38th Annual Market Square Day set for Monday, September 1

The 38th Annual Market Square Day, traditionally held on Labor Day, will likely follow the success of last year, its organizers said.

According to Jordan Krueger, there are 40 vendors signed up for the Monday, Sept. 1, event, but there will "hopefully [be] more."

Likewise, Teresa Russell indicated that the list of booths continues to grow.

"I've got people calling every day," she said, "and [there are] new people."

In addition to the usual community food vendors, the pony rides will be available again this year, as will overnight camping, and items for sale will skew towards crafts, Russell said. Shop-

pers may also peruse antiques and collectibles, and those interested in history and genealogy may visit the "Military Memories" display at the Holt County Genealogy and Research Center, located at 612 State St.

The Xi Eta Upsilon chapter of the Beta Sigma Phi sorority is directing the event, and all funds raised will be directed toward academic scholarships for Mound City R-2.

Larry Olinger - Works at his computer at Shelter Insurance’s Mound City, Mo., office on Tuesday, Aug. 12.

Family man Olinger takes over Shelter Insurance

On Tuesday afternoon, Aug. 12, Larry Olinger was busy talking and laughing on the phone. His gregariousness, though, extends beyond his new Shelter Insurance office on State Street in Mound City, Mo.; Olinger, who has taken the place of Jonathan Miller, has friends, family and career connections throughout northwest Missouri.

“I worked the majority of my career for MoDOT [the Missouri Department of Transportation],” Olinger said. “I left in 2001...and kind of bounced around a bit.”

Olinger eventually went to work for the *St. Joseph News-Press* as a circulation manager, but he had already made the decision to pursue insurance.

“I have two good buddies in insurance,” Olinger said.

One friend is a Farmers Mutual Insurance agent in Kansas City; the other works for Shelter Insurance in Cameron, Mo. — and he used to work with Olinger at MoDOT.

“He got me thinking,” Olinger said.

After retiring early (“It came sooner than I thought,” Olinger said), the time was right.

“[I feel like] this is the place for the rest of my career,” he said.

Olinger continues to live in St. Joseph, Mo., with his wife and two sons. His daughter is a student at the University of Missouri in Columbia, and Olinger will get to see her at the end of August when he travels there for insurance classes.

“I’ll be able to hang out with Sydney,” he said.

The two, he explained, will have father-daughter time: they’ll go for runs in the morning, then each will go to class. They’ll meet up for dinner in the evenings.

And when he returns to work in Mound City, he’ll be coming to a place that is quickly becoming familiar.

“I’ve got three fraternity buddies in town,” Olinger said. “Mound City is a great community. People here are fantastic. I’m sure I’ll fit in.”

Mound City Board of Education approves policy changes and adoptions

Next, Debbie Loucks was appointed custodian of records, and Mound City R-2 High School Principal Korey Miles was named both homeless/migrant coordinator and English limited language coordinator.

The board also approved the tuition rate at \$3,500 per year and the federal free/reduced lunch policy.

News from Tiffany Heights: Residents hear of work in the Peace Corps

The new vacation/work destination program started on Monday afternoon, August 18, at Tiffany Heights in Mound City. Jennifer Graves has been living and working in Albania for the past two years. She gave Tiffany Heights residents a presentation of her travel, work and lifestyle while there. She worked in the public health information department of the Peace Corps. The program was very interesting and all enjoyed Graves' presentation.

Sue Roseman directed the Prayer Warrior group on Tuesday morning, August 19. This group meets the first and third Tuesdays of each month at 9 a.m. at Tiffany Heights and all are welcome to join. Pastor Jeremy Blevins of the United Methodist Church in Mound City provided Bible study Tuesday morning as well. He led hymns by playing his violin.

On Tuesday afternoon, Amanda Griffin and Beverly Crowley gave an interesting presentation on herbs. They brought many fresh herbs for residents to smell and taste. Griffin and Crowley discussed the herbs' uses in cooking and as health benefits. Residents even got to taste some of the herbs in their natural states.

Residents enjoyed one of their favorite games on Wednesday afternoon, August 20. They played the "Name Game". The words this month were 'Vacation Paradise'. Using those letters, residents were able to make

more than 180 different words.

