Flaggers and pilot cars will be present during working days.

Lady Panthers are State Champs

Making school history, one event at a time

The Mound City Lady Panthers captured the State Track and Field Championship title in Jefferson City, MO, on Saturday, May 22. The title is the first one in school history and speaks well of the talented group of girls that sparked this historical event.

At the beginning of the season, Mound City's track coaching staff, Brian Messer, Ryan Osburn and Brooke Crawford, could see the vested potential in the 2010 team. Having come so close to a state title in 2009, they knew that when each girl did what they knew they were capable of, the team would be back for a chance at the title.

Last year, the 4x400M Relay team had to finish first in order to gain the championship, but after finishing with less than expected performances in a couple of events, the team's waning spirits didn't help them capture the needed win in the final relay.

This year's performances held no unforeseen results, with each athlete doing what they had been doing all season.

Alex Phillip's second place finish in the Pole Vault at 8'6" and Morgan Burge's 102'3" and seventh place finish in the Discus secured the Lady Panthers' first ten points after one day of competition.

The 4x800M Relay team started the plethora of medal ceremonies that the Mound City Lady Panthers would see throughout the day. Bolstered by a loud, large crowd, the Emilee Messer, Jordyn Pankau, Haylee Clifton and

Taylor Miles finished fourth with a time of 10:24.42, but at that point it looked as if injuries would be a factor for the rest of the meet.

Tori Ingram pulled off a 16.93 performance in the 100M Hurdles to earn herself a third place state medal.

With seven events scored, Mound City sat in second place with 21 points, behind Chaffee with 26 points. Midway was lurking in third place with 18.5 points.

An energized 4x200M Relay team, broke the old school record set in 1977 of 1:52.5 a second time in as many days, when Whisper Parrish, Abby Haer, Tori Ingram and Emilee Messer ran a 1:51.88 on Saturday. It netted them a fourth place medal at the state meet.

The 4x100M Relay tacked on eight points when team members raced to a second place, 52.19 finish. Laura Schoonover, Taylor Miles, Tori Ingram and Whisper Parrish broke another school record set in 2009 at 52.51.

Emilee Messer, knowing she would be needed to run the 4x400M Relay, but was struggling with excessive pain in her right calf, glided to an dauntless eighth place finish in the 400M Dash with a time of 1:04.51.

The Lady Panthers had jumped to a 35-30 point lead over St. Joe Christian with eleven events scored, but Midway would have its turn.

Midway picked up ten points in the 300M Hurdles and five points in the 800M Run to pull within a point and a half with

five events remaining. With neither Mound City nor Midway competing in the 200M Dash or the Shot Put, St. Joe Christian took a five point lead over Mound City. After Midway scored 10 points in the 3200M Run, Mound City was sitting in fourth place, behind Midway, Chaffee and St. Joe Christian, with only two events left to score.

Taylor Miles extended on a 35'3.5" triple jump to propel the Lady Panthers to a one and a half point lead with one final event left.

A second place finish in the final event, the 4x400M Relay, to Midway would give them a half point championship victory over the Lady Panthers. With the Mound City team seeded third after prelims behind Midway, and plagued by two "less than healthy" teammates, the Lady Panthers knew they would have to do something extraordinary.

"I was scared for them because of last year," stated Coach Brian Messer. "I told Tori and Haylee that they were the x-factors because we knew Taylor and Emilee were both nursing injuries."

Taylor and Emilee, having been the guts in the relay all year, now knew it was time to see just what the other two had. After a gutsy first leg by Tori, Haylee burst around the first corner with a surreal determination that gave the two injured legs of the relay a substantial lead that they were strong enough to maintain. The team cruised to a

first place finish, sealing the team's first ever Track and Field State Championship.

An exuberant bunch of Lady Panthers and coaches proudly accepted the trophy and spent time celebrating and taking pictures. The coaches watched and smiled in satisfaction, seeing the girls' appreciation of the moment that came after hours and hours of hard work.

"I'm just honored to be a

part of it. It's a blessing," stated Coach Messer. "To have a child involved is even a more glorious thing."

"You learn something about yourself in track," Coach Messer commented. That being the case, this group of girls has learned even more about teamwork, determination, perseverance and pride in working hard to accomplish a task, a task that changed school history.

Carroll to retire from U.S. Post Office

David Carroll will be handling his last piece of mail as Maitland Postmaster on Thursday, May 27. After nearly 37 years of experience, David decided to retire from the post office to pursue other things.

"I'm not really retiring, I'm moving on," commented David.

