**Six new employees have been hired** - At Nodaway-Holt R-VII School in Maitland, MO, and Graham, MO. Pictured above are the new additions, front row, left to right, Karlene Jenkins, Tammy Wilmes and Jamie Madden; and back row, Kyle Blackford, Ethan Sickels and Talon Graff.

## Six join staff at Nodaway-Holt R-VII

Nodaway-Holt R-VII School has hired six new staff members for the 2015-2016 school year. The elementary school classrooms and administrative offices are in Maitland, MO, and the junior high and high school classrooms and administrative offices are in Graham, MO.

Karlene Jenkins lives in Skidmore, MO. She has accepted the elementary secretary position at the elementary school. Her husband is Dustin and children are Kloe, Preston, Miley and Hadley. Jenkins previously worked for St. Francis Hospital as a unit secretary on the medical/surgical unit.

Tammy Wilmes lives in Maitland, with her husband, Norbert. Tammy cooked at Nodaway-Holt 10 years ago and left to pursue other interests. She is happy to be returning to Nodaway-Holt as a high school cook in Graham.

Jamie Madden is coming to Nodaway-Holt as a first year teacher. She will be a K-12 counselor, traveling between the two schools at Maitland and Graham. Her husband, Nick, and son, Easton, 4, live in Skidmore, MO. Madden graduated from Northwest Missouri State University (NWMSU) in Maryville, MO, in 2006, with a bachelor of science degree in psychology and is currently completing her master's degree in guidance and counseling. She has previously been a stay-at-home mom and helped with her husband's construction business.

Kyle Blackford will be teaching Title Reading at the elementary school. He is a native of Norwalk, IA, and currently lives in Maryville. His wife is a teacher in Maryville. They are both graduates of NWMSU. Along with teaching Title Reading, Kyle will be the assistant volleyball coach for high school and the junior high volleyball coach. This is Kyle's first year teaching.

Ethan Sickels will be the Principal for grades 7-12 and Athletic Director, as well as the coach for junior high girls' and boys' basketball. Ethan is from Kellerton, IA. He graduated from the University of Northern Iowa (UNI) with a bachelor's degree in education and a master's and specialist's degree from NWMSU. This is Ethan's 14th year in education and his 10th year as high school principal. He is returning to Nodaway-Holt R-VII after several years as principal at other schools. Ethan was a principal at Nodaway-Holt R-VII from 2008-2011. He was at South Nodaway, Barnard, MO, last year.

Talon Graff has accepted the teaching position of grades 7-12 English. This is Talon's first year of teaching. He and his wife, Mariah, live in Mound City. Talon will be coaching junior high football and will be the assistant boys' basketball coach, as well as the yearbook sponsor. He graduated from NWMSU with a bachelor's degree in English Education. Talon is originally from King City, MO.

## New director for Senior Citizens of Holt County Center/Nutrition Site

A new site director has been hired for the Senior Citizens of Holt County Center in Mound City. Patricia Johnson of Mound City will begin her duties on Monday, August 17. The director position has been open for several weeks after the unexpected resignation of the previous director. Employees, Loretta Morris and Ida Soto, have been working hard during this period to keep the center running smoothly.

Senior Citizens of Holt County Center board president, Greg Biermann, states, "The Board of Directors feels very fortunate to have Patricia working for us. She has always lived in the area and is committed to making this work." The board has met with Johnson several

times and is eager to make the transition a smooth one.

A native of Craig, MO, Johnson has lived in Mound City and then Fairfax, MO, most of her life. She is married to Scott Johnson and they live in Mound City. She is the mother of Shannon Long and Bonnie Long Avrett.

Johnson is enthusiastic about her new endeavor. "This position is new ground for me," she says, "but I am excited about making the center a place people can enjoy and will continue to patronize." Johnson is looking forward to meeting everyone during the time that lunch is served each day and at activities planned before and after the meals.

**Patricia Johnson, left, and Greg Biermann, right** - Look over the job description for the director of the Senior Citizens of Holt County Center in Mound City. Johnson has been hired for the position and will begin her duties on Monday, August 17. Biermann, president of the board at the center, says the board is looking forward to working with Johnson.

## Northwest Health Services announces new Chief Executive Officer

The Board of Directors at Northwest Health Services is pleased to announce Matt Younger as its Chief Executive Officer (CEO).

According to Terry Steinbecker, board president of Northwest Health Services, "The board looks forward to Matt's leadership and guidance in a changing health care environment as our organization continues to provide high-quality patient care in the communities we serve."

After several years away from Holt County where he spent his childhood, Younger will lead the organization that provided his family care as a child. "We always went to a Northwest Health Services clinic growing up," said Younger. "The organization was formed when I was young and throughout my life it has been known as a people-minded organization that supports its communities."

Younger's most recent experience came as a Director of Operations for Platinum Health Care - a corporation that acquires and operates nursing homes. Younger supervised nursing home administrators in Missouri, ensuring high-quality care. Earlier, he worked at the Missouri Department of Health and Senior Services (DHSS) as the Administrator of the Section for Long-term Care Regulation.

There, he oversaw the licensing and inspection of 1,143 facilities in Missouri. Younger is glad to be back home and excited to make a positive impact on the communities where he was raised.

"Northwest Health is an organization with a unique mission and identity," said Younger. "We have a charter higher than commerce. Northwest Health Services is located in areas where care is needed but scarce, and improves access to care for Americans regardless of their insurance status or ability to pay."

Northwest Health Services is an organization of Federally Qualified Community Health Centers (FQHCs) with locations spread over 16 counties. Northwest Health Services health centers are local, non-profit, community-owned health care providers serving low income and medically underserved communities.

Younger, a 1997 graduate of Mound City R-2, is the son of Kirby and Karen (Brock) Younger of Oregon, MO.

## Tiffany Heights Care Center recognizes long-term employee

**Patty Judy of Mound City** - Has worked at Tiffany Heights Care Center in Mound City for 35 years, making her the employee with the most years invested at Tiffany Heights.

