The 2015 Miss Fourth of July pageant - Was held at Mound City's State Theater on Friday evening, July 3. Eleven contestants vied for the coveted title, with Maggie Jo Caton receiving the final nod. Pictured above, Maggie Jo, center, poses with her attendants, Gabrielle Heck, left, and Paige Quilty, right. All three young ladies rode in the Fourth of July parade on Saturday morning, July 4.

Maggie Jo Caton crowned 2015 Miss Fourth of July

The eleven contestants of the 2015 Miss Fourth of July Queen competition sat in a booth during tea at the White Rose Restaurant in Mound City, Mo., on Friday, July 3. One by one, each girl passed through the restaurant to meet one-on-one with three anonymous judges.

"They are judged on their personality and how they carry themselves," explained Debi Clifton, president of the Ta Ya Tu club, which sponsored the contest.

Clifton added that each judge poses questions based on the contestant's biography in order to rate her poise and character.

While waiting for their turns, the contestants, dressed in trendy outfits with smooth hair and makeup, chattered quietly.

"I'm a little nervous," Emma Gibson, 14, a first time contestant said, "I think it'll be fun, though."

Later that afternoon, the girls - Gibson, Hillary Russell, Malori Davis, Maggie Jo Caton, Bailee Schueth, Emilie Browning, Hannah Wedlock, Paige Quilty, Gabrielle Heck, Cassidy Wennihan and Hannah Lane - crossed the street

to the State Theater where they practiced their turns and struts across the stage for the pageant that night. Although the girls left casually that afternoon, when evening fell, the contestants, sparkling in beautiful evening gowns, waited anxiously to go on stage.

The 2014 Miss Fourth of July, Grace Newcomb, stood backstage, talking with the nervous girls. "Smile! Enjoy yourselves!" reassured Newcomb. "I had a blast year and I know you all will, too."

In the theater, a huge crowd watched each girl stride across the stage as emcees Debi Clifton and Kasey Miles read biographies. As tension rose, the girls gave the stage to Lori Miller of Mound City, who serenaded the audience with three songs while the judges tallied the scores of the tea and the evening show.

Attendants Gabrielle Heck and Paige Quilty accepted their sashes and flowers before this year's queen, Maggie Jo Caton, was crowned. Caton wore her tiara proudly as she hugged last year's queen, Mound City's Grace Newcomb, and waved to her family and friends.

Morris and Barb Heitman reign over 4th of July festivities as 2015 King and Queen

The story of Barb and Morris Heitman begins nearly 70 years ago. On July 17, 1945, Morris was born to Wilbur and Francis Heitman and a month later, on August 25, 1945, Barb was born to Otis and Emma Luhrs. Morris lived on a farm near Corning, MO, which is now a centennial farm. Barb lived near Nishnabotna, MO, only about three miles away. It was at age five at St. John's Lutheran Sunday School where they became friends. After the 1952 flood, both families ended up living in Craig, MO, where the two attended school and both graduated in the class of 1963.

After graduation, it was off to the University of Missouri (MU) where Morris and Barb received degrees, Barb from the College of Education in 1967 and Morris from the College of Agriculture in 1968. It was during this time that the two of them became Missouri Tiger fans. The couple tries to attend some home football games each year and occasionally a bowl game.

After graduation from college, Barb taught kindergarten in the Fort Osage School District in Independence, MO. Morris finished his degree and attended graduate school. The courtship continued and on June 21, 1969, the couple married.

Morris began working for the United States Department of Agriculture (USDA) in August, 1969, and Barb continued teaching in Mound City while the couple lived in Fairfax, MO.

Morris and Barb moved to St. Joseph, MO, in 1972, with Morris working at USDA and Barb obtaining a teaching job with the St. Joseph School District. While in St. Joseph, daughters Molly and Mandy

were born.

In 1979, with Molly ready to start school, the USDA-Agricultural Stabilization and Conservation Service (ASCS) manager's job in Mound City came open with the retirement of Garth Sharp. The Heitmans decided to move back closer to their roots based on the fine reputation of the Mound City school and community. They moved into a new home on Childers Drive in which they still live. "We feel so very fortunate to have lived and raised children in this community for the past 36 years where very fine and friendly people are not a rarity but a most common occurrence," stated the Heitman couple.