David began working with the post office in 1973 as a substitute rural mail carrier in Maitland. He became a full-time carrier there in 1983 before becoming the rural mail carrier in Craig in 1989.

David worked as the Officer in Charge (OIC) in both Fairfax and Skidmore for periods of time in 1990 and 1991.

In 1995, David became the Postmaster in Craig, where he worked in that capacity for 10 years.

From 2005 until present, David has been the postmaster at the Maitland Post Office.

"I have really enjoyed the post office, it's a great place to work," stated David. "I've had good carriers and the people

in the communities are great people."

David's other pursuits are really only an extension of the many endeavors he has been involved in with youth, both at home and in surrounding communities.

David has coached the Trojanettes, a travelling summer softball team, for almost 30 years. He plans to continue coaching the team, as well as offering hitting and pitching lessons for softball and baseball athletes.

Over the past several years, David has been the assistant football coach, junior high girls' basketball coach and junior high boys' basketball coach at the Nodaway-Holt R-VII School. He will expand his coaching duties in the 2010-2011 year by adding head high school girls' basketball coach.

David's position at the Maitland Post Office will be filled by Doris Diggs from Skidmore, MO. She is currently the postmaster at the Fillmore Post Office and will be working as the OIC in Maitland.

Letter to the Editor

*Dear Editor and Holt County
Citizens,*

**Relay For Life of Holt
County is June 4th!**

As our event draws near, I
always get these feelings of
excitement/worry/happiness/
melancholy/pride...you name
it. I think all involved feel all of
these emotions at some point.
I get excited because it does
become a party atmosphere
at points throughout the 12
hours. I worry because of the
details I'm working on...am I
getting everything done? Are
people going to come? Is every-
one going to have a good time
and also be inspired? Relay
makes me happy because dur-
ing the afternoon of June 5, I
know I will be thinking about

all that went on and looking
at the pictures and realizing
what a great time we had. I
also always feel melancholy at
points wondering why we even
have to have such an event...
why this disease has to make
so many families endure such
trying times. There is also the
inevitable sense of pride. Holt
County has raised so much
money for the American Can-
cer Society over these last 10
years. We should all be very
proud of our communities and
citizens that participate.

We invite each and every one
of our neighbors, friends and
relatives to come by at 6 p.m.
on the Oregon Square to wit-
ness this amazing event. You
will be moved by everything
you will see, the Color Guard
leading the sea of purple shirts
worn by our survivors, the
proud faces of the survivors
themselves and the happy
tears of their families, the fes-
tive atmosphere and the com-
fortable companionship of old
friends and new friends.

ACS is helping more peo-
ple celebrate more birthdays.
Please join us and help us fight
for a cure.

Unconfirmed reports about jail and sheriff turn up hearsay

The *Mound City News* was
recently given information
by two different sources con-
cerning the Holt County Jail
and Holt County Sheriff,
Scott Wedlock. The informa-
tion given to the newspaper
was more than enough to
justify further investigation.

It was reported to the
Mound City News that Sher-
iff Wedlock had purchased a
washer and dryer for his per-
sonal use with county funds.
After further investigation,
the *Mound City News* found
that there had been a dish-

washer and stove purchased
for use at the county jail. All
purchases at the jail have
been approved and deemed
necessary.

The sheriff's office used
to be able to send staff (not
an officer) to purchase items
used for the jail (food, toilet-
ries, etc.). Budget cuts have
forced the office to cut staff,
therefore the sheriff has
picked up the duty to do the
shopping for the jail.

Holt County Clerk Kathy
Kunkel stated, "Most peo-
ple might not realize the

in-depth process that coun-
ty employees have to go
through to 'charge' items to
the county. Every purchase
is looked over and approved
by, at the very least, the
county clerk, commission,
treasurer and elected official
or supervisor."

The *Mound City News*
staff also confirmed that
there have been no purchas-
es for personal use made
through any county office
and the county has provided
all documentation necessary
to demonstrate this.

News from Tiffany Heights

Esther Haynes played pi-
ano during the afternoon on
Tuesday, May 18. Residents
enjoyed a different type of
Bingo during the afternoon
on Tuesday. They played
"Wildflower Bingo". This was
an interesting game as they
had to find the flower from
a description. Many of the
residents knew but there
were also those that didn't.
The winner of the game was
Frances Martin.

Craft time was held during
the afternoon on Wednesday.
This month, the residents
made a lovely pin that includ-
ed Mother's Day and spring.
They painted wooden hearts
pink or purple and added a
cute little daisy type flower to
the edge. The residents add-
ed their names to them and
some of them just put "Mom"
on it. Shirley Jackson and
Joan Smith assisted with the
crafts. Shirley also provided
everyone with her delicious
homemade breads and jellies.
Residents also got a special
treat from Lucyle Benne as
she shared her Mound City

grape jelly with everyone.