In 1980, when the Tiffany Heights Care Center facility in Mound City was just four years old, Patty Judy started her career there. Still Patty Davis at the time, she began her duties as a certified nursing assistant (CNA) and a certified medical technician (CMT). Patty was a CNA and CMT for nine years.

In 1989, Patty moved into the housekeeping and laundry departments at Tiffany Heights. She worked in both departments for 11 years before moving into the laundry department exclusively. For the past 15 years, Patty has served the residents by providing clean clothing, bedding, towels and dining cloths.

Patty may not have direct contact with the residents like she did as a CNA and CMT, but she makes a point to visit with her "family" as often as possible. "I love my residents," says Patty as she transfers tablecloths and other dining linens

from the industrial washing machine to the large dryer.

Patty has worked with five administrators and countless other staff over the 35 years. David Duncan, Wava Cunningham, Russ Northup and Jennie Luna were previous administrators and Tammy Yocum has been Patty's boss for years.

"We at Tiffany Care Centers, Inc., are very proud of Patty's dedication to the Tiffany Care system for the past 35 years," stated Kim Ireland, Tiffany Care Center's corporate Chief Executive Officer (CEO). "We appreciate her commitment to the service of our residents."

Patty and her husband, Bill Judy, have been married for 34 and a half years and live north of Mound City. Patty enjoys reading and working in her large garden in her spare time.

Patty is the daughter of Eldon and Wilma Jean Davis and has lived in Mound City her entire life.

## Space still available for teams in the CommuniTEE Golf Benefit

The Community Hospital-Fairfax, MO, (CH-F) CommuniTEE Golf Benefit Committee invites the public to play golf for a great cause at the Rock Port (MO) Golf and Country Club on Friday and Saturday, August 28-29. The annual golf benefit is a two-day tournament hosted by the Community Healthcare Foundation of Community Hospital-Fairfax in an effort to raise funds for lifesaving equipment and technology for patient care. Registrations are still being accepted for individual players, golfers and sponsors for one of the area's largest golf benefits.

The tournament will begin Friday morning, August 28. Golfers are invited for lunch on Friday and Saturday, as well as other patrons who are not golfing but would like to take part in the fund raiser. There is also a social hour planned for Friday evening at 6:30 p.m. The tournament will conclude with a dinner and celebration on Saturday at the Rock Port

Country Club at approximately 6:00 p.m.

During Saturday evening's festivities, raffle winners will be drawn and hole contest winners announced. This year's raffle prizes include a \$1,000 trip voucher, \$500 in cash that was generously donated by the CH-F Medical Staff and greens fees to Tiffany Greens in Kansas City, MO.

Community Hospital-Fairfax welcomes the public to take part in this exciting event. Not only does this fund raiser contribute money to the hospital, it also gives its staff and supporters an opportunity to celebrate Northwest Missouri healthcare together.

Please contact Kris Umbarger at (660) 686-2350 or KrisU@FairfaxMed.com to register for golf, sponsor this worthy cause or purchase raffle tickets. Sponsorship and registration information is also available at www.FairfaxMed.com.

## State of Missouri Attorney General visits Mound City

Missouri Attorney General Chris Koster, standing, in the photo above (and left in the photo to the right) - Visited Holt County on Thursday, August 6. Koster, who will be running for Governor of Missouri next year, held a gathering at The Klub in Mound City. He outlined his agriculture related accomplishments during his tenure as Attorney General as well as his goals to move forward if elected governor in 2016. Missouri State Representative Allen Andrews was in attendance along with around 30 Holt Countians from many different backgrounds. Refreshments were available for the hour and a half gathering. Questions were presented to Koster and an open dialogue was held between the Attorney General and the attendees.

## Wayne Flanary receives Distinguished Service Award

Wayne Flanary, right, University of Missouri (MU) Extension Regional Agronomist from Holt County - Was the recipient of the Distinguished Service Award during the 100th anniversary of the National Association of County Agricultural Agents in South Falls, SD. Mike Hogan, left, from Ohio and president of the association, presented the plaque to Wayne. The award recognizes those individuals with outstanding accomplishments in Extension work across the nation and chosen by their peers.

## News from Tiffany Heights

Another month has started and the residents at Tiffany Heights in Mound City enjoyed learning many different things that happened during the month of August. The residents decided that August must be a difficult month as there are no holidays. During this month, the residents are looking forward to the Perseid Meteor Showers at its peak on August 10-12. Of course, the favorite food made a showing this month with special "National" days: ice cream sandwiches (2nd), watermelon (3rd), root beer floats (6th), creamsickle day (14th) and the list goes on. This month also has a day for left-handers, celebrates poets, the Queen Mother's birthday and the birthday of Mother Teresa.

On Tuesday morning, August 4, Pastor Rahim Brown of the Mound City United Methodist Church provided

the Bible study. Dee Ann Heck assisted. During the afternoon, residents held their monthly council meeting. This month, they chose Tiffany Twyman as the Employee of the Month. Tiffany has worked for Tiffany Heights for four years. Tiffany is originally from the Craig, MO, area and enjoys reading and being with her family.

The residents enjoyed a special treat from Dr. Carpenter's office. Karen Voltmer, LPN, and Rhonda Ball, officer manager, brought the residents and staff snow cones in a cup to help celebrate the Mound City Family Medicine's one year anniversary. The treats were just right for a summer day.

Amanda Griffin joined the residents on Wednesday afternoon, August 5, and presented a program on herbs. Amanda grows and dries her own herbs. She had each resident rub and taste the herbs. Amanda told of the many different ways to use herbs and of the health benefits. She left the residents a beautiful fresh flower arrangement made from the herbs. Michelle Brandon assisted with the herbs.

Dee Ann Heck provided piano music before lunch on Thursday, August 6. Bingo volunteers on Thursday afternoon were Shirley Jackson, Jean McCall, Gordon Robbins, Debbie Friend, Lucille Stull and Denise Acklin. The winner of the game was Dorothy Sommer.