Dee Ann Heck played the piano before lunch on Thursday morning, August 21. Birthday bingo was played during the afternoon. The Tuesday Club provided delicious homemade cookies for all residents and those with birthdays received a beautiful gift. Assisting from the club were Kay Sitherwood, Sheri and Selah Meadows, Jeanne Moore, Judith Long, Jane Meadows, Barb Heitman and Kris Gibson. Residents with August birthdays are Mary C. Ball, Mary Klein, Delores Howard, Rachel Smith, Carol Ball and Emma Wright. Winners of the games were Chuck Milby, Dolores Hawkins and Inez Van Orman.

Paul Grant, AseraCare Hospice Chaplain, entertained residents with a variety of songs on Friday afternoon, August 22. RoAnne Solheim provided individual cheesecakes for all residents afterward as a special gift in honor of Rachel Smith. Smith, who is celebrating 101 years young, is Solheim's aunt.

Games of choice were encouraged on Saturday afternoon, August 23. Also happening during the week at Tiffany Heights was the awarding of Twyla Haer's seven-mile certificate in the walk and roll program.

Larry Brickey and the Mound City Baptist Church family provided Sunday morning services on August 24. Afternoon worship was provided by the Holy Trinity Lutheran Church.

MRTA to welcome new members

The Atchison-Holt Missouri Retired Teachers and Other School Personnel (MRTA) Unit will welcome recently retired school personnel at its fall meeting on Thursday, Sept. 4. The meeting will be held in Brownville, Neb., at the popular Lyceum Restaurant and Bookstore. Sign-in begins at 11:30 a.m. with lunch to follow at 11:45 a.m.

Additionally, a tour of the Whiskey Run Creek Vineyard, located at 702 Main, will take place at 10 a.m., before the start of the meeting.

"Whiskey Run Creek Vineyard and Winery is a new company steeped in century-old traditions," the company writes. "Between the 100-year-old barn relocated to span the creek, to the turn-of-the-century all-brick caves, Whiskey Run Creek is an engaging escape as well as a provider of wines and gifts."

MRTA is an organization for retired school personnel, but it is always concerned and supportive of the existing school staff. Currently, MRTA's con-

cern is about Amendment 3, which will be on the November ballot. Amendment 3 was initiated by Rex Sinquefield, and thus far, Sinquefield has donated more than \$1 million to hire people to collect the requisite number of signatures necessary to put this question on the ballot.

MRTA is not the only organization opposed to this amendment. The Missouri Association of School Administrators, the Missouri Association of Elementary School Principals, the Missouri Association of Secondary School Principals and the Missouri Association of Rural Education have joined with several other education groups, including all three teachers' organizations (NEA, MSTA, and AFT), to form the Campaign to Protect Our Local Schools.

MRTA is the largest retiree association in Missouri at 22,700 members and growing. The education retiree is MRTA's number one priority. Those who are retired school employees are welcome to join as well.

Scout area cornfields for disease problems

Area growers should consider early harvest of cornfields where plants have died prematurely as evidence of stock rot problems. Stalks that died prematurely, when pushed by hand, collapse and remain lodged, and a local field that died prematurely lodged after a storm last week. Additionally, Goss’ wilt, a bacterial disease, has been confirmed by the University of Mis-

souri (MU) plant diagnostic lab in Holt, Atchison and Nodaway counties. Samples that were taken from Andrew seemed suspicious and are currently at the MU plant diagnostic clinic for analysis. Fields infected with Goss’ wilt have had substantial yield as the disease hit late. With premature death, however, these fields are now facing injury

from stalk rots. Dr. Laura Sweets, Extension plant pathologist with the MU commercial agriculture program, toured area fields last week to examine plants and noted that the disease was probably in the area before this year. With the weather conditions and susceptible hybrids, Goss’ wilt was established enough that it could cause sufficient injury. Area seed suppliers are pulling hybrids that are susceptible from their product lines this fall (resistant hybrids are the best way to manage this disease). Not all corn has been injured from Goss’ wilt. MU agronomists have found fields that have also been injured severely from gray leaf spot, northern corn leaf blight and drought. Each field should be carefully identified before growers begin corn hybrid selection and early booking. For more information, contact Wayne Flanary, (660) 446-3724, Heather Benedict, (660) 425-6434, or Wyatt Miller, (816) 776-6961, regional agronomists with MU Extension.