The Mound City elemen-
tary students came by on
their way back to school after
a long day of track and field.
Residents provided the stu-
dents with a popsicle to com-
plete their day.

The Maitland Christian
Church youth group vis-
ited during the evening on
Wednesday. Group members
provided residents with indi-
vidual room visits and spiri-
tual enlightening.

Bingo volunteers on Thurs-
day were Shirley Jackson,
Jean McCall, Gordon Robbins,
Gail Twyman, Margaret Pilk-
ington and Janice Phelps.

Residents enjoyed an ice
cream social during the af-
ternoon on Friday. They tried
some new flavors. The resi-
dents tried black raspberry/
vanilla with chocolate chips
and cotton candy. They really
leaned toward liking the cot-
ton candy the best of the two.

Sunday morning services
were conducted by Larry
Brickey and family.

Celebration at the State Theater

100 Years of Southern Gospel Music

The State Theater Arts Council (STAC) in Mound City, MO, is proud to announce that two of the finest groups in Southern Gospel Music, The Booth Brothers and Palmetto State Quartet, will be performing at the State Theater. The Booth Brothers will perform at 7:30 p.m., Saturday, June 12, and Palmetto State Quartet will perform at 2:30 p.m. Sunday, June 13, at the State Theater.

The Booth Brothers are known for their harmony-drenched vocals and warm, easy voices. Award winning singers Ronnie Booth, Michael Booth and Jim Brady make up the trio. Their unique ability to communicate through song and humor have garnered them many fans with their appearances on the Bill Gaither Homecoming tours and their own heavy touring schedule over the last several years. In addition, on June 1, they are releasing their most recent CD, "Declaration".

Palmetto State Quartet was formed in the late 1940s and over the years was considered home for some of Southern Gospel's finest singers. Today, the group is owned by the bass singer, Larry Strickland, husband to Naomi Judd and step father to Wynonna and Ashley Judd. Larry and the other members of the group, Robert Fulton, Paul Lancaster

and David Darst have just released their new CD, "Grace".

According to a State Theater board member, "These are the final two performances for the State Theater's 2009-2010 season (which ends on June 30) and we are going out with a BANG!! Normally a person would have to travel at least a few hours to catch either one of these groups or travel to Branson or Nashville. We have both groups in one weekend!"

Sponsors for The Booth Brothers include Yocum Service, Inc., Hearing Health Professionals, Schoonover Oil and Brown's Music. Palmetto State Quartet is sponsored by the State Theater Arts Council and Missouri Arts Council.

HCHS Methodist Church receives new roof

The Holt County Historical Society's Methodist Church building in Fortescue, MO, is getting a new roof. Egbert Construction crew has been removing the original wood shingles along with several layers of asphalt shingles for several days. A traditional green shingle was selected to highlight the historic old building.

The project was made possible with a Messick Trust gift, an insurance damage payment and many generous donations of society members and friends.

Built in 1896 in Craig, the building was moved to Fortescue in 1953. The brick building used by the Fortescue Methodist congregation had burned and as the Craig church membership had declined and it was no longer

being used, the building was pulled in sections to Fortescue. It was then given to the society when the Fortescue Church merged with the Mound City United Methodist Church.

The church now houses genealogy records, military and school histories, and many obituary and family history files along with a large number of artifacts.

A new roof was badly needed and will help protect irreplaceable objects, records and histories.

4th Annual Junior Naturalist Program begins today

The Fourth Annual Junior Naturalist Program begins today, May 27, 2010, at 6:30 p.m. at the Squaw Creek National Wildlife Refuge.

A naturalist will be presenting a different program each week on Thursday about a different topic. The programs, available for grade school age children, have the goal of encouraging enthusiasm toward the area's wildlife.

Many events include outdoor and hands-on activities so participants are reminded to wear everyday clothes and shoes.

The following schedule includes the first six weeks of topics.