Glamour nails were enjoyed on Friday morning, August 7. The residents also enjoyed a game of bean bag during the

morning. Delores Hawkins and Velma Kunkel were the winners of the games. During the afternoon, the residents enjoyed an all you can eat watermelon feast. It was noted that watermelons are 92% water (hence the name). It has been proven that watermelons were harvested nearly 5,000 years ago in Egypt. The residents enjoyed the watermelon and the fun facts.

The residents enjoyed a special surprise on Saturday, August 8. Ellen Kunkel, Sheri Wright and Sue Gragg came by to entertain with songs. The residents were glad to see the trio back together. Games of choice were encouraged during the afternoon.

Karma and Bill Metzgar provided communion on Sunday morning. Sunday morning worship was conducted by Seth Henson of the New Life Apostolic Assembly of Mound City. Afternoon services were also provided by New Life Apostolic Assembly.

**OBITUARIES**

**Thomas I. McIntire**

Thomas I. McIntire, 75, of Overland Park, KS, passed away Friday, August 7, 2015, at his home.

Tom was born on May 20, 1940, in Oregon, MO, one of four children of Harry L. and Violet M. (Holstine) McIntire.

Tom graduated from Oregon High School and received his Master's degree from the University of Kansas.

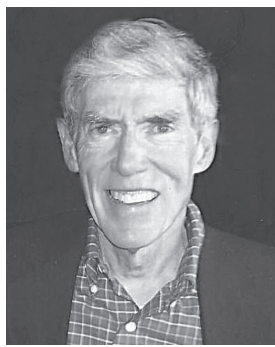

On Sept. 1, 1962, Tom married Ann Milne in Oregon. They became parents of two children and made their home in Overland Park since 1963.

Tom worked as a Certified Public Accountant (CPA) for Pete Marwick, Western Auto and Object Technology Solutions, Inc.

Preceding Tom in death were his parents. Survivors include Tom's wife of 52 years, Ann, of their home; favorite son and daughter-in-law, Mark and Tracey McIntire of Las Vegas, NV; favorite daughter and son-in-law, Melinda and Chris Nedbalek of Olathe, KS; brother and sister-in-law, Mason and Judy McIntire of Mound City, MO; sisters and brothers-in-law, Kay and Bob Simpson of St. Joseph, MO, and Marilyn and Bill Schulte of Los Angeles, CA; six grandchildren, Cooper Thomas, Morgan Nedbalek, and Brandey, Arias, Candyze and Cameron McIntire; two great-grandchildren, Ella and Audrey McIntire; and numerous nieces and nephews.

Tom enjoyed his work, and his life was centered around his family. He was an avid runner, enjoyed the Lake of the Ozarks, KU basketball, and loved Ann's fruit pies. He was an active member and volunteer at the Village Presbyterian Church in Overland Park.

A private family interment was held at the Maple Grove Cemetery in Oregon. A memorial service was held on Monday, August 10, 2015, at 11:00 a.m. at the Village Presbyterian Church, 6641 Mission Rd., Prairie Village, KS. Memorials may be directed to the Village Presbyterian Church or the Kansas City Hospice. Care was entrusted to Chamberlain Funeral Home, Oregon. Online condolences may be left at [www.chamberlainfuneral.com](http://www.chamberlainfuneral.com).

**Vera B. Duncan**

Vera B. (Travis) Duncan was born on Christmas Day, December 25, 1927, in Mound City, MO. She was raised in Mound City. Vera passed away on Sunday, August 2, 2015, in Albuquerque, NM, near her son's residence.

Vera is survived by her husband, Dr. Ralph A. Duncan, Albuquerque; son, Gary L. Duncan; and daughter, Diane Parizek. Special recognition goes to her Hospice nurses, Gloria Vigil, Mellisa Martinez, Debbie Meyer and Jennifer Gomez.

**Rumble by the Refuge hits the newsstands**  
Mound City event featured in *Pro Pulling Magazine*

The 5th annual Rumble by the Refuge in Mound City was a big success again this year, despite the interference by Mother Nature on the first night. Recently, the local truck and tractor pull was featured in a popular pulling magazine, boosting the event's stature even higher.

The August/September 2015 issue of *Pro Pulling Magazine* recapped the Lucas Oil Pro Pulling League event that was held on Saturday, June 27, with several color pictures of the event gracing the pages. The magazine gives the Rumble by the Refuge the honored distinction of being called a destination event, meaning "no matter how far you travel to the pull it is fully worth your while."

The article noted the significant rains in the weeks prior to the pull and the

deluge on the first day of the two-day event, Friday, June 26. Credit was given to the Mound City Rural Fire Department and event promoters Chris Waegele and Mitchell Corbin for "leaping into action" to coordinate unprecedented activity on Saturday morning, June 27, to ensure the show would go on as planned. Additional gravel was hauled in to firm up the pit area and one of the best tracks in the history of the Rumble by the Refuge rose out of the muddy mess from Friday night. Approximately 5,000 fans turned out for the Champions Tour at Saturday night's pull, with "growth on top of last year's successes."

An annual event of the Rumble by the Refuge is the presentation of a firearm to class winners., courtesy of the local gun

shop, Open Season. This giveaway is named the Claude Corbin/Gordon Lemar Memorial Farmers Challenge. Four Henry 22 rifles were awarded to pullers in Protect the Harvest Pro Stock, Speedco Pro Mod FWD Trucks, iON Camera Unlimited Super Stocks and the 4.1 Limited Pro Stock class.

The article noted, "As Waegele, Corbin and company seek to improve their event each year....the goal is to turn their regional phenomenon into a nationally recognized player in high quality pulling action"

*Pro Pulling's* article concluded with the compliment that "Rumble by the Refuge has all the tools: great promotion, great location and great pulling action. Make plans to attend the (2016) event now!"

**Successful Showtime Saturday in Oregon**

The Oregon, MO, Merchants around the Square Committee members were very happy with the attendance to the first ever Showtime Saturday. Over 100 people came to the Holt County courtyard in Oregon Saturday evening, August 8, to enjoy dance numbers, singing, a hula-hoop routine, acrobatics, guitar playing and more provided by several entertainers. The evening began with Lisa Kelly singing the "Star Spangled Banner" and a contingent of Boy Scouts presenting the flag. The evening concluded with Lisa singing "God Bless America" with everyone joining in.

