Dowis.

April 1 was also the first day of Child Abuse Prevention Awareness Month. People interested in showing support can donate diapers, books, developmental toys, and hygiene products for *Give What You've Got*.

## This Week's History

From the *Mound City News* archives

### 50 Years Ago - 1965

• The City of Mound City, Mound City Chamber of Commerce, Lions Club and Kiwanis Club had been working jointly on a project which would provide a new shelter house in the recreation area. Such a structure was badly needed during the Fourth of July celebration, and many family reunions and other gatherings would use its facilities almost daily. It was practically assured, but construction cost of the 60x30 building exceeded slightly the donations that had been received. About \$1,000 was needed yet to allow the new building to be debt-free. Donations to date exceeded \$2,900.

• Three Mound City students earning the F.F.A. State Farmer Degree were: Joseph William Derr, Harvey Haynes, and LeRoyce Derr. Craig student Larry Russell earned his degree as well.

• Mrs. J.L. Lehmer of Mound City was named chairman of the Easter Lily Crippled Children's Society for the Mound City district.

• A community survey of home accidents was a special safety project for boys and girls taking part in the Junior Fire Marshal program.

### 25 Years Ago - 1990

• Chris and Linda Boultinghouse were the new owners of the *Mound City News-Independent*, buying it from longtime publisher Roy Sims, Jr. Roy had been publisher of the *News-Independent* since 1959. *News-Independent* employees at the time of the sale were Albert M. Tebbe, Larry Sims, Diana Moyers, Cheryl Miles, Sue Horvath, and Annette Thomas.

• Mound City's Dr. J.B. McRae was on the cover of the first issue of "Missouri Community", a new magazine published by the Missouri Rural Innovation Institute. "Mound City, Red Rocks & Doc McRae" was the cover story.

• John Zeliff was named superintendent of the Nodaway-Holt R-VII School District, replacing Don Neidt, who moved to Osceola, MO.

• Anthony Burnside, Mike Ball, and Gary Wheeler were chosen to represent Holt County R-II High School at the American Legion Boys' State of Missouri to be held in Warrensburg.

• Megan Wallace was runner-up in the Northwest Missouri regional spelling bee held in St. Joseph.

### 10 Years Ago - 2005

• Mound City FFA members worked fast to keep a crowd of 185 fed at a fish fry at Northwest Fertilizer.

• Holt County was the alternate site for a new coal-fired power plant to be built by Associated Electric Cooperative Inc., based in Springfield. It was announced that the new plant would be built in Carroll County, about 50 miles east of Kansas City.

• There was a new body shop in town. Partners Lonnie Haynes and Tim Smith bought the old building at 106 E 4th Street, most recently used as a welding shop by Gaylen Cusick.

• Area students who qualified for state music contest in Columbia were: Wes Killin, Abby Scheib and Matthew Dudeck, South Holt; Dalton Hayworth, Dustin Lawson, Josh Lundy, Michael Eaton, Kylee Bunt, Pam Smith, Anna Fries, Monica Meyer, Travis Kent, Ben Voltmer, Ellen Thomas and April Voltmer; Craig R-III; and Mound City students Jennifer Miller, Catherine Metzgar, Jodi Yocum, Kristi Owens, Shannon Culp, Anna Schoonover, Kylie Staples, Anna Schoonover, Amanda Corbin, Lauren Haer, and Jessica Krueger.

## What do you remember?

The Holt County Historical Society is looking for answers to these questions that have been submitted by researchers.

### OREGON METHODIST CHURCH

This undated postcard photo was donated to the society by Kathy Blachly Daly. It was mailed from Oregon on July 19, 1910, to Mrs. Mary Wehn in Broadwater, NE. The faded pencil written message is difficult to read, but appears to be signed by Mina.

### ANDREW O'DELL

A recent query received from Pueblo, CO, inquired about the Andrew O'Dell family from the Craig area. Andrew married Sarah VanVickle and they were the parents of 12 children. Obituaries are being copied from the Genealogy and Research Center's files. Many O'Dell family members are buried in the Parrish Cemetery. "Carolyn Kent's four volumes of "Craig.....Town, County, Country" 1857-1904, are providing much information. The society would welcome information from any O'Dell family descendants.

### NORTH CENTER SCHOOL

North Center School was located three miles south of Craig and one mile west on the General Randall farm. It was organized in 1873 with the school being built the same year. Society files include *Mound City News Independent* news clippings of a 50-year celebration in 1923 and a 75-year celebration in 1948. Included in each news item are those who attended and the details of the day's events.