- **May 27- Calling All Naturalists-** Learn what a real naturalist is and just why the Fish and Wildlife Service thinks they are so very important. You will take a peek at Squaw Creek's different habitats and some of the amazing creatures they protect at the refuge. Wake up the naturalist inside you by attending the first in a series of classes designed to get everyone outside. The program will be held in the outdoor classroom.
- **June 3- Sight or Sound-** Join in for a closer look into the life of a bird. You will learn to spot and identify Missouri's most common feathered friends by sight and sound. Learning to look and listen are two very important tools in the life of a good birder. The program will be held in the headquarters auditorium.
- **June 10- Snake Eyes-** Here's your chance to become an honorary Squaw Creek NWR Herpetologist, but first you will have to find out exactly what that is! Take a closer look at our refuge reptiles and amphibians as you learn about scales, tails and what it really means to be cold-blooded. The program will be held in the headquarters auditorium.
- **June 17- Quail City-** It's an adventure in habitat exploration. You will get to find out what it takes to live in the wild and look at the impact our actions have on animals that do. Quail on Squaw Creek are a great example of family success through habitat restoration. The program will be held in the outdoor classroom.
- **June 24- Bike Hike-** Bring your bike as we take a 2-mile ride around the marsh and take this opportunity to get to know each other better. The biking will be easy as a series of stations along the trail give us a chance to learn about nature and rest our legs. The hike starts at the outdoor classroom.
- **July 1- Destination Dragonfly-** Discover a mighty warrier no larger than the palm of your hand. With great speed

and regal beauty, these masters of the marsh may very well be the true kings of the wetland. They will take a look at what makes a dragonfly so spectacular and attempt to see them in action. The fun starts in the outdoor classroom.

Eight more weeks are scheduled for a busy summer ending on August 26. Students who officially enroll in the program, complete four classes and one special naturalist activity are eligible for a Junior Naturalist certificate and badge.

The Junior Naturalist program is free and open to the public. School aged children, parents and other adults are encouraged to participate. For more information visit www.fws.gov/midwest/squawcreek/naturalist.html or by calling 442-3187.

Pictured above- Is a light pole that was blown down by the recent winds at the Mound City baseball fields.

Light pole falls

One of the light poles at the Mound City baseball fields plummeted to the ground Saturday, May 22, shortly before noon. Local residents having a cup of coffee on their patio saw and heard the pole crash to its demise and called the Mound City police who notified KCP&L.

The pole was rotted off at the ground and with the wind, simply fell. It caused damage to a back stop and to the foul ball net, as well as several lights being broken.

KCP&L shut the breaker off to make the environment safe, but the remainder of the lights will not be able to be used until this pole is fixed. This could create problems with softball and baseball season here. A representative from KCP&L commented on the possible integrity of the remaining poles, which have been there just as long.

Donnie Ireland, coordinator for the Mound City summer ball program stated Monday, “We’re working on getting it taken care of, but the season starts tomorrow night.”

Superintendent Ken Eaton was contacted about the school's role in the project, as the ball fields are on school property.

“Everyone is asking that question, I don’t know. We can’t afford to put up lights that are technically of no value to the school. We are working with the baseball association to see what we can do,” remarked Ken Eaton.

Immunization reminder

School nurse, Susan Lentz, would like to remind parents to schedule appointments for their children to get their needed immunizations before opening day of school in August.

Preschool and kindergarten students were notified at their screenings.

Junior high and high school students needing a Tdap booster received written notification in the mail in February or March.

It is best to get vaccines done now, instead of waiting until the weather gets extremely hot. Keep in mind that providers may not be able to accommodate everyone that waits until the last week before school starts to get their immunizations.

Immunizations are available locally at the Holt

County Health Department and Northwest Health Services.

Written proof of immunizations must be presented on the first day of school in order to attend.

Community band rehearsal to begin

Rehearsals for the community band will start June 6. The band will play for the 4th of July celebration at Mound City's Griffith Park.

This will be the 12th year for the band. Response has been very good in the past. The band is open to anyone interested in playing.

Please contact Dave Holland at 442-5409, if you would like to play in the band.

The concert is sponsored by the State Theater Arts Council and the Kiwanis. This is the first event of the 2010-2011 season. Rehearsals will be at the Mound City school. Three rehearsals are planned, June 6, 13 and the 27. They will begin at 2:30 p.m. and end at 4:00 p.m.

ACRE and DCP program deadlines fast approaching

Jackie VanGundy, executive director of the Holt County USDA Farm Service Agency (FSA), reminds producers that June 1, 2010, is the deadline for the 2010 Average Crop Revenue Election (ACRE) Program or the traditional Direct and Counter-cyclical Program (DCP). Annual contracts are required to be signed to receive program benefits. This is a mandatory deadline for all participants and USDA will not accept any late-file applications.

“It is critical for producers to begin the enrollment process now,” said VanGundy. “Now is the time to call the office to make an appointment so you can get everything you need completed and signed by the June 1 deadline.”