The evening was reminiscent of bygone days when people came to town on Saturday night to shop, get haircuts, socialize, and enjoy a movie or other entertainment.

Plans are being made to continue Showtime Saturdays on the second Saturdays in June, July, and August of 2016.

Anyone willing to devote some time to the Merchants around the Square Committee, please attend the next meeting on Friday, September 18, at the King and Proud Roadhouse in Oregon at noon. Other upcoming events for the Merchants around the Square are Halloween Uptown and Christmas around the Square.

Cousins, left to right, Becca Schaeffer and Ellie Conard - Of Oregon, MO, blended their voices in a beautiful duet at the Showtime Saturday in Oregon on Saturday, August 8, at the grandstand in the courtyard. Many others contributed their talents to the show with a huge crowd cheering them on.

The American Legion Auxiliary (Paul P. Shutts) Unit 121 met Tuesday evening, August 4, 2015, at 7 p.m. at the American Legion building in Mound City. The meeting was called to order by President Lori Miller. Those present were Lori Miller, Phyllis Smith, Verna Young and Debbie Loucks.

The unit recovered a thank you note from the Veterans' Home Assistance League in Cameron, MO, for the donations in memory of Lucyle Benne and Nina Boyd.

Lori reported the cake and ice cream social/fundraiser over the July 4 holiday was successful. All proceeds went to the American Legion Post 121.

A student from Craig R-3 placed second in the district

county government essay contest. The unit placed third and received a certificate of appreciation at the district meeting for hours of service and money donated for the veterans.

An installation of officers of each district unit was held on Monday, August 10, at the Memorial Building in Rock Port, MO. The next district meeting will be held Saturday, September 19, in Burlington Junction, MO.

The next Paul P. Shutts Unit 121 meeting will be held Tuesday, October 6, at the American Legion building in Mound City. The Girls' State delegates will be invited to share about their experience at Girls' State. Verna Young, Chaplain, gave the closing prayer and the meeting was adjourned.

odist Church Museum in Fortescue, MO. Board president, Sally Waggoner, White Cloud, KS, spent several long days setting up her hundreds of dolls in elaborate displays throughout the museum. Becky Patterson, Mound City, put in many hours helping Sally with the displays.

Sally greeted guests and told stories about the dolls as people mingled around the various settings. She noted that 90% of her collection was from garage sale buys. Most of the outfits on the dolls were made by Sally and a few were made with her sister, the late Janice Dodson. One such session saw the sisters working away on the little outfits, only to look up and realize that 13 hours had passed. Sally laughs, "I spent the night with Jan and we started back up sewing and ironing the next day."

The unique display has been such a success the society has decided to leave the dolls up for another month. September's "First Sunday" will be September 6, with a Trash, Treasures

## This Week's History

From the *Mound City News* archives

### 50 Years Ago - 1965

• Music instructor Dave Holland announced that the senior band would start rehearsals August 16th at 9:30 a.m., and would practice two hours each morning thereafter, until school started. All band members, except the varsity football players who were in the band, were expected to attend. The majorettes were to bring their instruments as well as batons.

• Some 430 acres of land, which had been on Holt County's tax books for many years, were removed. The reason, of course, was understandable: State of Missouri acquisition for Interstate Highway No. 29 construction. The land was then not taxable, and it was basically quite a loss for most of the right-of-way area affected from the Nodaway River on Highway 59 to the old Field's Fruit Stand site, situated on the same highway between Oregon and Mound City. The land was assessed in the higher bracket of \$60 per acre.

• Mound City football coach Larry Brandt announced that the first football practice session would be held at 7:30 Monday night of the following week.

### 25 Years Ago - 1990

• Results of the Primary Election were: Democratic ticket winner for Presiding Commissioner was John Killin over Bob Doebbeling, with Killin to face Ray Biermann in the General Election; Bill Richards would be the new Associate Circuit Judge, leading his primary opponent Robert Shepherd, with no opponent in the upcoming General Election; Wayne Hall was victorious over Kenneth Weis for First District Board of Commissioner and would oppose Glenn E. Meyer; Jim Luce, running for the Republican Clerk nomination, had a victory over Alita Meyer; Nancy Elliott held off Patsy Smith and Richard Buntz for the Collector race; and Anna Lou Doebbeling won the Treasurer race over Susan Noland and Sharon Greiner.

• Three of Dr. J. Bruce McRae's summer projects were now completed. The waterwheel just south of the Pump & Snack and the wheel on the north side of the meeting room at Evans Circle along with the sundial on the golf course had received their final adornments.

• Madeleine Gillis recently completed requirements for her Master of Science in Education degree in English at Northwest Missouri State University in Maryville.

### 10 Years Ago - 2005

• Plans for a new Holt County Law Enforcement Center that included a 40-bed or 60-bed jail were reviewed at the courthouse.

• A public meeting on a new coal-fired power plant proposed by Associated Electric Cooperative Inc. in Carroll County was set to be held in Oregon. The alternate site was near Big Lake, explaining why the meeting was being held in the county.

• Mound City's tax rate for 2005 was down slightly from 2004, thanks to higher real estate and personal property assessed values that topped \$10 million for the first time.

• The Holt County Historical Society met at the home of Betty Beck, Graham. Beck, a doll collector, showed her extensive collection of dolls at her historic brick home.

• Mound City's infamous diamond ring got national newspaper and television exposure in the last month after the daily newspapers in Maryville and St. Joseph discovered the five year-old story and relayed it to the Associated Press.

## What do you remember?

The Holt County Historical Society is looking for answers to these questions that have been submitted by researchers.