This Week’s History

From the *Mound City News* archives

50 Years Ago - 1964

• The new Nodaway-Holt R-VII Schools would open September 7. A total of 179 high school students were scheduled to attend classes in the Graham high school building; 361 would attend elementary and junior high classes in Maitland and Skidmore. Junior high school classes would be held in Maitland; grades one through six would meet at both Maitland and Skidmore; and Maitland would also have the kindergarten classes. Supt. Bobby R. Kelley, former Graham superintendent, would head the entire system.

• A drastic and unexpected curtailment in the Canada goose regulations affecting the Squaw Creek area was the big news coming from the release of goose and duck hunting regulations. While the season would consist of 70 days of hunting throughout the Mississippi flyway, in the Squaw Creek area the limit would be one goose daily and two in possession, and the season would last only 30 days. The Mound City Chamber was being besieged with questions from goose hunters far and near as to why the sudden and drastic curtailment had taken place.

25 Years Ago - 1989

• Mound City and Nodaway-Holt were preparing for their football season openers. Mound City started with 19 and was down to 17 players with one dropout and freshman Jared Bledsoe suffering a broken arm. Senior players were Chris Wagner, Jeff Holstine and Chad Derr. Nodaway-Holt had 26 out for the team. Their senior team members were Jeff Karsten, Richard Rowlett, Richard Theas, Jeff VanGundy and Jeremy Tyler.

• Kasey Sitherwood, Bigelow, was one of 600 boys and girls throughout the state elected to give a demonstration in the 4-H Building at the Missouri State Fair. Kasey won a blue ribbon for her presentation on how to make a “Bunny Salad”.

• There would be no early teal season for the second straight year, because of low numbers of blue-wing teal.

• Bill and Phyllis Sharp, Cameron, cut the ribbon at ceremonies held welcoming them to Mound City as the owners of the new Hardee’s. Jeff Thompson was the local manager,

10 Years Ago - 2004

• Renick Stuart had acquired the old Wallace building in the 500 block of State Street with plans to tear it down. Mark and Sue Diggs were the previous owners, having bought the two-story brick building from longtime owner Dr. Hugh Wallace in 1998.

• The Mound City School District began offering full-day, all-week preschool for 3- and 4-year-olds, and was awarded a grant providing all kinds of equipment.

• Highway 118 between Mound City and Bigelow was expected to reopen within days. The \$5 million reconstruction of the 2.2-mile stretch included a new bridge over Squaw Creek and culverts that replaced two other old bridges.

• Mound City was one of two schools in Missouri in a pilot project to teach piano through a digital piano-keyboard lab.

• The Mound City Baptist Church opened a “Pantry of Plenty” offering groceries, toiletries, cleaning supplies, baby care products and school supplies. Helen Runnels did all the planning for the pantry.

GOOD MEMORIES.....

On January 21, 1973, the Holt County Historical Society met at the Woodville Presbyterian Church in southern Holt County.

Mrs. Bland Hinkle, president, announced the Fortescue School property had been accepted and plans made to repair the two buildings. Mrs. Irvin Sommer, Mrs. Osmer Hornecker, and Mrs. Ivan Kurtz were introduced.

Musical renditions were presented by Mrs. Sommer, accompanied by Mrs. Thelma Bailey. Mrs. Hornecker and Mrs. Kurtz shared the rich history of the Woodville Church and the genealogy of local families: Kurtz, Dreher, Buntz, Hornecker, Markt, Feuerbacher, Wiegand and Klinepeter. A large display of church and school photos and family records was enjoyed.

Note: Regular services continue at the historic Woodville Presbyterian Church near Oregon.