After being a stay-at-home mom for 12 years, Barb resumed her teaching career in Mound City. Both girls graduated from Mound City R-2 and MU. They also obtained advanced degrees in public administration and law from MU.

Molly is married to Kurt Boeckmann and lives near Jefferson City, MO. She is Budget Director for the Department of Health and Senior Services and Kurt is the Agricultural Liaison for the Department of Natural Resources. Molly and Kurt have two children, Ellen, age 13, and Graham, age 9.

Mandy lives in Overland Park, KS, and is a Senior Analyst for Shook, Hardy and Bacon Law Firm.

Barb retired from teaching in 2004. She now enjoys volunteering in the community. She was on the State Theater board for 12 years, is a Friend of the Library, delivers Meals on Wheels, works at the Community Food Pantry and also is a member

of the Tuesday Club.

Morris retired from USDA in 2005 but still continues to farm. He spent 18 years with the Mound City Library Board, nine years with the Mound City R-2 Board of Education and eight years on the board of Community Hospital-Fairfax, MO. Morris has also served 25 years on the board of the Corning Levee District. He is now the

chairman of the Missouri Corn Merchandising Council. Morris was appointed to the Missouri Agriculture and Small Business Loan Authority by Governor Jay Nixon.

The Heitmans have been members of the Lutheran Church Missouri Synod for their entire lives and attend Holy Trinity Lutheran Church in Mound City.

Morris and Barb Heitman (left to right, seated) - Of Mound City were crowned the 2015 4th of July King and Queen on Friday evening, July 3, at the State Theater. On stage with the honored couple are family members, standing, left to right, Graham Boeckmann, Kurt Boeckmann, Molly Boeckmann, Mandy Heitman and Ellen Boeckmann. The Heitman royal couple rode in the 4th of July parade on Saturday, July 4, with Kim Kling of Mound City as their chauffeur.

Thanks to all who donated!

A big thank you to all of those who donated to this year's 4th Blast fireworks fund. The weather was nearly perfect for the fireworks show this year and I hope everyone enjoyed it.

Also, thank you to Miles Jumps and the Mound City Golf Course board for allowing the show to happen on the course. Miles went above and beyond to help get the crew set up and it is very much appreciated.

The real mess is the morning after the show . . . Miles Jumps, Mound City Mayor Chris Krueger and Mitchell Corbin helped me clean up the debris off of crucial parts of the course early Saturday morning. There wasn't much wind Friday evening to help carry the debris off of the course, so it wasn't a fun job. A big thanks to all three of you guys and again, thank you to all those who donated.

Letter to the editor

Dear Editor,

With golf season in full swing, another golf tournament is headed our way.

The Missouri Veterans' Home - Cameron Assistance League will be hosting its 2nd Annual *Golfing for Heroes* Tournament on August 6, 2015, at Mozingo Lake Recreational Park Golf Course. The funds raised from the *Golfing for Heroes* event will be used to enhance the quality of life for veterans living in the Missouri Veterans' Home locat-

ed in Cameron, MO. The home has been raising funds the past couple years to purchase a new 14-passenger bus which will cost approximately \$120,000, however the majority of raised funds go to veterans' recreational outings. This past year veterans have attended KC Royals games, the KC Chiefs Training Camp, made visits to the Liberty Memorial, concerts and circus at the Sprint Center, numerous trips to the casinos as well as many movie and

restaurant outings.

This year's *Golfing for Heroes* event will take place on August 6, 2015, with a goal of 25 four-person teams. Last year's event raised just over \$4,000 with 11 teams participating. The event committee consists of Doug Kline, chairman, Bill Baker, Dale Mathes, Marlin Slagle, Wayne Pierson and Kyle Easter, golf pro at Mozingo. Supporting the committee are Gary Summers, Assistance League President, Roger Foreman, Assistance League Vice-President, Barbara Caldwell, Veterans' Home Supervisor Volunteer of Services and Veterans' Home Administrator, Brad Haggard.

The Missouri Veterans' Home is a 200-bed skilled home which provides nursing care to Northwest Missouri Veterans. The home admitted its first veteran

in April, 2000, and currently has 187 veterans on its waiting list. There have been numerous veterans from the Maryville, MO, area that have lived in the Cameron home. There are six veterans from the Maryville area currently living in the home and six area veterans currently on the waiting list.