### CRAIG CHRISTIAN CHURCH

This fragile photo (pictured left) was included in an envelope of pictures received this past week from Mary Virginia Lawrence Nevin, Downey, CA. Written on the back is "From the scrapbook of Marie Quimby Lawrence". Ms. Nevin also sent the history of the Craig Christian Church written in 1927 by Josephine Parrish. The church was organized February 4, 1880, with ten members. After having services in a building on Main Street for one year and in a remodeled school building from 1881 to May 21, 1893, the congregation began worship in the present building. Note the tall steeple that once was at the front entrance. Today worship services are no longer held there and the building is occupied by the Craig American Legion.

### MOUND CITY FFA PHOTO

In May, a photo donated by Dale Holstine, Mound City, was published asking for help identifying the group. Mound City High School graduates in the class of 1956, Clyde Brown, Gladstone, MO, and Berniece Knowles, Humble, TX, each wrote to share who they knew. But, some still are without names! The large picture is displayed in the Genealogy and Research Center if anyone wants to stop by any Wednesday to see if they can add a few more names!

### A REMINDER.....

For a small fee copies of photographs, histories, obituaries and documents are all available to those interested in Holt County history at the Genealogy and Research Center on Wednesdays!

# Holt County Commissioners decline formation of NID; FEMA projects nearing completion

The Holt County Commission met Monday, July 13, 2015, at 9 a.m. at the Holt County Courthouse in Oregon, MO. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

R.T. Turner of Kansas City Power and Light (KCP&L) provided a bond of \$50,000 for Holt County Road and Bridge to ensure that roadway damage that might occur associated with the construction of a transmission line across the northern part of Holt County will be repaired by the contractor and not at the expense of Holt County.

Southern Holt Recreational System District board members Elizabeth Dudeck, Landi Quinlin, Rachel Plummer, Pool Manager Mishael Barton; and community members Bob Ottman, Don Scheib, Billie Banks, Rich Mendenhall and Phyllis Danner joined the commission to discuss formation of a Neighborhood Improvement District (NID) to build a new pool in Oregon. Board members provided cost estimates and plans for cash donations and in-kind work. Board members believed the project could be completed for an estimated \$800,000.00, which is less than the bond approval of \$1,200,000.00. Commissioners agreed to pursue three areas of questions with Edward Jones Municipal Bondsman Brian Coyman, who is acting in an advisory capacity for the county, including mechanism for special assessments of benefit to generate tax revenue; design and build concept bidding legality; and the impact of a lawsuit on the process, should the commissioners decide to proceed with the project. Commissioner Gordon agreed to report to the board the information.

Phyllis Danner and Billie Banks, representing Oregon Merchants Around the Square, requested permission to hold a community music and entertainment event on the courthouse square on second Saturdays, beginning with Saturday, August 8, 2015. Commissioners agreed to have the electricity on at the stage and the courthouse open for restroom use during the evening events.

Brenda Nelson, R.N., Health Department Administrator, met with the commissioners to discuss ongoing Ebola preparations and two recent semi-truck wrecks involving food items. She anticipates the Environmental Services contract payment will be larger due to additional costs associated with those wrecks. Nelson plans to bill insurance for those costs.

Sheriff Scott Wedlock reported that the voice recorder for 911 is not working properly. He has contacted Midwest Data, Rock Port, MO, to search for a replacement as part of the county's ongoing Information Technology (IT) services. He also reported that the small radio building needs painting.

Road and Bridge Supervisor Daryl Biermann met with the commission to review completed Federal Emergency Management Agency

(FEMA) projects including Holt Road 120, Keystone Road, Holt Road 150 and a bridge at Holt Road 140 and Ironwood Road. Other general work on Omaha Road and Lincoln Road had also been completed.

Commissioners took up review of the county's Hazard Mitigation program, which is set for a renewal process with the Northwest Regional Council of Governments. A series of meetings will be held to get community input on the plan. The county's match cost for the project is \$6,137.19, of which all or most will be credited as in-kind match.

Being no further business, the commission adjourned until Monday, July 20, 2015.

The Holt County Commission met Monday, July 20, 2015, at 9 a.m. at the courthouse in Oregon. First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

Greg Book, mayor of Forest City, MO, appeared before the commission to request the county pay one half of the cost to place a concrete surface on a bridge on Chestnut Street, Forest City. The county acted as a pass-through entity for Bridge Replacement Off-systems (BRO) funds in 2005 to replace the bridge under contract with the city of Forest City. County Clerk Kathy J. Holstine provided a copy of the contract to Mr. Book that expressly stipulates that the city is responsible for the surface material on the bridge. Commissioner Gordon tabled the matter pending the return of Presiding Commissioner Sitherwood for discussion.

Brenda Nelson, R.N., Health Department Administrator, met with the commission to discuss having a safety activity during the Holt County Autumn Festival. She will ask Missouri State Highway Patrol to partner with her for the event.

Carla Markt, Oregon, approached the commission to discuss an upcoming United States Corps of Engineers boat tour of the Missouri River on Tuesday, August 18.

French Harris, Oregon, met with the commission to request payment or clarification of mowing costs for the Maitland Mausoleum. County records indicate a yearly interest payment has been sent to the Maitland Cemetery for disbursement associated with mowing costs.

Commissioners took up extending construction workdays for Mike Long Construction and Hufford Dirt Works due to ongoing rain. Commissioner Carroll agreed to notify both contractors that an additional 30 working days have been granted to complete the various FEMA projects under their associated bid contracts.

Being no further business, the commission adjourned until Monday, July 27, 2015.

The Holt County Commission met Monday, July 27, 2015, at 9 a.m. at the courthouse in Oregon. First District Commissioner Bill Gordon

and Second District Commissioner David Carroll were in attendance.

R.T. Turner and Dan Hegeman of KCP&L met with the commission along with James Buckner of Kenney Construction to discuss damage to Holt Road 120 as part of the construction of a new power line. Mr. Buckner agreed to pay for the rock applied to the roadway by Holt County Road and Bridge. All parties agreed that as damage occurs, Mr. Buckner will ensure that the roadway is repaired within seven days and that he will remain in contact with Commissioner Carroll regarding any complaints.

Commissioner Carroll provided a list of FEMA projects recently completed including activity on Ironwood Road, Holt Road 153, a washout on Keystone Road, and road rock application on Indian and Neptune roads.