The total number of North American waterfowl is estimated to be near record levels for the third year in a row. Surveys of breeding ducks conducted during the summer showed an estimated North American mallard population of 10.9 million. That is up 5 percent from 2013 and 42 percent above the long-term average (LTA). Mallard numbers have exceeded this year's figure only once in the past 56 years – in 1958. Estimates of other duck species' breeding populations from the 2014 survey include:

- Blue-winged teal, 8.5 million, which is similar to 2013 and up 75 percent from the LTA.
- Shoveler, 5.3 million, 11 percent more than 2013 and 114 percent above LTA.
- Scaup, 4.6 million, up 11 percent from 2013 and 8 percent below LTA
- Gadwall, 3.8 million, 14 percent more than last year and 102 percent above LTA.
- Green-winged teal, 3.4 million, up 13 percent from 2013 and 69 percent above LTA.
- Pintail, 3.2 million, 3 percent below 2013 and 20 percent below LTA.
- Wigeon, 3.1 million, up 18 percent from 2013 and 20 percent above LTA.
- Redhead, 1.3 million, up 6 percent from 2013 and 85 percent above LTA.
- Canvasback, 685,000, down 13 percent from 2013 and 18 percent above LTA.

Mound City Lumber stocks new store

High traffic volume expected for Labor Day weekend

Missourians are preparing to celebrate the last holiday of summer, Labor Day. Typically, this weekend sees heavy volumes on Missouri's roads as many people will be taking one last summer trip.

It's important to remember, however, that the end of summer doesn't mean the end of the construction season. The Missouri Department of Transportation (MoDOT) continues to have work zones while crews make improvements and repairs to the transportation system. The majority of construction work zones will not be in place from 12 p.m. on Friday, Aug. 29, until mid-morning on Tuesday, Sept. 2. Some work zones, though, do have lanes closed that will not be reopened for the holiday weekend.

Driver behavior is the key to safe driving in work zones and on busy highways.

- **Wear a seat belt.** During the Labor Day holiday in 2013, there were eight fatalities in crashes on Missouri roadways, and two of those killed were not wearing a seat belt.
- **Don't Text and Drive.** Distracted driving is a top cause of crashes. Put down the phone and focus on driving.
- **Don't tailgate.** Keep a safe distance, and remember to leave at least two seconds of braking distance between the car and the next vehicle.
- **Slow Down for Work Zones.** Lanes may be reduced or shifted. By slowing down, drivers will be more prepared to adjust to the changing conditions and potential delays from reduced lanes.

Before heading out this holiday weekend, visit MoDOT's traveler information map at <http://www.modot.org/> to get the latest information on current projects that may affect travel plans. The map also provides real-time information regarding incidents on major roads that include lane closures. The MoDOT traveler information map can also be downloaded as an app to a phone. MoDOT's 24/7 customer service is also available to provide information on road conditions at 1-888-ASK-MODOT (275-6636).

Military Memories open house to be featured on Market Square Day

This young "lady" is ready for the Military Memories open house planned by the Holt County Historical Society Genealogy/Research Center on Market Square Day, Labor Day, Monday, September 1, in Mound City.

Wearing an American Legion Auxiliary cape from the late Marguerite Smith Griffith, donated by Lewis Charles Smith and the Smith/Griffith family of Mound City, she carries a Red Cross convalescent kit bag donated by Jay Minton, Bonham, Texas. Behind her is a 48 star U.S. Flag that was given by the Fortescue Methodist Church and a U.S. Army uniform from Lora Pierson, Oregon, MO.

Other artifacts and documents belonging to the society that will be on display will include a large framed roster of Company D, the 69th Regiment of Indiana Volunteers, given by Wayne and Anita Kurtz, Oregon. Also of interest will be the framed August 5, 1917, roster of Mound City's Company L. Officers were Captain Ray Carter, First Lieutenant Charles E. Munn, and Second Lieutenant Moss H. Forney. First Sergeant is George A. Minton, Mess Sergeant John H. Cardinell, and Supply Sergeant Hugh J. Gibson. It was purchased by the society at the late Esther Nauman Field auction in Mound City.

The doors will be open 8 a.m.-2 p.m. and anyone wanting to share military documents or photos are welcome to drop them by that morning. The center is located at 612 State Street.

Golf tournament benefits Community Hospital-Fairfax

The CommuniTEE Golf Benefit hosted by Community Hospital-Fairfax, Mo., was played on Friday, Aug. 22, and Saturday, Aug. 23. Rain and hot temperatures did not keep 65 teams from enjoying two full days of golf and fellowship at the Tarkio, Mo., Golf Course. The goal of the tournament is to raise funds for equipment purchases for the hospital. This year, the funds were directed toward a colonoscopy.