We have an opportunity to help out a great facility and honor our veterans. This is our way of saying thanks to our veterans and remembering what they did so we can continue to have the freedom we have. I am honored to help out with this event and hope we can reach our goal of 25 teams. For entry forms or information you can call my cell at (660) 254-6243 or contact Barbara Caldwell at (816) 649-1622 or Barbara.Caldwell@mvc.dps.mo.gov

MoDOT update at Exit 75 on Interstate 29 In Holt County U.S. Route 59 traffic also impacted

Soon travelers will be able to drive on a new bridge on Interstate 29 at Exit 75, according to the Missouri Department of Transportation (MoDOT). Currently, both northbound and southbound motorists are being rerouted around the bridge closure at Exit 75 via the on and off ramps. Crews plan to reopen southbound I-29 at that location as early as the week of July 13, 2015.

Northbound travelers, however, will still be rerouted on the on and off ramps at Exit 75. When crews removed the old bridge deck, previously undetected damage to a girder was discovered that was the result of repeated bridge hits by vehicles. A new girder was ordered and put in place, but the delay in pouring a new bridge deck means the northbound lanes will not be able to utilize the new bridge until August.

U.S. Route 59 will once again be accessible for south-

bound travelers. Motorists will also be able to access southbound I-29 from U.S. Route 59, but only on the west side of the project. U.S. Route 59 remains closed under the bridge and travelers on the east side of the project will still be unable to access I-29 at Exit 75.

All work is weather permitting and schedules are subject to change. MoDOT encourages all motorists to slow down, buckle up, eliminate distractions and drive safely to ensure everyone is able to Arrive Alive.

Semi tractor trailer overturns on Highway 111

The Missouri State Highway Patrol was called to an accident Monday morning, July 6, at 5:25 a.m., on Missouri Highway 111 four miles north of Forest City, MO. According to the investigating officer, Corporal M.E. Heits, Kenneth W. Keith, 60, of St. Joseph, MO, was northbound on Highway 111 in a 2002 International semi tractor trailer.

Keith failed to negotiate a curve to the right, began to skid and crossed the center line. The semi's trailer unit traveled off the west side of the roadway and overturned, which caused the semi's tractor unit to overturn. The semi tractor trailer came to rest on its driver's side, partially in the southbound lane and partially off the roadway.

Keith, who was wearing a seat belt, was transported to Mosaic Life Care in St. Joseph by Atchison-Holt Ambulance with minor injuries. The semi tractor trailer received extensive damage and was uprighted by deploying air bags from R and W Towing of St. Joseph, who then towed the vehicle from the scene.

Corporal Heits was assisted at the scene by Sergeant K. G. Haywood, Trooper V. F. Selsor, the Holt County Sheriff's Department and the Missouri Department of Transportation (MoDOT).

Over 50 guests signed the register at the first Holt County Historical Society's "First Sundays" in the Methodist Church Museum at Fortescue, MO, on Sunday, July 5.

Sally Davis Waggoner, society president, welcomed everyone and shared upcoming activities and plans. She then introduced Gene Poynter, Mound City, the speaker of the afternoon, who was assisted by his great-grandchildren, Natalie, Hannah and Andrew Cockrell, who were visiting from Shreveport, LA. He told the story of "The Invasion That Never Was," and shared many of his personal experiences serving with the United States Army during World War II. A flip chart along with maps, photos, scrapbooks and military artifacts and memorabilia helped to tell his story.

Gene's granddaughter, Jennifer Cockrell, and her husband, Brian, of Shreveport, also attended.

A time of visiting and admiring the many displays throughout the museum, along with refreshments, ended the afternoon.

Special presentations and displays at the museum are planned from 1-5 p.m. on the first Sunday of each month. The next "First Sunday" theme on Sunday, August 2, "It's a Small World," will feature the extensive doll collection of Sally Waggoner along with loaned antique dolls and toys for the afternoon. Anyone willing to share childhood toys or dolls is invited to bring them along.

Gene Poynter of Mound City - Was the guest speaker at the Holt County Historical Society's "First Sunday" special in the Methodist Church Museum at Fortescue, MO, on Sunday, July 5. WHO KNOWS WHAT SCHOOL THIS IS?