Junior and Janice Radley appeared before the commission as part of the Board of Equalization (BOE). Assessor LaDonna Jones also joined the meeting. Mr. Radley questioned the valuation of a grade 6 farmland value that appears to be charged \$150 per acre in Nodaway County and \$158 per acre in Holt County. Commissioners contacted Nodaway County Assessor Rex Wallace to inquire about the discrepancy. Mr. Wallace agreed that the Nodaway County value should be \$158 per acre and match the Holt County value. He noted that a software issue generated the errant bill and that it will be corrected this tax season. There is no action by the Holt County BOE on this matter.

Commissioners took a conference call with Brian Coyman, Edward Jones, St. Louis, MO, to discuss special assessment benefits; design and build procurement; and legal challenges to a Neighborhood Improvement District (NID) for southern Holt County. Mr. Coyman agreed to research and provide a written response associated with the questions presented.

Wayne Flanary, University Extension Agronomist, joined the commission to discuss resistant weeds in Holt County.

Holt County Treasurer Gay Quick approached the commission to provide the six-month settlement of funds for the county.

Matt Berry, Congressman Sam Graves' Office, met with the commission.

Commissioners took up a tabled request by Forest City Mayor Greg Book to pay for one half of a concrete bridge surface on Chestnut Street within the city of Forest City. After review, commissioners declined.

Brenda Nelson, R.N., Health Department Administrator, met with the commission to discuss contract billing changes and to discuss a new grant for a generator. Commissioners approved of Nelson seeking the grant for \$3,000 to \$5,000.

Being no further business, the commission adjourned until Monday, August 3, 2015.

The Holt County Commission met Monday, August 3, 2015, at 9 a.m. at the courthouse in Oregon. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

Paul Gamache, New Point, MO, joined the commission to thank the commissioners for work done on a drainage tube issue.

Richard White, New Point, approached the commission to discuss the formation of a Neighborhood Improvement District (NID) for a pool project in Oregon.

Road and Bridge Supervisor Daryl Biermann joined the commission by phone to discuss ongoing roadway projects and FEMA projects.

Commissioners reviewed damage to a bridge on Keystone Road and Holt Road 110, where a guardrail was damaged in a vehicle accident. Commissioners agreed to contact the driver's insurance agent for the claim.

Members of the Southern Holt Recreation System District board and interested parties, Mishael Barton, Kristen Mendenhall, Daysha Weller, Landi Quinlin, Billie Banks and Rachel Plummer, met with the commission to request a final answer from the commission regarding the establishment of the NID. Board members requested a final decision by Friday, August 7, 2015. Commissioners agreed to continue their research and render a decision by that date.

Being no further business, the commission adjourned until Friday, August 7, 2015.

The Holt County Commission met Friday, August 7, 2015, at 9 a.m. at the courthouse in Oregon. Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner David Carroll were in attendance.

Commissioner Carroll reported on FEMA project work completed including: a tube replaced on Holt Road 110; a washout repaired on Holt Road 110; and gravel placed on Ember Road and Holt Road 147. Regular maintenance projects completed include a tube replacement at the intersection of Holt Road 110 and Juniper Road.

Commissioners took up the need to contract trash services at the Mound City Road and Bridge Barn. Stuart Disposal is no longer providing that service. Commissioner Carroll agreed to contact local providers for pricing and information.

Commissioners took up review of a summary from Brian Coyman, Edward Jones, St. Louis, related to the establishment of a Neighborhood Improvement District (NID). Mr. Coyman is acting in an advisory capacity and not as a bondsman for the county.

Commissioners took a conference call with Jackie Spainhower, Director of Northwest Regional Council of Governments, to discuss administration of a NID. Spainhower discussed the formation of a Community Improvement District (CID) as an alternative for the Southern Holt Public Recreation System District to consider that would allow the district to be separate from the county commission in taxing and administering a project.

Commissioners took a conference call with attorney Ivan Schraeder, Lowenbaum Partnership, St. Louis, to discuss NID and CID proposals and the risk to the county finances associated with each type of taxing district. Mr. Schraeder recommends a financial analysis and a comparative review of NID and CID to determine the economic viability of the project, bond payments and the overall risk to the county.

After due consideration and determining the project is not advisable, Commissioner Carroll made a motion not to go forward with the formation of a Neighborhood Improvement District (NID) for the pool project. The motion was seconded and passed.

Being no further business, the commission adjourned until Monday, August 10, 2015.

## "Silly Sally" displays her extraordinary doll family

Sharon "Sally" Davis Yates Waggoner of White Cloud, KS, excitedly walks around her doll display at the Holt County Historical Society's Methodist Church Museum. She has a story for each of the hundreds of dolls on display. "Silly Sally," as many of her family and friends call her, has spent years gathering her family of dolls and their thousands of accessories.

What many people only see as Christmas tree ornaments, Sally sees as a doll's purse or an accessory in one of the many scenes she has created. A

fancy hat on one of the bigger dolls is actually part of a dog's costume at the store. Although some clothing and shoes have been purchased, the majority of the outfits on the dolls have been lovingly made by Sally.

The display was part of the First Sunday program at the museum in August. Sally has left the display up for visitors to see the rest of the month, and it will be still be up for the First Sunday event in September. To view the spectacular doll display, call Sally Waggoner at 785-595-3233, or Norma McCurry at 660-442-3988.

## TCC Rehab Offers New Vital Stimulation Technology

If not properly managed, dysphagia can lead to: aspiration pneumonia, choking, chronic malnutrition, severe life-threatening dehydration, an increased rate of infection, longer hospital stays, or long-term institutional care - and possibly death.

TCC Rehab offers Vital Stim evaluation and treatment by our Specialty Certified Vital Stim Therapist Patti Griffith, CCC-SLP.

VitalStim Therapy is a technical breakthrough in therapeutic intervention for use in the treatment of dysphagia (swallowing disorders). It is a specialized form of neuromuscular electrical stimulation (NMES), specifically designed to treat dysphagia. NMES has a proven, long-term track-record in a wide variety of therapeutic and rehabilitative settings.