The CommuniTEE Golf Benefit is in its 23rd year of raising funds for Community Hospital-Fairfax. Through the years, it has become a rich tradition in Northwest Missouri. This year, golfers who had played in all 23 years of the tournament were recognized as well as teams who were comprised of multi-generations. The tournament continues to be successful due to the commitment of many, especially the members of the CommuniTEE Golf Benefit Tournament Committee.

Sunday night youth group to begin at River of Hope Fellowship

The River of Hope Fellowship is excited to be starting a Sunday night youth group. Located at 27765 Highway 159 south of Mound City (at the intersection of I-29 and Hwy. 159 near the truck stop), the church welcomes any and all students in grades seven through twelve from the surrounding communities to join the youth group. The new group provides an avenue for teens to fellowship, learn and most importantly, know and experience Jesus Christ.

The youth group kickoff event will be on Sunday, September 7, starting at 6 p.m. The group will meet every Sunday evening from 6 to 8 p.m. with food provided each week. The schedule of events will be in the following order:
6 p.m. - Doors open.

6-6:30 p.m. - Hang out, eat and open gym.
6:30-7 p.m. - Group activity and lesson (studying the book of Hebrews).
7-7:30 p.m. - Junior high and senior high small groups.
7:30-8 p.m. - Hang out, clean up and leave.
Pastor Will Certain says that the congregation would welcome help in establishing this youth group as a sustainable and faithful ministry. It is the hope that parents and members of this fellowship and community will participate by preparing and sending food, serving in the kitchen, transporting teens, and helping with crowd control. If anyone is interested in helping in any way, please contact Pastor Will at 816-824-8566.

Panthers blank EA Wolves in first game of season

The Mound City Panthers, who are cooperating (co-oping) with Craig, Mo., R-3 in all sports, celebrated a big win over the new Tarkio R-1/Fairfax R-3 co-op football team, the East Atchison Wolves, on Friday, August 22, in Tarkio, Mo. In the first game of the season for both teams, the Panthers blanked the Wolves by a score of 46-0. The Wolves held the Panthers to only one touchdown in the first quarter, but the second quarter saw Mound City pull away with 22 added points. The Panthers will host the South Holt Knights of Oregon, Mo., at Ceglenski Field in Mound City this Friday, August 29, at 7 p.m.

Mound City Panther Dylan Faller - Carries the ball around the end during Friday night's 46-0 win over the East Atchison Wolves. Faller carried the ball 16 times for 89 yards and one touchdown in the contest.

Mound City Panther Blake Shifflett - Intercepts the ball in the first quarter of Mound City's 46-0 shutout of East Atchison on Friday, August 22, in Tarkio, Mo.

Mound City Panther Dylan Honea - Makes an over the head catch for a two-point conversion during the 46-0 win over East Atchison.

Trojans leave Knights scoreless at South Holt

The Nodaway-Holt Trojans left the South Holt Knights scoreless in football action at Oregon, Mo., on Friday, August 22. The game ended at halftime after Nodaway-Holt scored 34 points in the first quarter and added two more touchdowns in the second.

"We played a really good first quarter. Blocking from our offensive line was great and those line-men opened up big holes for our backs to run through. We will have to carry this momentum into week two as we play Stanberry," said Nodaway-Holt Coach Josh Petersen.

Mound City grapes used in award winning wines

Grapes raised and harvested in Mound City's Development Corporation Vineyards were used in Windy Wine Company's award winning wines. Windy Wine Company recently entered its wines in the 2014 Missouri Wine Competition held in Columbia, Mo. The competition is organized by the Missouri Wine and Grape Board and this year's event had over 300 wines judged. Of these 300 wines, Windy Wine Company entered seven vintages and was able to medal with six of these wines. Two of them, the Good News Red and Peanut Butter and Jelly, received gold medals. The Good News Red went on to win the "Best in Class", the highest honor, at the Governor's Cup for best overall fruit wine.

Located in Osborn, Mo., the Windy Wine Company makes all of its own wine with grapes purchased from area vineyards to include Frontenacs from the Mound City vineyards.