This undated photo was sent to the Holt County Historical Society by Mary Virginia Lawrence Nevin. First thought to be the Kelso School, Patty Cook Quimby, Craig, shared that Kelso was a frame structure not brick. The students and teacher are not identified. How many brick country schools were there in Holt County?

This Week's History

From the *Mound City News* archives

50 Years Ago - 1965

- The Mound City Lions Club had let a contract to the Nauman Construction Company for a new club building which would be situated across the street from the Nazarene Church.

- One dozen automobiles, belonging to persons attending the second night's activities at Mound City's Fourth of July Celebration, were damaged by a crew of three young men from the Falls City, Nebr., area. The vandalism occurred in the large recreational parking lot while the festivities were going on nearby. Radio antennas seemed to intrigue the vandals the most. Nine vehicles were stripped of them, and very little other damage was reported.

- The Bill Foster "Let's Dance" program did just what was expected. It attracted a lot of teenagers, and some who couldn't claim to be in that age category. Old-timers stood on the outside "aghast" at the modern dance, but the kids were having the time of their lives. The next night the kids stood on the outside "aghast" at the old-timers dancing to the Bill Geha orchestra, the "ol'-fashioned" way.

25 Years Ago - 1990

- A new barn was going up on the David Drewes place near Craig. By the end of September, 36,000 day-old chicks were expected to move in. Two months later, the fattened chickens would be trucked out by the Campbell Soup Co. and another flock of chicks would move in.

- Longtime Holt County farmer Harold "Jack" Nixon and his wife, Anna, were named Senior King and Queen for the July 4th festivities. Tammy Hutchison was crowned Miss Fourth of July. The Graham Street Festival won the best overall award in the parade.

- Larry Russell was named commander of the 2nd Battalion, 137th Infantry, Army National Guard unit in Kansas City, Kansas. The part-time assignment included a promotion to lieutenant colonel.

- Schuylkill Metals Corp. was granted a wastewater discharge permit by the U.S. Environmental Protection Agency (EPA). The EPA in April recommended a \$93,000 penalty for Schuylkill for violating the federal Clean Water Act. Schuylkill agreed to pay a \$90,000 civil penalty.

10 Years Ago - 2005

- A record \$5,644 worth of 4th Blast fireworks went up in smoke, fire and bangs at the golf course. John and Virginia Beal were crowned Senior King and Queen. Little Miss and Mr. Firecracker were Cassidy Wennihan, daughter of Marty and Michelle Wennihan, and Justyn Hall, son of Jason and Carolyn Hall. Hannah Church, daughter of Sam and Angela Church, was the Grand Prize Toddler and Kishia Panning, daughter of Todd and Rachel Panning, was the Grand Prize Baby. Amanda Williams, daughter of Wyle and Jackie Williams, was named Miss 4th of July and Jamie Scarbrough, daughter of Marc and Pam Scarbrough, was first runner-up. Max Benne was selected as the honored veteran for the 4th celebration. The Mound City Public Housing Authority's float won the \$100 grand prize in the annual parade.

- The Mound City United Methodist Church had a new minister, the Rev. Pamela Brakhage, who preached her first sermon in June.

- The 15th annual Red Rock Fun Run sponsored by Northwest Health Services July 4 drew 52 participants.

Bob McCrory - 2015 Honored Veteran

Bob McCrory of Mound City is this year's Fourth of July Honored Veteran. A graduate of Mound City, Bob attended the University of Missouri at Columbia until Uncle Sam called him into service in 1953. Bob, at the age of 20, attended Officer Candidate School at Marine Corps Base Quantico in Virginia. He spent the next three years as a Marine in San Diego, CA. Sergeant McCrory finished his four years serving the country and returned to the University of Missouri where he graduated with a Bachelor of Science degree in Business with an emphasis on insurance. After graduation, Bob worked in Chicago, IL, for three years and then came home to take over his father, Bill's, insurance business. McCrory Insurance Company remained under Bob's management and then ownership from 1963 until the sale of the business in 2000.

Bob is a lifetime member of the Paul P. Shuttles Post 121 American Legion and has an active role in the Holt County Government Day held each year for the freshman students in Holt County. Bob is also a lifetime member of the Marine Corps

League. He is the past president of the Mound City Chamber of Commerce. After his retirement from the insurance business, Bob turned to the vineyards of the Mound City Development Corporation with the construction and maintaining of the existing and new grape vines. Bob has been a very big part of the success of the local vineyards.