HOLT COUNTY COMMISSIONERS MEET IN MARCH:

Hearing for EEZ formation set for end of April

The Holt County Commission met Monday, March 16, at 9 a.m., at the Holt County Courthouse in Oregon, MO. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

Brenda Nelson, R.N., Health Department Administrator, joined the commission to request an increase in the contract for emergency preparedness/bioterrorism for wages from \$289.00 to \$305.00 to Leslie Schulte on a monthly basis. Commissioners approved the request, effective with the July contract renewal. Ms. Nelson also reported that the county is not likely to receive a generator as part of a recent grant submittal, but is likely to receive funding for new awnings for the Health Department.

Road and Bridge Supervisor Daryl Biermann met with the commission to discuss preparations for picking up two new rock truck tractors in the coming weeks. He will contact Westfall GMC to ensure that the tractors are wired and come ready to connect to the county's existing rock trailers. Commissioners and Mr. Biermann also discussed application of County Aid Road Trust (CART) road rock under the

Missouri Department of Conservation (MDC) CART reimbursement program. Recent program guidelines require that the rock be applied before June 1 in each state fiscal year. Holt County is slated to be reimbursed up to \$21,065.00 for the rock from MDC.

Jackie Spainhower, Director NWMo Regional Council of Governments, appeared before the commission to discuss the resolutions necessary to move forward with establishing an Enhanced Enterprise Zone (EEZ) in Holt County. Spainhower reported that Maitland, MO, and Craig, MO, have passed the required resolutions. Commissioners Sitherwood and Carroll agreed to contact the remaining communities of Bigelow, MO, and Corning, MO. The next step in the process is a public hearing. Commissioners tabled setting the date of the hearing until all communities have been contacted.

Roger Waltemath, Professional Engineer (PE), Veenstra and Kimm, approached the commission to provide contract documents for the commissioners to sign to begin the process of Bridge Replacement Off-Systems (BRO-32) on Bridge #0550012 on Holt 110. Veenstra and Kimm have been selected by the county

commission from a list of pre-qualified engineering firms to complete the design for later construction of the bridge. Commissioner Carroll made a motion to approve the contracts and enter into agreement with Veenstra and Kimm for the project. Commissioner Gordon seconded the motion. The motion passed.

Being no further business, the commission adjourned until Monday, March 23.

The Holt County Commission met Monday, March 23, at 9 a.m. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

Commissioners participated in the Annual County Government/Bette Williams Day, hosting the freshman students of Holt County.

Brenda Nelson, R.N., Health Department Administrator, provided an updated Memorandum of Understanding between Holt County and the Southeast Nebraska counties of Johnson, Nemaha, Otoe, Pawnee and Richardson.

Commissioners also reviewed and granted a variance for Andy Voltmer to build a grain bin in the floodplain in compliance with the county's floodplain ordinance.

Being no further business, the commission adjourned until Thursday, March 26.

The Holt County Commission met Thursday, March 26, at 9 a.m. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

Holt County Prosecuting Attorney Robert Shepherd, Assessor LaDonna Jones and Collector Donna Cotton joined the commission to review the current status of a State Tax Commission appeal of protested taxes related to Golden Triangle Energy (GTE), LLC, Craig. Mr. Shepherd reported a settlement has been offered from GTE that would allow the parties to avoid another hearing later in the year and further allow the distribution of escrowed funds held by the collector. After discussion, Mr. Shepherd agreed to contact the State Tax Commission and GTE's attorney in an attempt to settle the matter at the offered settlement valuation of \$22,000,000.

Commissioners took up the matter of Holt Road 104 in the Corning Special Road District. It has come to the attention of the commission that this field access road does not have right-of-way established and is not maintained by Corning Special Road District and is historically not a road, but was named as such. Commissioners reviewed a letter to Russel Grundel of the district requesting permission to vacate the road name and correct its listing in future plat books and maps.

Commissioners discussed a roadway agreement with Kansas City Power and Light (KCP&L) and agreed to direct R.T. Turner of KCP&L to the

South Union Road District for additional information related to any construction within its Special Road District. Commissioners previously entered into a roadway agreement with KCP&L requiring a \$50,000.00 bond and assurances that roadways will be repaired should any damage occur during the construction of a 345kV transmission line across the county.