- VitalStim Therapy is a non-invasive external electrical stimulation therapy that re-educates the throat muscles needed for swallowing. The device is a portable, dual-channel electrotherapy system that is used with electrodes specifically designed for application to the muscles of the throat to promote swallowing during Speech therapy treatment.
- VitalStim Therapy is delivered using uniquely designed external skin electrodes, placed on specific neck muscles in a pattern that has been fully validated. Because the electrical current emitted by the device has been carefully selected to elicit a contraction in the muscles responsible for a normal swallow response, use of VitalStim Therapy leads to improved quality of the muscle contraction, and thereby to improved swallow function.

# Fishing derby reels in the dedicated fishermen

The 35th Annual Gene Kent and Melvin Livengood Memorial Fishing Derby, which took place on Saturday, Aug. 8, and Sunday, Aug. 9, reeled in a much smaller catch of fishermen and fish; 54 participants and 20 teams caught 162 pounds and 4 ounces of carp and 373 pounds and 6 ounces of catfish, compared to 93 fishermen and 34

teams catching 1,185 pounds of catfish and 420 pounds of carp in 2014.

The extreme heat seemed to limit the number of fishermen. According to derby coordinator, Doug Livengood, the fishing up and down the river has been poor; even fishing derbies in Omaha, NE, and Sioux City, IA, have turned in low numbers

of fish.

The following lists the winners in each division:

**Carp division - 27 fish caught**

**First:** 43 pounds, 4 ounces, Kyle Livengood, Craig, MO; Trevor Livengood, Craig; Mike Livengood, Mound City; and Nathan Livengood, Burlington Junction, MO

**Second:** 39 pounds, 5 ounces, Kirbie and Quentin Carder, Rock Port, MO

**Third:** 25 pounds, 1 ounce, Jason Thurnau, Ashland, MO; Marilyn Thurnau, Craig; and Dan Carter, Maitland, MO

**Fourth:** 14 pounds, 2 ounces, Travis Kent, Craig; Tom Kent, Mound City; and Shaun Kent, Mound City

**Fifth:** 8 pounds, 7 ounces, Chad and Evan Thurnau, Callow, MO; Trace Brown, Macon, MO; and Lynn Thurnau, Craig

**Catfish division - 78 fish caught**

**First:** 45 pounds, 2 ounces, John and Jennifer Daniels, Oregon, MO

**Second:** 42 pounds, 0 ounces, Ronnie and Clint Stoner, Rock Port

**Third:** 39 pounds, 2 ounces, Mike and Lacy Mayfield, Rock Port

**Fourth:** 30 pounds, 9 ounces, Fred Rhoades, Craig; and Danny Nelson, Craig

**Fifth:** 29 pounds, 7 ounces, Kirbie and Quentin Carder, Rock Port

**Youth division**

**First:** 10 pounds, 2 ounces, carp, Trevor Livengood, Craig

**Second:** 8 pounds, 7 ounces, carp, Trace Brown, Macon

**Third:** 4 pounds, 9 ounces, carp, Quentin Carder, Rock Port

**Individual winners:**

Biggest gar: 3 pounds, 5 ounces, Jed Knapp, Craig

Biggest drum: 4 pounds, 6 ounces, Wayne Smith, Tarkio, MO

**Saturday**

Largest Catfish: 15 pounds, 4 ounces, Clint Stoner, Rock Port

Largest Carp: 11 pounds, 1 ounce, Kirbie Carder, Rock Port

**Sunday**

Largest Catfish: 37 pounds, 3 ounces, Mike Mayfield, Rock Port

Largest Carp: 10 pounds, 2 ounces, Trevor Livengood, Craig

Lacy and Mike Mayfield, left to right, Rock Port, MO - Pose with Mike's catfish that won the largest catfish category on Sunday, August 9, during the Kent/Livengood Memorial Fishing Derby. Weigh-in was at the Thurnau Conservation Area near Craig, MO. The catfish weighed in at 37.3 pounds. The Mayfield couple also won third place in the group catfish division, with total pounds caught of 39.2 pounds.

Jason Prather, Tarkio, MO - Shows off his catch from the Kent/Livengood Memorial Fishing Derby on Saturday and Sunday, August 8-9, at the Thurnau Conservation Area near Craig, MO.

## Ladies' Open Golf Tourney enjoys great turnout

The Mound City Ladies' Golf Association hosted a two-day golf tournament on Tuesday, August 4. The weather cooperated for a beautiful morning of 18 holes of golf. Nineteen teams participated in the tournament and enjoyed a luncheon at the clubhouse at the conclusion. Flight winners, hole contest winners and door prize winners were announced after the meal.

Champion flight winners were: 1st place - Jennifer Watts and Rose Henning (72); 2nd place - Kathy Ungles and Kyra Mills (72); 3rd place - Pat Smith and Tonya Young (73).

A-flight winners were: 1st place - Kathy Seber and Dixie

Anaya (76); 2nd place - Sandy Taylor and Donna Knetzer (76); 3rd place - Karen Habrock and Merrilee Whitson (78).

B-flight winners were: 1st place - Monica Mauzey and Liz Schieber (83); 2nd place - Ginny Vernon and Kay Rosenbohm (83); 3rd place - Ronda Mahoney and Frankie Bell (86).

Hole contest prizes were: #2 (closest drive to the water) - Kathy Ungles; #3 (closest drive to the flag) - Pat Smith; #5 (longest putt) - Kay Rosenbohm; #7 (closest 2nd shot) - Micki Schussler; and #9 (longest drive in the fairway) - Dixie Anaya.

John and Jennifer Daniels, left to right, Oregon, MO - Took home first place in the catfish division of the Kent/Livengood Memorial Fishing Derby, Saturday and Sunday, August 8-9. The couple caught 45.2 pounds of catfish.

## Unplanted soybean seed

The extended rain events throughout the growing season have prevented many growers from planting all planned soybean acreage. In some cases the seed could be returned, but some could not. One option is to use the leftover seed as a cover crop. Seed treated with a fungicide cannot be sold as grain; therefore, using the seed as a cover crop is a way to still be able to use the seed.