Bob and his wife, Nancy, have three daughters, Michelle Young, Jamie Boatman and Nicole McCrory. They enjoy spending time with their families, which include six grandchildren.

Also honored during the veteran ceremony was Stephen Holifield, Nicole McCrory's fiancé. Stephen recently retired from the U.S. Army with a medical discharge after serving 15 years.

The nation salutes Bob McCrory and Stephen Holifield for a job well done while serving the United States of America.

Jackson scoops out the ice cream for the customers.

Annual Lions Club barbecue feeds the hungry masses

The annual Lions Club Fourth of July barbecue was well attended again this year. Beautiful weather brought out the hungry people who enjoyed barbecued chicken, ham, baked beans, slaw and a drink. The meal was served at the shelter house of Griffith Park at the north end of Mound City.

This year, the Lions Club was assisted by Mound City R-2's Family, Career and Community Leaders of America (FCCLA) and Boy Scout Troop 71 of Mound City. The two groups helped serve the food and drinks, providing relief for some the Lions.

Jayli Farr, age 3 - Concentrates on the task of pedalling a child's tractor while pulling a sled that gets heavier with every turn of the tractor pedals. Jayli did not make it to the end of the pull before the one minute time ran out, but the cool refreshment given to each participant was well worth it. Jayli is the daughter of Larry and Shawna Farr of Mound City.

The 25th Annual Red Rock Fun Run - Was held in Mound City on a perfect summer day, Saturday, July 4. Runners from ages 8-67 completed the 5K route. Pictured before the race began are Brooklyn Binder, 8, left, and Lily-Kate Noel, 10, right. The two girls finished second and third in the 12 and under category.

Kendy Eaton - An incoming senior at Mound City R-2, was the female overall winner of the Red Rock Fun Run 5K in Mound City on Saturday, July 4, with a time of 22:38.4. Kendy, a stand-out athlete at Mound City, was sidelined last year with serious knee injuries. She was just recently released to participate in sports again. Welcome back, Kendy!

Kids "dive" for pennies during Fourth of July festivities

One of the popular activities - During a typical, hot Fourth of July celebration is the penny toss at the Mound City Swimming Pool. The Xi Eta Upsilon chapter of Beta Sigma Phi has sponsored this event for many years. The penny toss is divided into age groups, with the youngest group, age two and under, reaching down into the water at the shallowest part of the pool. As each group progresses in age, the water gets deeper. Once again, this year's penny toss was declared a success.

And the band played on....

Jennifer Binder of Forest City, MO - Played the flute and piccolo during the Community Band Concert on Saturday, July 4, under the shade trees at Griffith Park in Mound City. The band, under the direction of Curtis Stroud of Mound City, played a variety of selections, beginning with the *Star Spangled Banner*.

Bryce Schoonover, top, of Mound City - Took his usual place behind the bass drum during the Community Band Concert on Saturday, July 4. Longtime band director, Dave Holland of Mound City, bottom of photo, still has the chops to play his trumpet. Band Director Curtis Stroud of Mound City was pleased with the crowd that sat under the shade trees to enjoy the music.

Adam Lehmer of Mound City - Proudly drives one of his father's tractors in the 2015 Fourth of July parade in Mound City on Saturday, July 4. Adam's father, the late Chip Lehmer, was chosen as an Honorary Grand Marshal because of his countless hours spent promoting tractor parades and organizing the tractor portion of the annual parade in Mound City. Chip also encouraged the tractor participants to park the tractors on the ball field for everyone to see during the festivities of the day.

Parade honors three men posthumously as Honorary Grand Marshals

For years, the Mound City July 4th parade committee has put on a successful parade for the hundreds of spectators that line the route. It didn't matter who was in charge of the parade, three men always helped in preparations and participated in the slow trek down the parade route.

The late Robert Rother was a part of the American Legion Honor Guard that launches the parade for years. He also always stood ready to assist before the parade and as a part of the Rural Fire Department.

The late Bob Smith was a mainstay of the parade for years. Colonel Bob's association with the Moila organization in St. Joseph, MO, seemed to always ensure a great representation from the group at the parade. Many didn't realize that Bob began writing letters to Moila at the beginning of each year, asking the Shriners to participate in the parade and enjoy the delicious barbecue after. He, too, was around before the start of the parade to help out if needed.