Treasurer Gay Quick met with the commission to report a ½ cent sales tax for General Revenue will expire on June 30, 2015. As a renewal question is not on the April ballot, a special election for renewal will be needed to ensure the county can collect the tax. County Clerk Kathy J. Holstine noted the matter can be placed on a Special Election August 4, since the legislature has removed June as an available election day.

Road and Bridge Supervisor Daryl Biermann reported on patch rock application on various roads around the county. He also noted that road grading is underway, weather permitting. Commissioners hired Larry Helfers as a temporary, seasonal employee working primarily at grading roadways. Mr. Helfers also works for Sheriff Scott Wedlock in a part-time, as needed capacity. After discussion, Commissioner Carroll made a motion to hire Mr. Helfers at \$12.00 per hour. The motion was seconded and passed.

Being no further business, the commission adjourned until Monday, March 30.

The Holt County Commission met Monday, March 30, at 9 a.m. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner

David Carroll were in attendance.

County Clerk Kathy J. Holstine and Road and Bridge Supervisor Daryl Biermann reported on Federal Emergency Management Agency (FEMA) funding from the September 9-10, 2014, storms (DR-4200). The county has received its first payment of \$18,324 for two bridge repair projects (PW#00082).

Mr. Biermann also reported that final work is complete on the bridge on Memphis Road, which was damaged in a fertilizer spreader accident last November. Liability insurance carrier for Northwest Fertilizer of Mound City will reimburse the county for all repairs at the site at just over \$16,081.90.

Collector Donna Cotton presented the Annual Settlement of Taxes collected and distributed at \$8,990,828.66 and the back tax book of delinquent taxes at \$26,797.57.

Jackie Spainhower, Director, NWMo Regional Council of Governments, joined the commission to set the date for a public hearing for the formation of an Enhanced Enterprise Zone (EEZ), Monday, April 27, at 1 p.m., in the commissioners' room at the courthouse.

Wayne Flanary, Agronomist, University of Missouri Extension, joined the commission to report on recent meetings and projects at the Extension office.

Sheriff Scott Wedlock met with the commission to report he will pick up a recently purchased used patrol car from the State Highway Patrol in the coming week.

Being no further business, the commission adjourned until Monday, April 6.

## Preschool and Kindergarten screening at Mound City R-2 gets kids ready for next year

**Addison Foote, left, is being tested by Mrs. Debi Clifton, right** - During Addison's kindergarten screening process at Mound City R-2 on Tuesday, April 7. Children entering pre-kindergarten and kindergarten at the school for the 2015-2016 school year are offered a screening to give the teachers and parents of the child an idea about what developmental skills the child has and might need to work on to be better prepared for the next phase of education. Addison, the daughter of Robert and Tabitha Foote of Mound City, is currently a preschooler at Mound City R-2.

## Foreign persons must report U.S. agricultural land holdings

The Executive Director for the U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) in Holt County, Corey Leshner, reminds foreign persons with an interest in agricultural lands in the United States that they are required to report any holdings and any transactions to the U.S. Secretary of Agriculture.

"Any foreign person who acquires, transfers or holds any interest, other than a security interest, including leaseholds of 10 years or more, in agricultural land in the United States is required by law to report the transaction no later than 90 days after the date of the transaction," said Leshner.

Foreign investors must file Ag-

ricultural Foreign Investment Disclosure Act (AFIDA) reports with the FSA county office that maintains reports for the county where the land is located.

"Failure to file a report, filing a late report or filing an inaccurate report can result in a penalty with fines up to 25 percent of the fair market value of the agricultural land," said Leshner.

For AFIDA purposes, agricultural land is defined as any land used for farming, ranching or timber production, if the tracts total 10 acres or more.

Disclosure reports are also required when there are changes in land use. For example, reports are required when land use changes from non-agricultural to agricultural or from agricultural to non-agricultural. Foreign investors must also file a report when there is a change in the status of ownership such as the owner changes from foreign to non-foreign, from non-foreign to foreign or from foreign to foreign.

Data gained from these disclosures is used to prepare an annual report to the President and Congress concerning the effect of such holdings upon family farms and rural communities in the United States.

## Deborah Sweaney's newest book is coming to town

Several years ago, Deborah Sweaney of Carlisle, PA, wrote a book about her parents, Dr. Frank and Iris Sweaney, and Holt County in the 1950's, titled *Unpacking Memories*. With the proceeds from that book, the Iris and Frank Sweaney Fund was established, offering a scholarship to Holt County students for further education after high school. This year will mark the third year high school seniors have been selected to receive a scholarship from the fund.