Some ask the question if the seed can be kept and used next year. Years ago, farmers saved seed they harvested in the fall and planted it in the spring. The issue with the current situation is seed from this spring was held during the heat of the summer compared to seed from fall harvest. Also, planting rates

years ago were many times twice those of today. Seed prices are high and today's growers cut seeding rates to the minimum to maintain high yields. The University of Missouri Extension would recommend not planting old seed because, if the stand is affected, you have damaged the yield potential for that year's crop.

If a farmer decides to keep seed from this spring to next year, he should not only conduct a germination test but also an accelerated aging test to identify the loss of vigor. The germination test may show good germination but the seed under stressful conditions may not survive. The accelerated aging test is used to identify if seed has problems under stressful conditions or an estimation of the vigor of the seed. The Missouri Crop Improvement Association can conduct these tests.

# Watch for students; school starts soon

The Missouri State Highway Patrol reminds drivers that schools throughout the state are starting the 2015-2016 school year. It will be a big change for these young people after the summer break of fun in the sun, sleeping in, going to camp or summer employment. Instead, young people will be walking, biking and driving to school, which brings a change in traffic patterns. It is critical for drivers to be alert, especially near school zones, playgrounds and bicycle paths. School buses and parents taking their children to school will join other motorists on the road and affect the morning and afternoon commute. Whatever route is taken,

drivers should expect additional traffic and prepare by allowing extra time to reach the destination. Afternoons can be especially dangerous. Most traffic crashes involving young drivers (under the age of 21) in 2014 occurred between 3 p.m. and 4 p.m., when school typically lets out. Drivers need to be aware of the increased traffic during this time - not just in areas around school, but all around town. Remember, many of these drivers are inexperienced. It is important to encourage those young drivers to remember driving is a full-time job. Using a cell phone, texting or adjusting the radio can be the distraction that leads to a traffic

crash. Texting is against the law for anyone under the age of 22.

Missouri law also states that on a two-lane road, if a school bus is stopped and displaying warning signals while loading or unloading children, drivers must stop when meeting and following the bus. However, it is only necessary to stop on a four-lane highway when following the bus. Drivers, when

you see a stopped school bus, be alert. Children may not be aware of traffic and dart unexpectedly into the roadway.

In 2014, four people were killed and 374 people were injured in school bus crashes. Missouri experienced 936 traffic crashes involving school buses last year. It is important for drivers to pay attention, especially in areas where

schoolchildren are traveling to and from Missouri's schools. Parents are encouraged to talk to their children about riding a bus, walking or driving to school in a safe manner. If a student rides a bike, please make sure they wear a helmet and follow traffic laws.

Approximately 63 percent of Missouri fatal crash victims who are required to be restrained are

NOT at the time of the traffic crash. The Patrol urges motorists to protect themselves and their passengers by making sure everyone in the vehicle is properly restrained in a seat belt or child restraint. Join in supporting the Drive To Zero Highway Deaths. Watercraft operators should ensure that everyone in the vessel is wearing an approved life jacket. Click It 4 Life And Wear It!

### Notice of Public Hearing

A public hearing will be held at 9:30 a.m., Monday, August 24, 2015, at the Holt County Courthouse in Oregon, MO, at which citizens may be heard on the proposed property rates to be set by Holt County. The tax rates shall be set to produce the revenues which the budget for the year of 2015 shows to be required from the property tax. Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation, in compliance with 67.110 RSMo.

THANK YOU/REMEMBERING

On behalf of the Mound City Public Library, we would like to thank everyone who helped make this year's Summer Reading Program, "Every Hero Has a Story", such a success. If it wasn't for the generosity of others, our program would not have been possible. In particular, we would like to thank the following for their donations of money, facilities, gifts, knowledge, skills and time: Phyllis Ball; Jan Heck; Melinda Tally; Cynthia Pederson; Subway Mound City; State Theater; Randy Miller & Thomas Shifflett of the Mound City Fire Department; Sgt. Mark Wilhoit & Cipo of the Missouri State Highway Patrol K-9 Unit; Dr. Amber Keebler-Brown of Northwest Health Services; the Friends of the Library; the Mound City News staff; families in the community and their children; and the library board members. We were able to reach out and lend books to nearly 100 children over the eight weeks of the program, and you helped make this happen! We are so grateful! With heartfelt thanks to all of you from Susan Nauman, Program Director; Carly Edwards, Library Director; Shirley Jackson, Library Aide; and Mandy Crider, Program Facilitator

*High wind, rain and hail causes  
damage at Big Lake*

**An uprooted tree in the campground** - Of Big Lake State Park was the remnant of a severe storm that hit the area on Saturday night, August 8. Over two inches of rain fell in a short amount of time, leaving small lakes in the already saturated grassy areas of the park and in lake residents' yards. The staff at Big Lake State Park spent three days removing downed branches throughout the park. No major damage or injuries were reported.

**Stockpile fescue  
to supplement  
forage needs**

Thursday, August 6, at the Hundley-Whaley Focus on Forages meeting, it was discussed that several growers have not been able to harvest forage because of the wet weather. One option to address the availability of forage for the winter would be to apply 30 to 50 pounds of nitrogen on tall fescue to stimulate fall growth and use this as feed in winter.

Research conducted at the University of Missouri (MU) indicates that if the nitrogen is not used this fall by the fescue, it will still be available for use in spring. This is a great opportunity to increase forage and use cattle to harvest the grass.

For more information, contact Wayne Flanary at 660-446-3724; or Heather Benedict at 660-425-6434, Regional Agronomists, University of Missouri Extension.

**Lakeshore Grill at Big Lake, MO** - Sustained high wind damage on Saturday, August 8, during a severe storm that swept through the area. A small shed, erected just one month ago, was blown off the front deck of the popular restaurant. Several residents in the area rushed to the aid of the owners, Scott and Ryonee McCann, and lifted the shed back onto the deck. The boat and jet ski in front of the deck were undamaged in the storm.