The late Chip Lehmer had a passion for his tractors. His efforts organized a huge tractor participation in the parade. For years, Chip corralled the tractors at the south end of town before the parade and coordinated the antique tractor and car show at the baseball field after the parade for enthusiasts to see the entries up close.

This year, the parade committee has selected to honor these three men and their dedication to the July 4th parade by naming them the honorary Grand Marshals of the 2015 parade.

The shoes will be hard to fill as the parade must go on.

Members of the Robert Rother family - Were perched atop a Mound City Rural Fire truck during the Fourth of July parade on Saturday, July 4. The late Robert Rother was remembered for his never-ending help with the annual parade.

Joan Smith of Mound City - Waves at the crowd during the 2015 Fourth of July parade in Mound City. Joan's late husband, Bob Smith, was recognized for his association with the Moila Unit in St. Joseph, MO, and his actions in getting Moila participation in the parade each year. Appropriately, Ms. Smith is being chauffeured in one of the Moila Diplomat's convertibles during the parade.

(LEFT) Missouri State FFA Leadership Camp - Was held at Camp Rising Sun at the Lake of the Ozarks' State Park on June 8-12. The four members from South Holt R-1 FFA that attended were, left to right, Bryan Nowling, Abby Egbert, Hailey Markt and Courtney Smith.

Hailey Markt of Oregon, MO - Provided succulent plants for a wedding recently. Markt raises the succulents as part of her SAE program at South Holt R-1. She is the South Holt FFA president and will be a senior this fall.

South Holt represents at State FFA Leadership Camp

Four members from the South Holt FFA Chapter attended the State FFA Leadership Camp, Monday-Friday, June 8-12. The camp, sponsored by the Missouri FFA Association, was held at Camp Rising Sun located within the Lake of the Ozarks' State Park.

The association provided leadership training for over 1,200 high school students who are members of FFA across Missouri. The high school students were trained by State FFA officers as well as a Leadership Director who is a past State FFA officer. Students learned how to

overcome obstacles and develop their communication and personal skills and received the opportunity to network with individuals and organizations that play a large part in Missouri Agriculture.

Each of these members received their Missouri State FFA Leadership Pin for participation in at least 13 leadership training sessions. Students also had the opportunity to participate in instructional waterfront activities such as skiing, discing, boating, and swimming lessons.

The National FFA Organization makes a positive difference in the lives of students by developing the potential for premier leadership, personal growth and career success through agricultural education. Nationally there are over 500,000 FFA members. Missouri ranks 4th in the nation with over 24,000 FFA members.

The four South Holt FFA members that attended the Leadership Camp were Bryan Nowling, Abby Egbert, Hailey Markt, and Courtney Smith.

South Holt's Hailey Markt's succulents say "I do"

South Holt FFA President, Hailey Markt, has been building her succulent business for two years. What started as a Supervised Agriculture Experience (SAE) has developed into a full fledged business for this upcoming senior of South Holt R-1 in Oregon, MO. Recently, some of Hailey's succulents were featured in a wedding partnered with Maryville, MO, Florists. This is the first wedding Hailey has provided succulents for but she has provided some of her beautifully arranged succulents for numerous other events such as organizational banquets and the 2015 South Holt Prom.

Every student enrolled in Agriculture Educa-

tion is required to have an SAE. These experiences enhance overall student learning by providing students with the opportunity to directly practice what they learn in the classroom. Students may choose an SAE that falls under the categories of entrepreneurship, placement, or agri-science. At South Holt, students' SAEs range from raising poultry to creating soy candles or working for a business within the agriculture field.

Supervised Agriculture Experiences also give students the opportunity to gain professional work experience and acquire relevant workforce skills.

Trojanettes 12U softball team fights hard for victories

The Trojanettes 12U softball team took fourth place out of 23 teams in the Summer Smash Tournament held at the Mid-America Sports Complex in Shawnee, KS, over Father's Day weekend.