While reviewing the scholarship applications from South Holt, Nodaway-Holt, Mound City and Craig, Sweaney began thinking about her years in high school at South Holt. Her 1970 class was the first high school class to attend all four years at the newly consolidated South Holt School; however, her older sister, Lou Ann, was a senior the year the Forest City, MO, Bobcats and the Oregon, MO, Pirates became the South Holt Knights. Sweaney became curious about the merger between Forest City and Oregon. Out of this curiosity, a new book was born.

*Up in the Air* tells of Holt County in the years of 1965-1968, which was a time of great change for Holt County as well as America. It is based on research in primary sources: the *Holt County Sentinel*, the *Mound City News-Independent*, the *St. Joseph*

*News-Press* and material from the Missouri State Archives. *Up in the Air* features stories of the burning of the old Holt County Courthouse, the school merger fights in both the southern and northern ends of the county and the first year of South Holt. There is history, politics and a fun story

of a great basketball team. Sweaney will be holding a book signing event at the Holt County Museum and Research Center in Oregon on Sunday, April 19, at 2 p.m. Proceeds from the sale of *Up in the Air* are earmarked for the Iris and Frank Sweaney Scholarship Fund.

## South Holt seniors raffle t-shirt quilt for class trip

**The South Holt R-2 senior class** - Has been holding a t-shirt quilt raffle throughout the year. All money raised from the raffle will go toward the senior class trip. South Holt has a total of ten seniors, so the class has had to be creative with money-making projects. Robin Holmes, the aunt of one of the students, designed and made the t-shirt quilt, depicting many facets of student life in South Holt. The drawing for the t-shirt will be on Friday, May 8, at the senior class breakfast. For more information about purchasing raffle tickets, contact Debby Dougherty at 660-446-2625.

# Panthers beat Stanberry at home

The Mound City Panthers hosted Stanberry on Tuesday, April 2, at the Mound City Golf Course. The Panthers won the meet. The weather was much better than last week and made for an enjoyable round of golf.

The Mound City Panther varsity team shot well despite two of the team's golfers' absence due to commitments at a track meet. Mound City shot a 190 and Stanberry recorded a 205. Mound City's Miles Loucks was low scorer and medalist for the meet, with a 43.

# Nodaway-Holt FCCLA members attend State Leadership Conference

More than 1,600 students (grades 6-12) and teachers convened Sunday-Tuesday, March 22-24, for the 69th annual Missouri Family Career and Community Leaders of America (FCCLA) State Leadership Conference at the Holiday Inn Executive Center in Columbia, MO. The conference was sponsored by the Department of Elementary and Secondary Education (DESE).

FCCLA is a Career and Technical Student Organization (CTSO) for young men and women enrolled in family and consumer sciences education courses. Since 1945, FCCLA members have been making a difference in their families, careers, and communities by addressing important personal, work, and societal issues. Missouri FCCLA ranks fifth in the nation in membership with more than 9,000 members. There are 345 local FCCLA chapters across the state.

The conference centered on the student-developed theme

"Camp Leadership" and featured speakers and workshops on topics such as preparing for college and careers, bullying prevention, traffic safety, and drug abuse prevention.

In addition to leadership training, honors and recognition, 680 students participated in 30 competitive events, including entrepreneurship, culinary arts, job interview, career investigation, and chapter service projects. Competitive event winners at the state conference advanced to compete during the National FCCLA Leadership Conference to be held Sunday-Thursday, July 5-9, in Washington, D.C.

The keynote address for the conference was delivered by Joel Penton, a motivational speaker and former Ohio State University football player from Ohio.

Nodaway-Holt R-7 representatives at the conference were Maggie Fuhrman, Brandon Newton, Kaitlynn Grasty and Advisor Mrs. Hays. Brandon competed in the Job Shadow event and received a gold medal. Kaitlynn competed in the Chapter in Review Display and received a silver medal. Neither student qualified for the national conference in Washington, D.C.

## Ashlyn Jackson brings home the trophies

Ashlyn Jackson, 5, is the daughter of Rodger and Lu Jackson of Craig, MO, and Ann Liberty of Verdon, NE.

## Rock Port hosts mini meet

The Mound City Panthers and the Nodaway-Holt Trojans travelled to Rock Port, MO, on Thursday, April 2, for a three-team mini meet.