All signatures of producers receiving a share in DCP/ACRE payments are required by the June 1, 2010, deadline.

For more information about the DCP/ACRE programs, visit the Holt County FSA office or visit www.fsa.usda.gov.

“Now is the time to call the office to make an appointment so you can get everything you need completed and signed by the June 1 deadline.”

2010-11 FBLA officers elected

The officers for the 2010-2011 school year are: Prent Eaton-president, James Schoonover- vice-president, Taylor Miles-secretary, Katie Portman-treasurer, Samantha DeVoght-reporter, and Kaylee Brady and Taylor Blevins-co-historians.

Due to Mrs. Diana White's retirement, Mrs. Nichole Hux will be the sponsor for the FBLA organization next year.

Tar Wars poster winner

Mychalynn Miller of South Holt has been awarded third place for her poster in the Missouri Tar Wars Poster Contest.

“The poster was extremely creative and gives a very positive message for not smoking,” stated Nancy Griffin, MAFEP Education Coordinator.

Mychalynn is a fifth grade student at South Holt and won the local contest with her poster and then it was sent on to state competition. She was one of five places selected for recognition.

She received a \$50 savings bond, compliments of Central Bank.

The age group will be determined by the grade the student will be in the fall of 2010. The grand prize winner in each group will win reading themed prizes. First, second and third place prizes will also be awarded in each division. The top reader in each grade (excluding the other winners) will also win a prize. Holt County Commission minutes

The Holt County Commission met Monday, May 17, 2010, at 9:00 a.m., with Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner Don Holstine present.

After review, Commissioner Gordon made a motion to accept the minutes as written by County Clerk Kathy J. Kunkel. The motion was seconded by Commissioner Holstine.

Wayne Flanary, University Extension Agronomist, shared recent crop updates with the commission and discussed weed control trials at the Graves-Chapple Farm.

Brenda Nelson, R.N., Health Department Administrator, discussed recent sanitation inspections of Holt County restaurants, upcoming tetanus combination clinic, and a state training on May 21, which may require the office to be closed while all staff attends the training.

Road and Bridge Supervisor Daryl Biermann joined the commission to discuss truck repairs, rocks falling on Holt 340 and the need for repairs on Maywood and Holt 250 due to cuts in the road edge for buried

cable. Commissioner Gordon attempted to contact Oregon Farmers Mutual Telephone to discuss the recurring damage.

Matt Sorensen, Midland GIS, Maryville, presented a proposal to the commission for the upgrade and correction of Holt County 911 addressing. The proposal for \$32,500 would verify all current 5-digit 911 addressing of the county for correct location in a mapping grid and make correction of any issues within the grid. City addresses do not currently exist in the Holt County 911 addressing system. This proposal would create address points within the cities for each three-digit house address. 911 road lines in the existing database would be snapped to road centerlines in the newly developed GIS parcel mapping system. At completion of the upgrade, the addressing would be ready to migrate into the 911 dispatch system for address location. Commissioners reviewed the 911 operating budget for 2010 and tabled the matter pending further review.

Jerry Kneale, Forest City, appeared before the commission to request work on a culvert on Holt 270, east of Trinity Road.

Commissioners took a conference call with Dave Warner, Murphy Tractor, to set up an appointment to view a used John Deere grader. Commissioners agreed to solicit bids for a used grader as a replacement for the 1999 Champion 710-A grader. Commissioners considered taking sealed bids for the Champion rather than trade.

County Clerk Kathy J. Kunkel reported on employee drug and alcohol screenings. The county currently is under contract with MedDirect, Fort Smith, AR, and OHS-CompCare, St. Joseph. Complete services are now available through Employee Screening Services, St. Joseph, at a comparable cost. They would provide on-site testing services and management of the employee pool.

Being no further business, Commissioner Sitherwood adjourned the meeting until Monday, May 24, 2010, at 9:00 a.m.

New Northwest Health dentist backs out

Northwest Health Services CEO, Ben Ernst, announced that Dr. Tony Bai has backed out of his contract to be the new dentist for the Mound City dental office.

Dr. Tony Bai, responding by email to Northwest Health Services, indicated that his reason for withdrawing from his contract was because he did not want to up-root his kids from the Kansas City area. Dr. Bai indicated he liked the community and the people in it.

Northwest Health Services is currently recruiting and interviewing potential candidates, but have enough

dentists in the St. Joseph area to fill the summer position until the position can be permanently filled.

"We are working really hard to find someone to fill the position and will have someone filling in during the month of July. We are excited about the opportunity to serve the Mound City and Holt County area," commented CEO Ben Ernst.