Friday night, June 19, the Trojanettes started off pool play with two victories. Game one was a 2-1 victory over the KC Rage. Riley McQueen (Stanberry, MO) and Emma Bohannon (Barnard, MO) each had one hit in the win. McQueen also drove in both runs that were scored. Those runs were scored by Kiah Huitt (Lathrop, MO) and Sadie Smith (Maysville, MO). Brooklyn Miller (Wathena, KS) picked up the win on the mound for the Trojanettes giving up one hit and striking out six.

Game two of Friday night was a comeback victory for the Trojanettes. They were down 6-0 going

into the bottom of the last inning, but staged a huge comeback, and pulled out a 7-6 victory over Category 5. The Trojanettes spread the offense around, with Shania Culp (Maitland, MO), Smith, Maddyx Kirkland (Lathrop), Miller, and Bohannon each getting a hit in the victory. Smith and Bohannon also each had two runs batted in (RBIs). Huitt earned the win, giving up four hits while striking out four.

On Saturday, June 20, the Trojanettes had two more pool play games. The first game was an 11-0 victory over the Mid-Mo Ricochet. Miller lead all Trojanettes at the plate, going 3-3 with two RBIs and two runs scored. Culp, Huitt, Smith and Bohannon each also had two hits in the win. Huitt had three runs scored and Bohannon scored two. Emily Cassavaugh (Maryville, MO)

pitched a complete game shut-out, giving up only two hits, while striking out seven.

The Trojanettes had their only loss in pool play come in the final game. Despite making a late game comeback, they lost, 5-3, to the Lightning Legacy 03. Miller was the offensive leader, going 2-2 at the plate with one RBI and one run scored. Smith, Kirkland, and McQueen each had one hit, with Smith and McQueen each scoring a run, and Kirkland driving in one run. Smith took the loss on the mound, giving up six hits while striking out five and walking none.

The 3-1 record in pool play gave the Trojanettes the #1 seed in their pool heading into the double elimination tournament on Sunday, June 21.

In the first game of tournament play, the Trojanettes came up on the losing end of a true pitcher's duel, losing, 2-1, to The Fever. The Trojanettes had one hit each by Baylee Knorr (DeKalb, MO), Smith, Braidy Hunt (Grant City, MO), and Miller. Miller pitched the complete game giving up six hits, while striking out six and walking none.

Following that loss, the Trojanettes would start their march through the loser's bracket. Their first victim was Category 5. This time, the Trojanettes would not need any last inning comeback to seal their victory, instead, they gained control early and won, 8-2. Smith had three hits and two runs scored. Knorr had two hits, one RBI and one run scored. Kirkland also had two runs scored. Huitt picked up the complete game victory, giving up four hits while striking out four.

In game three, the Trojanettes defeated the Storm, 11-1. Huitt, Knorr and Smith were each a perfect 3-3 at the plate. Huitt also had two RBIs and five runs scored. Knorr had two RBIs, while Smith had one RBI and four runs scored. McQueen and Miller each had two hits, and McQueen scored two runs. On the mound, Miller got the victory, giving up five hits and striking out eight.

The Phoenix-Moore players were the fourth victims of the Trojanette charge through the loser's bracket on Sunday. The Trojanettes scored five runs in the first inning, and never

looked back, winning by a score of 8-1. Shania Culp, Knorr, and Miller each had two hits and one RBI. Smith, Hunt, Kirkland, and Bohannon each had a hit in the victory, as well. Smith and Huitt each scored three runs, while Cassavaugh had two RBIs. Miller again pitched to a victory, giving up two hits while striking out five.

In their fifth game in a row, the Trojanettes again met up with The Fever. The Trojanettes were never able to recover from giving up four runs in the top of the first inning, and lost, 5-0, ending their run in the loser's bracket. They were only able to muster two hits, with Smith and Bohannon each getting one hit. Miller and Smith both pitched in the loss. Smith came in at relief, and pitched 3 1/3 innings and gave up one hit while striking out five.

The Trojanettes 12U softball team took fifth place out of over 20 teams from four states in the Adair Summer Finale tournament held at Adair Park in Independence, MO, June 26-27. The ladies recorded three wins and two losses over the weekend.

In the first of two pool play games, the Trojanettes were victorious over the Gold Thunder. Emily Cassavaugh and Brooklyn Miller combined to shut Gold Thunder out. Cassavaugh picked up the win, pitching four and 2/3 innings. She gave up one hit and struck out four. Miller came in relief and pitched the last 1/3 inning to record the save. Offensively, Sadie Smith, Miller, Riley McQueen, Maddyx Kirkland, and Emma Bohannon each had one hit. Kirkland had one RBI and one run scored. McQueen and Bohannon also each scored a run.