All events of a typical track meet were run but team scores were not recorded. An earlier medal meet was cancelled at Worth County in Grant City, MO, due to inclement weather. This mini meet was a chance for each school to establish times and get ready for upcoming meets.

Mound City and Nodaway-Holt placed well in the field events as well as the running events.

Mound City's next track meet is Thursday, April 9, at the Stanberry, MO, Invitational. Nodaway-Holt traveled to Albany, MO, on Tuesday, April 7, and will also participate in the Stanberry Invitational.

**Nodaway-Holt's foreign exchange student, Nali Tattersall from Australia** - Sprang into action during the long jump, triple jump and high jump. He won all three events during the Rock Port, MO, mini meet on Thursday, April 2.

**Mound City's Mae Sanders** - Takes the baton around the track during the second leg of the 1600-meter relay on Thursday, April 2, at Rock Port, MO. The relay team won the event with a time of 4:26.83.

**Nodaway-Holt's Frankie Lemar** - Shows good form during her 200-meter leg of the 800-meter relay on Thursday, April 2, at a Rock Port, MO, mini meet.

## Mound City R-2 Scholar Bowl team 275 Conference Champs

The Mound City R-2 Scholar Bowl team traveled to Rock Port, MO, on Tuesday, March 31, and Wednesday, April 1, for the 275 Conference tournament. Mound City brought home the championship trophy for the fifth straight year. The team has won the title 17 times in 23 years.

Mound City started out the tournament by defeating South Holt, 210-80. In the second game, the Rock Port, MO, team came out fast at the start and held a 40-0 lead before Mound City dug in for 60 unanswered points, winning by a score of 130-90. The Tarkio, MO, team was defeated by Mound City, 180-90, before coming back up through the losers' bracket to take on Mound City again in the championship match. Mound City beat Tarkio again, this time by the score of

200-140. Rock Port placed third in the tournament.

Wyatt Meyer, a freshman on the Mound City team, was the high scorer of the tournament, answering an average of 8.75 questions per match. Other area students making the All-Conference team were (2nd place) Jocelyn Clayton, a sophomore at Craig R-3, averaging 4.33 questions per match; and (3rd place) Cassidy Saxton, a junior at Nodaway-Holt R-7, averaging 4.25 questions per match.

Other varsity members on the Mound City team are Lily Forehand (team captain), Rebecca Wheeler, Maggie Caton, Alex Carver and Cooper Hollis. The team is coached by Mr. David Reiter.

## THANK YOU

The family of Robert Rother, Sr., would like to thank everyone for the kind expressions of sympathy during this difficult time in our lives. Thank you to Shelly Murphy for being with us and keeping Dad comfortable during his final hours. Thanks to Eric Chamberlain and Jim Brown for the wonderful service and Georgi Lane and Jim for the beautiful music. Thanks to the Craig and other participating American Legion Posts for the military honors. A very heartfelt thank you to the Mound City Rural Fire Dept. for Dad's fire service honors and to the South Holt Fire Dept. for providing coverage while the service went on. There truly is a brotherhood in the fire service and it was shown that day. Thanks to the Christian Fellowship and Craig Presbyterian ladies for the delicious meal. Thank you to all of the pallbearers and honorary pallbearers. Thank you for all the thoughts, prayers, comforting words, food, flowers, and the many memorials for Dad. A special thank you to Jade Wright and family for being the best neighbors and helping with Dad as the need arose. Also thank you to Ada for helping care for Dad and being his "Fishing and Dancing Partner" the last several years, we couldn't have done it without you.

God bless you all,  
Lisa, Kelly, Dana, Robin, J.R. & families

## THANK YOU

A heartfelt thank you to all for the cards, flowers and comforting words. Also a thank you to the United Methodist Church folks for all the food and care at the time of my sister, Twilla's, passing. A special thank you to Pastor Jeremy for a wonderful service.

Phyllis Brown & Family

Our AMAZING volunteers donated 305 hours to the food pantry the first quarter of 2015. WOW!!!

"Wisdom is knowing what to do next; virtue is doing it." You all are obviously both wise and virtuous. Please accept my sincere thanks for volunteering your time this past quarter. Everything that you did was appreciated, by staff, other volunteers, and customers alike. Without your effort and support, the food pantry would not exist. Thank you for everything. I just hope that you continue to be so hardworking and helpful to so many people.  
God bless you more each day.