The Trojanettes finished up pool play with a 2-0 record and first place in their pool by beating the Putnam County Raiders, 5-1. Kiah Huitt was the winning pitcher. She pitched six innings and gave up three hits and struck out eight. Kirkland was the leading hitter with two hits. Picking up one hit apiece were Smith, Cassavaugh, and Bohannon. Smith also scored two runs.

To start off tournament play, the Trojanettes faced off with the KC Force. After the top of the third inning, the Trojanettes were down, 3-0; however, they did not give

up, scoring one run in each of the following three innings to tie the game up. The game went into extra innings, with neither team able to score in the first extra inning. In the second extra inning, the KC Force scored two runs in the top of the inning. The Trojanettes were only able to answer with one run in the bottom half of that inning, and lost by a score of 5-4. Miller pitched the entire game for the Trojanettes. She gave up seven hits while striking out 15. Smith, Miller, Bohannon and Braidy Hunt each picked up a hit for the Trojanettes. Hunt, Shania Culp, and Baylee Knorr each had an RBI, while Bohannon, Culp, Huitt, and Kirkland each scored a run.

Sunday morning, the Trojanettes found themselves in the loser's bracket facing a tough opponent in the Johnston (IA) Dragons Gold. This game proved to be another nail biter. The Dragons jumped off to a quick 3-0 victory in the bottom of the first inning. The Trojanettes began to chip away at that lead once again, scoring one run in the top of the third inning, and two runs in the top of the fifth inning to tie the game up. For the second consecutive game, the Trojanettes were going into extra innings, this time with elimination on the line. In the first extra inning, both teams scored one run. In the top half of the second extra inning, the Trojanettes plated four runs. The defense was able to hold the Dragons scoreless in the bottom half of the inning, allowing the Trojanettes to pick up an 8-4 victory. Smith and Miller both pitched the game. Smith started, and went five innings, struck out five and gave up six hits. Miller pitched the final three innings to pick up the win. She gave up zero hits and struck out four. Smith led the Trojanettes with three hits, one run scored and one RBI. Knorr, McQueen, and Bohannon each had two hits. Bohannon, Huitt, and Kirkland each had two runs scored. Smith and Cassavaugh each had one run scored, as well. Picking up RBIs were Smith, Knorr, Cassavaugh, Culp, and Hunt.

Next, the Trojanettes faced the Buck Commanders in tournament play. Again, the Trojanettes faced an early deficit, this time down 4-0 after two innings. The Trojanettes did

not give up, though, and were able to score two runs. This would not be enough, and they lost, 4-2. Huitt took the loss on the mound, pitching five innings, giving up seven hits and striking out two. Smith had two hits and one run scored. Also picking up hits were Huitt, Miller, and Culp.

The Trojanettes now have a record of 33-13-1.

Initiative petition approved for circulation for 2016 state ballot

Missouri Secretary of State Jason Kander recently announced an initiative petition relating to the age requirement for members of the General Assembly has met state standards for circulation.

The official ballot title for initiative petition 2016-057 reads:

Shall the Missouri Constitution be amended to change the age eligibility requirement from 24 to 21 years old for members of the Missouri House of Representatives and from 30 to 27 years old for members of the Missouri Senate?

State and local governmental entities expect no costs or savings from this proposal.

The petition, which would amend Article III of the Missouri Constitution, was submitted by Justin Wilson, 1064 Hatchery Rd., Stover, MO 65078.

Before any constitutional changes can be brought before Missouri

voters in the November 2016 election, signatures must be obtained from registered voters equal to eight (8) percent of the total votes cast in the 2012 governor's election from six of the state's eight congressional districts.

Signatures on behalf of all initiative petitions for the 2016 ballot are due to the secretary of state's office by no later than 5 p.m. on Sunday, May 8, 2016.

Before circulating petitions, state law requires that groups must first have the form of their petition approved by the secretary of state and attorney general. The secretary of state then prepares a summary statement of no more than 100 words, and the state auditor prepares a fiscal impact statement, both of which are subject to the approval of the attorney general. When both statements are approved, they become the official ballot title.
